See new ad of Denver Clothing Store. from Stevenson, Wednesday morning. He expects to leave on the 12th inst. to Mrs. Carrie Bailey has been confined to her bed the past week with sciatic cheumatism.

Prof. and Mrs. J. T. Neff of The Dalles were the guests of Mrs. Blythe during the institute last week.

John Leland Henderson let the contract for building his residence on the Schenck lots to B. F. Belieu.

W. B. Crewdson returned to Portland W. B. Crewdson returned to Portland last Friday, where he will resume his work as U. S. custom house officer. See those Japanese bamboo poles at Geo. F. Coe & Son. U. H. Beiley and W. B. Crewdeen

H. H. Bailey and W. B. Crewdson,

while on their outing, came within one

camp fire tomorrow. Turn out with the whole family and bring well-filled lunch baskets.

Ray Pritchard returned Monday to Portland, after a week's outing. Ray says there is no place like Hood River for an outing.

Judge Prather on Saturday received 10,000 young Michigan brook trout from the U.S. fish commissioner, which he placed in Neal creek.

Miss Jennie Parsons of Hood River has been engaged to teach the Long Hollow school, district No. 30., for the fall term, beginning Sept. 10th.

note the articles marked "same old troyed. price" and see if you have been purchas ing these cheaper elsewhere.

Mr. Sylvester, who has extensive mercantile and mining interests at Skagway Alaska, was in Hood River last week visiting with Hon. Leslie Butler.

Dr. and Mrs. M. F. Shaw returned last Saturday from a ten day's trip to the Wallowa valley in the Blue mountains. This region is at an altitude of 5,000 feet and has a delightful summer climate.

G. R. Castner brought to the Glacier office last week a sample of tomatoes that break all previous records. Three of them weighed 6 pounds, four ounces: two of which weighed 2 pounds 2 ounces each.

East. Additional hotel accommodations will be provided for at the Inn.

For the street fair and carnival, to be held at Portland Sept. 4th to 15th inland and return; tickets limited to return Sept. 17th. W. C. ALLAWAY, G. A.

A very pleasant surprise party was given Vina Hackett Friday afternoon, August 31st. The occasion was Vina's August 31st. The occasion was Vina's birthday, she being nine years old. A merry crowd of children gathered and the hours glided swiftly. Refreshments were served at three o'clock. Those present were Vina Hacket, Erma Lyons, Susie Kelley, Mamie Wickham, Grace Binns, Etta Jordan, Hazel Jordan, Er-

ma Miller, Annie Prigge, Johnnie Lind-say, Willie Miller, Ashley Miller, Ivan Miller, Clarence Brown, Robbie Binns, Prigge, Roy Kelley, Henry Lewie

and had not met in nearly 40 years. Mrs. Foster has been spending some months with relatives in California and

the Willamette valley. On seeing W. E. Sherrill's ad in the Glacier she was surprised to discover in him a nephew whom she had lost track of for many

vears. S. C. Sherrill arrived on the Iralda

son, where he took an interest in organizing a Sunday school, with such success that the people of the neighborhood re-

quested that he remain to continue the good work. Programmes are out announcing the

some of the best musicians in the city. Several of her pupils will assist, and the of getting a bear. They saw his tracks. Everybody is invited to attend the usual merit. Admission,25c;children 15c. Don't let anything detain you from attending the soldiers' camp fire, Saturday, The old soldiers and women Sept. 8th.

Sept. 8th. The old soldiers and women of the Relief Corps will be glad to see every man, woman and child in the val-ley at the picnic. Hood River has not taken a holiday so far this year, and this opportunity for meeting your neighbors at a general picnic should not be neglected.

A fire on V. Winchell's place on the East Side got beyond control last Sun-day and threatened considerable damage. A dozen or more of the neighbors turned out and managed to keep the fire

See Bartmess' reduced prices. Also but not until some good fences were desfrom running over the entire settlement,

D. H. Clough, from a piece of ground 11 by 80 feet in size, sold 600 pounds of dry onions for which he received \$8.60. He sold, besides, green onions to the value of \$4—making a total of \$12.60. This, he estimates, is at the rate of 19,-200 pounds to the acre, valued at \$403.20.

The mercantile house of Geo. P. Crowell is being renovated with a fresh coat of paint. The extensive improvements in the shape of an enlarged warehouse and new cold storage rooms recently added make a considerable change in the second oldest business house in town. Misses Clara and May Chamberlain of North Yamhill, who have been visiting

each. It is rumored that the O. R. & N. Co. will take charge of Cloud Cap Inn next season, and make the same a great at-traction for their tourist travel from the East. Additional hotel accommodations Last Monday was labor day, and a

national holiday. Our worthy P. M. forgot all about it and labored with the office open till 11 a. m., after which clusive, the Regulator Line will make a hour patrons of the office were reminded that it was a holiday by finding the de-Mrs. Earl M. Wilbur, who has been spending a couple of months at the sum-mer home of her father, Dr. T. L. Eliot, "Down at the Bottom of the Sea" was the title of a vocal solo by D. E. Rand. on the banks of Hood river, left Monday Miss Anna C. Smith showed a classical for Portland. Mrs. Wilbur will leave shortly to join her husband at Meadville, musical culture in the rendition of R. S. Stault's "Madrienne." Mrs. Bartmess Penn and Clarence Gilbert furnished the pia-

Teachers' Institute. (Continued from last week.) THURSDAY'S SESSION.

As an opening exercise patriotic songs were sung under the leadership of Prof. Landers. Supt. Robinson occupied the first interval with a brief review of the preceding day's work and an instruction preceding day's work and an instruction taken from the text: "The seed of the present lies deep in the past, and noth-ing in the past is dead to the man who would learn how the present comes to be with us." He showed how the recog-Hackett. Mrs. Mary Foster of Hiltonville, Ind., accompanied by her niece, Miss Pearl Leonard of Sheridan, Or., is visiting with her cousin, Grandma Harbison. Mrs. Harbison and Mrs. Foster spent their girl-hood days together in Indiana, their girl-hood days together in Indiana, also showed how the ignorance and ob-stinacy of George III. contributed to the

cause of the revolution. The next inter-val was also occupied by Prof. Hawley. The morning session closed with an ex-ercise in geography by Supt. Robinson. The first interval of the afternoon ses-sion was compiled by State Sciences. sion was occupied by State Superinten-dent Ackerman, who talked upon the course of study, the new school register, resume his studies in McMinnville col-lege. Mr. Sherrill is an energetic young man and has been spending his summer vacation in his brother's store at Stevenmade a few remarks by way of introducing his next subject, "Causes of the Second War of Independence." A few remarks by Supt. Gilbert closed the ession.

FRIDAY'S SESSION.

After the usual opening exercises, State Superintendent Ackerman ad-dressed the teachers for a few minutes He expressed himself as highly pleased with the work being done, and gave words of encouragement and good cheer. Supt R. F. Robinson occupied the first period with an instructive lecture The marriage of Sarah J. Cameron to James S. Burge of Illinois was the occa-Supt R. F. Robinson occupied the first period with an instructive lecture on the teaching of advanced reading. He advanced the idea that, as poetry is the most difficult reading for pupils, the teacher should take particular attention to explain to the pupils the gramma for the presence of about to explain to the pupils the gramma for the pupils of the pupils of the dining hall was tastefully decorated and the most of the pupils the gramma for the pupils of the pupils of the dining hall was tastefully decorated and the most of the pupils the gramma for the pupils of the teacher should take particular attention to explain to the pupils the geographic and historic references made in the poems. This method, besides increas-ing the student's general knowledge, af-fords an interpretation of the poem, whereby the pupil can read it under-standingly and give the proper words force and inflection. Pres Hawley occupied the next po-treast the dining hall was tastefully decorated and the guests partook of a sumptions repast. The bride and groom after vis-ting old acquaintances in Hood River valley will return to their home in Illi-nois, about October 1st. The good wish-es of a host of friends will accompany the bride to her new home. While some of us are shipping Graven-

force and inflection. Pres. Hawley occupied the next pe-riod and lectured on the Napoleon pe-riod of European history prior to our war of 1812, reviewing the destructive policies pursued against the world's commerce by France and England that finally precipitated the United States into a war with England Supt Robin into a war with England. Supt. Robin- for which he received \$100. He is now son gave a brief talk on commercial filling an order for 50 boxes to go to into a war with England. Supt. Robin-son gave a brief talk on commercial geography before the meeting adjourned. At noon the instructors, teachers and visitors adjourned to the park grove at Blowers' spring, where a table had been erected and a lunch spread by the teach-ers and patrons of the Hood River

Ferguson & Wright of the Mountain Stage and Livery Co. took in the follow-ing party of Portlanders to Lost Lake, The afternoon and last session of the institute was held in the same grove. Supt. Robinson spoke of the value of in-Tuesday: Chas. Ladd and wife, Miss Lillian White and brother Clarence. While going in, and after having crossed the middle fork, a small shepherd dog treed a cougar along side the trail, and Miss White brought the hig can to the dividuality in teaching, and of the great responsibility of teachers. Pres. Haw-ley gave a most instructive account of the impeachment of Andrew Johnson. Dr. Frank Strong, president of the Uni-institute by Supt. Gilbert, and he de-fined briefly the true friend of education. Dr. STRONG'S ADDRESS. DR. STRONG'S ADDRESS.

The M. E. church was crowded Fri-day night by an attentive audience to listen to the excellent address of Dr. Frank Strong, president of the Univer- J. W. Jenkins and wife.

sity of Oregon, on the subject: "Some Aspects of Education at the Close of the Nineteenth Century." A pleasing music-al programme was a feature of the even-ing. Clarence Gilbert gave a violin solo, entitled, "Sounds from the Ball."

Dr. F. C. Brosius has removed to his new residence at the west end of Oak street, midway between the school house and armory, and can be found in his of-fice over Williams & Brosius' drug store between the hours of 10-11 a. m. 2.2 and 6-7 p.m.

The Misses Emma and Georgia Bon-ney of Tygh Valley arrived in Hood River last week to attend the institute, and are making a visit with their brother Clyde T. Bonney and family. Miss Emma Bonney will teach the Tygh Val-ley public school this winter.

the exhibition poultry coop are as fol-lows: Hight, 30 inches; depth, 24 inches; state university. front, 18, 24 and 30 inches. This size will be adopted by our local fair com-mittee, and all exhibitors of poultry will be expected to conform to the same.

Editor Chas. H. Jones of the Oregon Teacher's Monthly, at Salem, was in at-tendance at the teachers' institute last week. Mr. Jones' paper, the Teacher's Monthly, is an excellent publication de-voted to the educational interests of the state, and should be in the hands of every school teacher in Oregon.

Miss Sibyl Thurston of Eugene, who had been visiting with the Misses Hill at The Dalles for a couple of weeks, at-tended the Wasco county teachers' insti-Miss tute in Hood River, last week. Thurston is a graduate of the University of Oregon, class of '98, and is a teacher in the public schools at Eugene.

W. P. Watson on Monday sent to Sec-retary Dosch of the state board of horticulture a branch from an egg plum tree 29 inches long and containing 119 fully developed plums. Mr. Watson had a glass jar made expressly for the fruit, and they will be preserved in alcohol. This wonder in horticulture will be exhibited at the Portland carnival.

Considerable discussion has been going on through the papers as to whether the Belgian hares are likely to be a pest in this country. They are congregating so fast around the Columbia nursery that they are already a serious menace, and owners, if they have any, are re- fered in their mammoth sale of clothing quested by the proprietor to call for same and shoes. and take them away, or stay and help

eat pot pie. A fine collection of fruit for the Wasco county exhibit at the Portland carnival was gathered by the Hood River com-mittee. The Hood River part of the ex-hibit will be mostly apples. Our win-ter apples are not near enough matured to make the best showing, but the Gravenstein and other fall apples are very fine. Hon. E. L. Smith, one of the Master Eldon Bradley has been quite committee, went with the fruit to arrange the display at the carnival.

Mr. and Mrs. H. H. Bailey and W. B. Crewdson of Portland made the ascent of Mt. Hood August 22d. Mrs. Bailey went as far as Cooper's Spur, and Mr. Bailey and Mrs. Crewdson went as far Bailey and Mrs. Crewdson went as far as the life line. They beat the guide 20 minutes. They found it unsafe to go any further. Mr. Bailey says he is good for the top next time. The party were in camp at Mr. Richmond's place and had a very enjoyable time. They report the fishing good in Tony creek.

The small pox having entirely disap-peared from the Underwood neighborno and violin accompaniment. Dr. Strong's address was an intellecthood, and every precaution having been ual treat to which the people of Hood taken to prevent a reappearance of the River seldom have the good fortune of disease, the quarantine against Under-wood landing was raised last Sunday. The Glacier received a box of straw-
