INTERVIEW WITH ITO.

Rumors of War Between Russia and Japan Are Unfounded.

New York, March 17 .- A dispatch to the Herald from Yokohama says: Marquis Ito, Japanese ex-prime minister in an interview, said:

"The rumors of war between Russia and Japan are unfounded newspaper reports. An agreement exists between Russia and Japan to the effect that neither power will encroach upon Corea, and we must believe that Russia is sincere. The new Russian minister to Corea has come to Tokio and our relations are most friendly."

Speaking about the South African war, Marquis Ito said:
