Prompt, pleasant, never gripe—treats constipation, arouse the torpid liver to action and give you clean blood, steady nerves, a clear brain and a healthy appetite. Williams & Brosius.

A. L. Mason returned to Portland, Monday. He has been spending his vacation on his ranch on the East Side since the letter carriers' excursion, and during that time he has finished building a five-room cottage on his place. He enjoyed life by putting in 20 hours a day at hard labor. Mr. Mason is thoroughly in love with Hood River, and every time he comes here is more than ever convinced that he has the best location in the valley for fruit trees.

The new grade leading out to the East Side is opened clear through and teamsters are driving over it with empty vehicles. Three or four more turn-outs are needed, and with these and a few other touches the work will be complete. The big hill on the old road has always been a retarding element in the development of East Hood River, but with the easy grade now nearly finished, the days of hot wagon tires and smoking brake shoes are over. Supervisor Harbison, who has had the management of the work, will publish in the GLACIER a statement of all cash expenditures, with the list of contributors and amount given by each, as soon as the few outstanding subscriptions have been paid in.

J. Herbert Preston, representing the musical department of The Jacobsen Book & Music Co. of The Dalles is in Hood River, and is prepared to sell pianos, organs and musical instruments generally, at prices and terms within the reach of all. Mrs. R. P. Orr of Wasco, who is camped with her family in Parkhurst addition, met with a serious accident Wednesday evening. She was invited by Mrs. J. F. Arnold to ride up the hill in her buggy. While passing near the new house of H. Pugh, the horse took fright and wheeled suddenly. Both ladies were thrown out. Mrs. Orr's ankle was broken, while Mrs. Arnold escaped without injury. Dr. Shaw set the fracture, and the lady was taken to the house of her sister, Mrs. P. Spangler.

John Wohlschlegel met with a serious accident at Bert Tweezey's camp near Davenport's big mill, July 19th. A double-bitted ax fell from a block and cut him on the calf of the leg, making a gash one inch deep and five inches long. He has since been on crutches. Mr. Wohlschlegel is a grandson of Jos. McGuire. Dr. Shaw has charge of the case and the wound is healing nicely.

E. C. Rogers came down from his ranch on upper Neal creek Tuesday. He reports crops of all kinds good. The people of that section have been trading at Mosier because they have a better road that way. They were much surprised when Mr. Rogers told them of the prices paid here for country produce. They had been getting 10 and 12 cents a dozen for eggs all summer.

Miss Mabel Boorman, accompanied by her cousins, Tina and Laura Cramer of Malheur county, who came to spend the summer here, spent two or three days in Mosier last week and report a very pleasant time. Fisherman's Luck.

Rev. C. D. Nickelsen and Ike Nealeigh spent last week fishing at Sandy Flat. They report lots of fish and a good time. Thursday Chris had the good luck to land a salmon trout with a No. 8 fly that was 37½ inches in length and weighed 16½ pounds. This is the biggest fish we ever heard of being caught above the falls, but as this is a preacher's fish story it must be so. The gentlemen had Ike's wagon and team with them, and while the men were off fishing one of the horses got loose and left for home. A stray Indian cayuse wandered into camp, and by padding the horse's harness with a big quilt the cayuse was hitched to the wagon, and made to supply the place of the missing horse. They started off all right, but going down a slight grade the team started for the woods on a run. The cayuse soon broke loose and left. The home-ward-bound fishermen were also left, but M. F. Loy happened along at that time and loaned them an extra horse.

Meritorious Mention.

The GLACIER is permitted to publish the following letter, which gives meritorious mention of a Hood River boy, and which his many friends here will appreciate:

SAN FRANCISCO, July 25, 1899.—Hon. M. P. Leinberg, Hood River, Or.—Dear Sir: This note is to say that Steward Leinberg, your son, did not accompany me home on the ground that he was needed for a time to show my successor the ropes of the office. Although it was a very great disappointment, he acted the man and soldier in the matter and will do his duty.

I wish further to assure you that in the 13 months your son served as my orderly and clerk he was a model soldier. Sober, intelligent, active, untiring in energy and zeal; and his work, even in a subordinate position, assisted very materially in securing any good results which may have accrued from my administration of my office. I beg to remain, sir, very respectfully,

HERBERT W. CARDWELL,
Maj. and Chief Surg., U. S. V.
