CAPE DUTCH RISING

Savages Also Show Symptoms of Trouble.

Baron Roberts Has Been Appointed to Supersede Buller in General Command of War.

Stekstrom, Dec. 19.—As a result of the British reverses, the whole country northward is in rebellion. The natives there, as well as those in Basutoland, are said to be much disturbed and losing heart respecting the strength of the British.

Cape Town, Dec. 19.—Secret meetings of Boer sympathizers continue to be held in various parts of Cape Colony, and the attitude of the Dutch farmer is turbulent.

Roberts Appointed.

London, Dec. 19.—Shortly before midnight the following notice was posted at the war office:

"As the campaign in Natal, in the opinion of her majesty's government, is likely to require the presence and undivided attention of General Sir Redvers Buller, it has been decided to send Baron Roberts, of Kandahar and Waterford, as commander-in-chief in South Africa, with Lord Kitchener as chief of staff."

Five Killed in a Wreck.

Crew of Freight Train on a Northern Pacific Branch.

Lewiston, Idaho, Dec. 19.—Piled up at the bottom of Kendrick hill on the Northern Pacific branch are two engines and 19 cars loaded with steel. In houses near by are the dead bodies of Engineers Arthur E. Bain and John A. Ogden, Fireman Earl Bradshaw and Benjamen A. Budge, of Spokane, and John Peterson, also of Spokane, fatally injured.

The train was an extra with a load of steel for the Northern Pacific extension. The rails were covered with ice and snow, and in descending the long grade leading into Kendrick the train got out of control of the trainmen and dashed madly down the steep grade, about 7 o'clock this evening. A mile and a half east of Kendrick four cars were derailed, and the track was torn up for a quarter of a mile. When the rest of the flying train struck the yard, the engines and all the cars were derailed and completely wrecked, and the track there torn up for 200 yards. Wrecking trains have been sent from Spokane and Lewiston.

The Kendrick grade is one of the steepest in the Northwest. Control of the train was lost at the head of the grade and then the engines started on their mad five-mile run in the dark.

None of the fated crew have lived to tell the story of their awful semant one while being swept on to death.

Fifty Horses Burned.

New York, Dec. 19.—Fire started at 12:40 o'clock this morning in a big factory building, at 655-657 First avenue, occupied by several manufacturing and other businesses. The flames spread with marked rapidity, and within a few minutes there was a terrific panic in the surrounding tenements, and the avenue was soon almost blocked with half-naked poor people, who had tumbled out of the building with wild cries of fright. Sheets of flames burst from the windows and showers of sparks fell upon the gathering crowds and terrified tenement dwellers. The basement was occupied as a livery stable and 50 horses were burned to death. The fire was confined to the one building with a loss of about \$75,000.

Americans Want to Fight.

Ottawa, Ont., Dec. 19.—Dr. Borden, minister of militia, has received an offer from the president of a manufacturing concern in the United States, who was at one time a member of the Grande Trunk rifle brigade, in Canada, offering to raise a regiment of Canadians in the United States in such a way as not to violate the neutrality laws. Another offer comes from Idaho to raise 500 men. Besides these there are individual offers from all over Canada.

Rail Rates to Go Up.

Chicago, Dec. 19.—The Chronicle says: "One of the most radical and general advances ever made in freight rates will go into effect on all the railroads east and west of Chicago January 1. Thousands of articles of every description will be affected, and the increase will average 35 and 40 per cent, the jump on many classes reaching 50 per cent. The contemplated action has aroused the shipping interests of the country."

Three Children Burned to a Crisp.

Nicholasville, Ky., Dec. 19.—Three children of Mr. and Mrs. Samuel Reynolds, aged 6, 3 and 1, respectively, were burned to a crisp today in their home, in which they had been locked while their parents went visiting. The Reynolds returned in time to see the house collapse and the victims vainly fighting to escape.

Losses of the People.

Durban, Dec. 19.—The Natal government Gazette announces that General Buller has appointed a commission to inquire into the losses of the people of the colony resulting from the Boer invasion.

Lieutenant Roberts Dead.

London, Dec. 19.—Lieutenant Roberts, son of Lord Roberts, of Kandahar and Waterford, who was wounded in the engagement at Tugela river, is dead.

ANOTHER DEFEAT.

Buller Repulsed by the Boers at the Tugela River.

London, Dec. 18.—The war office has received a dispatch announcing that General Buller has met with serious reverses, losing 11 guns. General Buller was attempting to cross the Tugela river. Finding it impossible to effect his object, he ordered a retirement in order to avoid greater losses. He left 11 guns behind.

The following is the text of General Buller's dispatch announcing the reverse:

"Buller to Lansdowne: Chevely Camp, Dec. 18.—I regret to report a serious reverse. I moved in full strength from our camp near Chevely at 4 o'clock this morning. There are two favorable places in the Tugela river, and it was my intention to force a passage through at one of them. They are about two miles apart. My intention was to force one or the other with one brigade, supported by a central brigade. General Hays was to attack the left drift, General Hildyard the right road, and General Littleton was to take the center and to support either."

"Early in the day I saw that General Hart would not be able to force a passage, and I directed him to withdraw. He had, however, attacked with great gallantry, and his leading battalion, the Commanche rangers, I fear, suffered a great deal. Colonel I. G. Brooke was seriously wounded."

"We have abandoned 10 guns and lost by shell-fire one. The losses in General Hunt's brigade are, I fear, very heavy, although the proportion of severely wounded, I hope, is not large. The fourteenth and sixteenth field batteries also suffered severe losses."

"We have retired to our camp at Chevely."

SHOT WIFE AND SONS.

Jealous Man Then Sent Bullet Through His Own Head.

Tacoma, Dec. 18.—Adam Crist deliberately shot his wife fatally, killed his 8-year-old son, seriously wounded a second son, aged 5 years, and then ended the tragedy by putting a bullet through his own brain. Jealousy is the only motive assigned for the crime.

Crist is the proprietor of the Chicago house, and returned this morning from a six months' business trip to Spokane. He was at the hotel during the morning, and apparently in the best of health and spirits. About 2 o'clock in the afternoon he went to a Pacific-avenue pawnbroker and purchased two revolvers. He stopped at the kitchen, immediately afterward four shots were fired, all of which were found to have taken effect in her body. He then turned the revolver on the little boy and wounded him in the leg, but the child managed to crawl down the stairs and escape.

The woman staggered to the sidewalk and Crist went into the hall, where he caught the 8-year-old boy. There are no witnesses to this part of the tragedy, but from the position of the bodies Crist must have held the lad close to him while he put a bullet through his heart. A 41-caliber bullet through his own head followed, and both bodies fell to the floor, still clasped in each other's arms.

Navy is Badly in Need of Men.

Washington, Dec. 18.—The navy is 4,000 short of the legal maximum, and this in spite of the best efforts of the recruiting officers. Secretary Long has called the attention of congress to this, and suggests that it might offer a decided incentive by extending to sailors enlisting in the benefit of the act allowing of apprentices clothing not to exceed \$45 in value. Under the present system, the men are kept in a debt for months after enlistment by the purchase of the necessary outfit.

Vallejo, Cal., Dec. 18.—Sixty recruits from the United States ship Hartford have refused to sign articles of enlistment because, as they claim, the government charges them for the cost of their uniform and clothes. The Hartford was Admiral Farragut's flagship at the battle of Mobile bay, in the civil war. During the past four years she has been fully restored, and is now being fitted out for a cruise to New York, where she will be used as a training ship. The men are badly needed in the service.

Eastern Buyers Contract for Wool.

Seattle, Dec. 18.—For two weeks past representatives of Eastern wool firms, principally from Boston, have been canvassing the wool-growing sections of the state in an effort to buy up next year's clip. In the Rainier region, advances have been offered, at a full price when delivered next summer of from 17 to 20 cents per pound. The cause assigned for offering to buy in advance is that heavy orders have been received by the house represented for delivery next fall, and to make sure of a supply, all the crops possible are now being secured.

Dewey Invited to California.

San Francisco, Dec. 18.—An invitation, signed by Mayor Phelan and the grand officers of the Native Sons of the Golden West, has been sent to Admiral Dewey, requesting his presence in this city on admission day, September 9, 1900.

Candy-makers in Baltimore to the number of 300 are organizing.

Eggs without shells are shipped from Russia to England.

THE CURRENCY BILL

House Passed It by a Vote of 190 to 150.

Eleven Democrats Voted For It

Measure Had the Support of Every Republican in House—Resolutions in the Senate.

Washington, Dec. 20.—The currency bill, which was debated all last week, was passed today by the house by a vote of 190 to 150. It had the united support of every Republican in the house, and of 11 Democrats—Clayton, Briggs, Fitzgerald, Levy, Ruppert, Scudder, Underhill, and Wilson, of New York; McAleer, of Pennsylvania; Denny, of Maryland, and Thayer, of Massachusetts. All the other Democrats voted against the measure or were paired against it, except John Walter Smith, governor-elect from Maryland; Stallings, of Alabama, and General Joseph Wheeler, of Alabama. Stallings has not been present in the house this session on account of illness, and one of his colleagues announced that if present he would have voted in the negative. General Wheeler is serving in the Philippines.

When the speaker announced the result the Republicans cheered lustily. After the vote the speaker rather unexpectedly announced the committee selections, and the reading of the list was followed with intense eagerness by the members, whose opportunities for distinction depend so largely upon their committee assignments.

The only incident in connection with the reading of the list was Bailey's interrogatory of the speaker as to whether General Wheeler's name had been placed upon the committee on ways and means. Speaker Henderson responded in the negative.

Announcement of the death of the late Representative Bland, of Missouri, which occurred last summer, caused an early adjournment.

What the senate may accomplish in the way of legislation for the Philippines during the present session is problematical, but that the question will be thoroughly discussed is indicated by the number of resolutions bearing upon it being produced.
