action is being agitated LOST A MILLION AND A HALF.

The loss is Estimated at \$1,500,000. Rochester, Pa., Feb. 1.-The town 25 miles from Pittsburg, today suffered the greatest fire in its history. The loss is estimated at \$1,500,000. The fire started just after midnight in the copper department of the National glass plant, the largest tumbler plant ter. The night employes turned out with their own hose and endeavored to subdue the blaze, but a strong west wind was blowing and the flames soon spread to the packing department. The plant occupied several acres of ground and employed 1,500 persons. were called upon.
