STORIES FROM KIMBERLEY. Some of the Hardships of the Siege o

the Diamond Town. London, April 2.-The Standard's the bardships of the siege, says:

"For many days the novelty of eating horseflesh formed an agreeable break in the war talk. Starving people, however, take kindly to any article of food. Personally, although have always found a piece of succulent horseflesh excellent eating, I am not taking any of it in Kimberley. Not only are the wretched animals reduced to skin and bone, but there is a prevailing epidemic of influenza and cough among them, which forces me to abandon its use. It is, however, daily served out to the soldiers as well as the people, though there are cases of anthrax in the hospitals and an outbreak of scurvy in many of the redoubts. There soning Thabanchu, was obliged, in also has broken out a peculiar form of consequence of the near approach of a throat trouble, which may owe its lagre force of Boers, to leave last night. origin to this article of food. At 9:30 Colonel Broadwood marched to the P. M. all conversation ceases, and rum-Bloemfentein water works, south of ors stop, for, by proclamation, all

must be extinguished. "There are many cases of extreme suffering, which, although due to the siege, have reached a climax from conthe rest of the force remained to act as stitutional circumstances. There are a rear guard. The convoy arrived at a ladies in Kimberley tonight strapped deep sprut, where the Boers were con- to their beds and wearing straightjackcealed, and the entire body walked into ets, mad from sheer nervousness and

"It is the red tape which makes the strain heavier than it otherwise would be. After we had been for weeks shut up in Kimberley-not at the best the most cheerful place in the universeour hearts became specifically fixed on our portion of the British army-the relief column. By accident, we learned that it had reached Modder river, after from Honolulu, under date of March a sharp engagement at Belmont. 23, state that the well-known steamer | Eagerly we awaited news from Lord Cleveland, bound for San Francisco, Methuen. Brake- as to taxes was enforced by these secuman Dunlap jumped on the lower side, lar priests, and it is a matter of history and rolled down the bank. The rest of that nobody objected to it. Therefore the train crew jumped on the upper side, and were not hurt. The four cause of the rebellion of the natives tramps went down with the cars, but miraculously escaped with a general shaking up. As soon as the cars reached the bottom they caught fire. All the cars were burned with their contents.

DISASTER TO CONVOY.

British Gues and Prisoners Not Yet Retaken. London, April 4 .- The latest news from the front adds little to the public knowledge of the convoy disaster. No credence is given to reports that the Boers numbered between 8,000 and 10,there could not have been more than that even so many as half could have been collected so near headquarters without the knowledge of the British commanders provokes much uneasy criticism.

The disaster is regarded as a direct She has two yards and can put up a Anxiously they deciphered the first result of the inability of General French men have all been enlisted inland. little sail, but not enough to control message from their honored chief. It to cut off the commandoes of General Most of them come from the farms, and per movements. A steamer has gone was this: 'Ascertain number on fore- Olivier and the other commandoes when escaping from the Orange river. Lord Roberts' own dispatch, dated two hours later than the Daily Chronicle's, says nothing about the guns being receptured. The story, therefore, looks doubtful.

Little news has arrived from other points. Kenhardt was formally reoccupied Saturday. The report that the Boers are massing in the vicinity of of all kinds, all over the world. Her ing experinece in Costa Rica. He left Taungs and Klipdam is confirmed. Lord Methuen's difficulties are apparently increasing. He has Boer laagers Zelaya to place some railroad bonds or guerrilla bands on three sides of with New York capitalists. In view him, and he will be obliged to watch carefully his communication with Orange river.

> PUERTO RICAN FRANCHISES None Will Be Granted Until Govern ment Is Established.

New York, April 4 .- A special to the Herald from Washington says: Secretary Root has issued an order revoking the license granted to Ramon Valdes for the use of the water of the river La Plata, of Puerto Rico, to create electric power for a railroad. He has turned over. It is presumed that Costa also announced the department will grant no franchises or licenses in the island until the establishment of civil government there. Tracey, Boardman and Joseph Stringham, members of the & Platt, of New York, represented by Nicaragua survey party, were also A. L. Arpin and William D. Noble whom they are acting as agents. The Drexels and other business interests of Philadelphia have vigrously fought the

attempts of the New York firms. Secretary Root's decision, however, not only deprives Mr. Valdes of his Heense, but prevents Tracey, Boardman & Platt's clients or any other person from obtaining its issuance in their favor. It is learned that this action was taken in accordance with a recommen-Bird Point, Cat island. Drake and his dation of Brigadier-General Davis, govassociates purpose to break up the ernor-general of the island, who has made an extensive investigation. The issuance of the license to Valdes last summer was made when Secretary Root received an opinion from Charles E. customs and insular affairs, whose wonderful reversal of ideas on the statutes of the new American dependencies has surprised congress.

> tain numerous applications for concessions or licenses, some from prominent people in the United States and others Chicago Machinists at Work. Chicag, April 4 .- About half of the 5,500 striking machinists resumed work this morning. Manufacturers said the differences had been settled or

I W CAUSE OF PHILIPPINE REVOLT.

A Manila Reverend Says Bishop Potter's Statement Is Untrue New York, April 4 .- Rev. Joseph M. Alque, director of the observatory at Manila, who is now in Washington, has issued a statement in reply to Bishop Henry C. Potter and his secretary,

"The bishop's main point," the statement says, "is to prove that the religious orders have robbed the people. But if the people pay the necessary charges for these certificates willingly,

Rev. Percy S. Grant, regarding affairs

how can it be called robbery?" 'That thousands of people live in practical concabinage," as charged by the bishop, is denied, although the writer admits that some do live that way, and asserts that "there, as everywhere, are found a few instances of

that kind " That it was the church taxes which caused the people to revolt is emphatically denied. The writer says the causes are like the causes of that against ter has no right to state that the cause against Spain was the taxation of the religious orders and friars in the administration of the sacrament," In proof of this it is stated that most of the important parishes in the archipelago are administered by the natives caboose and eight cars remained on the themselves as priests, and at all the nobody can honestly state that the against Spain was the requiring of the taxes in the administration of the sactament."

> Starving Puerto Ricans. New York, April 4 .- The auxiliary cruiser Buffalo, which has been lying in the Brooklyn navy yard since she returned from Manila last summer, is to be commissioned again tomorrow as a training ship for the second batch of landsmen, of whom the United States is trying to make able seamen. She will sail later in the week for Norfolk, where she will take on part of her crew, and then start for a Mediterranean

> cruise. The Buffalo will have 200 young men on board when she leaves the Brooklyn navy yard, and will pick up 250 at Norfolk. She will follow the route of the Dixie, which took out the first lot of "rookies," as the bluejackets call them, some months ago. The young surb per They are a healthy lot, however, and the government has found that they pick up seaman's lore pretty quickly.

Solution for the Labor Problem. New York, April 4 .- "We must organize the girls. When this is done it will be easy to get the boys into the labor unions." This was the advice given by Isnac

Cowen, of the Amalgamated Society of

Engravers, in an address to the Central Federated Union last night. "When the girls tell me," he said, "that they don't expect to remain long at work, I reply 'You have only one chance in 15 to get married, and if you are the lucky fifteenth one, the chances are even that you will have to support your husband, instead of your husband

supporting you.' " The Rev. Leighton Williams took the same line in an address before the Social Progress League. "The weakness of the labor move-

men, just as the strength of the church is in its women."

ment," he said, "is in its lack of wo-

Bold Robbery of a Brewery. St. Louis, April 4.—Three masked nen looted the Star Brewery office, at Belleville, Ill., today, after first capturing and confining the watchman and night fireman of the plant in an empty refrigerator car. As the robbers were preparing to blow open the big safe in the office, Hubert Hartman, secretary of the brewery, accompanied by his brother Hans, entered the room. They were promptly covered with three revolvers, and before either of them realized the situation, were marched to the same car in which the fireman and watchman were confined. Then, after drilling the safe, they applied charges, and the outer and inner doors were blown completely open. It is not known just how much they secured, but the amount is thought not to be over \$100, besides some jewelry and valuable papers.

Fatal Schoolhouse Fire.

Owosso, Mich., April 3.—Two fire-men were killed by falling walls today in a fire which destroyed the Central High school. Three other firemen were seriously injured, and two pupils of the school were badly hurt. The fire spread to all parts of the large building. The schoolhouse was on a large hill, and the engines were unable to furnish sufficient force to render the fire department of much use. Loss, \$125,-000; insurance, \$46,000.

Inhaled Gas and Died.

New York, April 4.-Mrs. Kare Jordan, who lived with her son Milton E. Rocket, secretary of James J. Corbett, in handsome apartments in Forty-secundoubtedly return to work in the next ond street, committed suicide today by inhaling illuminating gas. Several days ago Mrs. Jordan wrote a number of letters indicating that she intended to take her life.
