BRIEF LOCAL MATTERS.

Doug Payton has rented the bowling Latest in crepe designs at Williams & Brosius.

Steel wedges for sale at the blacksmith shop.

A full line of rubber boots and shoes at the Racket store.

C. D. Henrich went up to Umatilla last Saturday on a business trip.

Money to loan on real estate by JOHN L. HENDERSON, agt. Extra fine woolen underwear, for

ladies and gents, at the Racket Store. Wm. Yates, P. M., is authorized agent for all newspapers and periodicals E. H. Pickard, painter and decorator;

estimates gratis; prices moderate; satis faction guaranteed. Leave orders at Glacier pharmacy. Grandma Blount and her daughter,

Mrs. Green, arrived at their old home in Missouri all right. The old lady stood the trip remarkably well. Chris Bartsch came up from Portland last Friday and will spend the holidays in Hood River, after which he will again journey towards the land

of the midnight sun. Mr. Seaman Cox and W. H. Bishop

returned last week from Moro, where they have been contracting and build-They expect to remain in Hood River during the winter. The devil of the GLACIER, noticing

how the frost heaved up the ground during the late cold snap, thinks the world must be a good deal bigger in-freezing weather. But this doesn't prove that he is an expansionist.

Hood River makes no pretensions to tons of dried prunes have been shipped from here so far this season. The Davidson Fruit Co. shipped their second carload of dried Italian prunes last Monday.

site at the mouth of Hood river last week and made a plat of the same. He found that, according to the survey of 1860, the sandbar has moved several hundred feet out into the Columbia and that Hood river then emptied through the right hand channel.

Mr. Chas. L. Copple telegraphed from Quincy, Ill., that he had sold his three carloads of apples and was about to start for his old home at Walnut Hill. One car was rebilled and sent to Washington City. The people of Quincy thought they were the finest apples ever brought to that section.

A number of our subscribers know a good thing when they see it advertised in the GLACIER, and when renewing their subscriptions took in the Twice-a-Week Republic for 50 cents extra. Among the number were John Kelley, A. W. King, Frank Caddy, O. H. Rhoads, C. D. Henrich, J. J. Luckey

and F. R. Absten. Capt. A. Winans, general manager for the Portland Ice Co., put up be-tween 2,000 and 2,500 tons of ice last week at Hood River. The ice was thin, only 51 inches thick, but of the best quality, and only two compartnieuts of the big ice house were filled. The ice house is built to ho d 8,000 tons. Over \$500 were paid out in the community for the labor of fifty men 31 After digging 50 feet and being out \$50, days. This is the first crop of ice se- he came onto a big rock and had to cured at Hood River for a number of give it up.

week's paper in regard to sending fruit the past two months, is again very low. to Manila, which was to leave fruit Do you know the most appropriate and other things to be shipped at Mrs. Thompson's. The mistake was made by Mrs. Crowell, who is a member of the Red Cross in Portland. So please leave all donations for soldiers at Mr. Crowell's store, with the name of the soldier you wish your goods shipped to, and they will be faithfully attended to by the ladies of the W. R. C., who wish to make a shipment by the middle of

next week, if possible. Mrs. Geo. Crowell gives a receipt for making a dyspeptic's coffee that is better than any of the health drinks advertised. The only objection that can be found with it is that it is too cheap-anything cheap, you know, is uot considered worth much. Following is the receipt: Take 2 quarts bran, one cup sirup, well mixed, and then brown same as coffee. After it is browned, add two beaten eggs and set back in the oven to dry. It is then ready for use. It makes a drink that will be preferred by many to the real

After a protracted dry cold spell last ing more than two weeks, during which time the east wind prevailed and the roads became dusty, a change of weather came last Friday, and Saturday morning it commenced to rain. Sunday was cloudy and dark, with a coating of ice on the ground and on the trees. Monday a warm chinook wind blew at intervals during the day the trees. Monday a warm comook wind blew at intervals during the day and has kept it up since, with warm springlike weather. The frost is about all out of the ground. Strawberry growers think very little damage was done the berry plants. It looks now as it we might have a green Christmas. Wednesdays and Fridays.

The bazar conducted by the ladies of Men's all out of the ground. Strawberry growers think very little damage was done the berry plants. It looks now as it we might have a green Christmas.

A beautiful line of infants' Shoes just received. Be sure to see them.

New Goods coming in every few days.

See us before you do your Christmas shopping.

THE PEOPLE'S STORE.

Movement for a New Shipping Union. The board of directors of the Hood River Fruit Growers' Union met last at the U. B. church Christmas eve, beginning

t Saturday. The committee appointed at the stockholders' meeting to solicit signers to the pledge to ship by the union made their report, which was received and placed on file. After the board adjourned a meeting of fruit growers was called, with J. W. Morton still in the chair. T. R. Coon offered the following resolution, which was adopted:

"Resolved, That a committee of five be appointed to draw up recommendations to the fruit growers of Hood River as to a shipping association, and that the committee report to the stockholders of the Hood River Fruit Growers Union and growers on Dec. 27th,

ers Union and growers on Dec. 27th,

at 10 a. m."

The following were appointed on said committee: A. S. Blowers. E. L. Smith, T. R. Coon, R. Rand and G. J.

of the bluff back of Mr. Moore's place to Mr. Jewett's, is about finished.

The hall is having a thorough cleaning and painting and it is expected a large crowd to be present at the dance to be given December 30th.

The Columbia river is rising fast. It has come up about three feet since the thaw commenced. During the freeze up the river was lower than it has been for years.

Mr. C. D. Moore returned last week

no 160 acres there that he would take in trade for his five acres under the bluff at White Salmon.

The Consequences Were not Mentioned. HOOD RIVER, Dec. 19, 1898.-Editor GLACIER: In your last week's paper we read the article about the little industry that has as yet attracted but little attention. It mentions that it would turn out several hundred gallons of apple jack and brandy this season. The writer failed to speak of the the mothers it would make cry, fathers cause shame and disgrace and make a black spot on this beautiful land of ours that we now feel so proud of.

JOHN T. NEALEIGH:
