MITCHELL IS ELECTED

Twenty-Fifth Ballot Gave Him the Senatorship.

HE RECEIVED JUST ENOUGH TO ELECT

Republican Minority, the Majority of the Democrats and a Few Corbett Men Were His Supporters.

Salem, Or., Feb. 24.—John H. Mitchell was elected United States senator at 12:20 this morning. It was the 25th ballot of the day and the 63d of the legislative session. The result was reached on the inevitable last ballot, and was attended by scenes of supreme uproar and enthusiasm on the part of the Mitchell push. On the final ballot Mitchell had 46 votes and Corbett 36. The senator received a minority of the Democratic votes, and these, with the accessions from the Corbett forces were sufficient to elect him.

The hands of the clock had already pointed to midnight and the clerks were engaged in checking up the roll call. There was great excitement and loud calls of the name of Mitchell from the lobby. The first deserter from the Corbett ranks was Hemenway, of Lane. On the previous roll call Mitchell had had 34 votes and Corbett 36. When his name was reached Hemenway, in the last roll call, without explanation, responded, John H. Mitchell. The call proceeded to the end, and Mitchell and Corbett were then exactly tied, having 35 votes each. Then McQueen, of Lane, arose, and with a brief speech changed to Mitchell, putting him in the lead. He was followed by Roberts, of Wasco, who made a short address, saying he had come here with a clean conscience, but he thought it his duty to elect a senator, and he changed to Mitchell. Colvig followed him from the Herman ranks, then came Senator Masters, of Douglas, then Thompson, of Unatilla, Senators Dimmick, Probstel, Hume and Hodges. Then there was a pause and mighty suspense. Finally Representative Butts got upon a chair and tried to address the president. The noise and uproar from the lobby were so great that he could not be heard. He inquired if Mitchell at that time had a majority of the Republican votes. There were loud cries of "Yes," and noisy counter cries of "No!" from the Corbett ranks. Butts hesitated for a moment and then responded, "Well, it makes no difference. I change to John H. Mitchell." Mitchell now had 45 votes, within one of the goal. About this time the Multnomah delegation got around Representative Schumann, who had on the 21st ballot changed from Bennett to Mr. Corbett, and demanded that he prevent a deadlock. While the push was warring with the obstinate German-American from Multnomah, Mattson finally yielded to the importunities of his friends and arose and changed his vote to Mitchell. This was all that was needed, and the crowd knew it. Pandemonium reigned for many seconds, and the chair made little effort to check it. The clerks then completed the roll and passed it up to Mr. Fulton, who announced that Mr. Corbett had "received 29 votes, Mr. Mitchell 46," and Mr. Bennett 16. The crowd went wild again and fraternized wildly with members, embracing them and fairly jumping up and down in their joy. The customary speech was expected from Mr. Mitchell, and there were uproarious demands for him to come forward. He had been in the lobby all the evening watching the progress of the voting and waiting for his certificate of election. He was found with no great difficulty and hurried forward through the jostling crowd.

President Fulton appointed Brownell, Roberts and H. A. Smith, of Multnomah, a committee to escort the newly elected United States senator into the assembly hall, and amid wild cheering, waving of hats, umbrellas and canes, Mr. Mitchell made his appearance. He was met and congratulated by Mr. Fulton.

The Next Problem.

Pekin, Feb. 24.—A representative was informed by the foreign ministers today that they think the gravity of the situation is over, but it is expected that difficulties will now arise among themselves when some of the governments send their indemnity claims, and particularly in there uneasiness regarding the attitude of Germany, that her claims must be paid in cash before the evacuation takes place. The other ministers resent this, saying it will be impossible for China to pay, as China has not a large reserve, and the customs receipts go to pay dividends upon former loans, and it is not probable that she could borrow a sum of great magnitude.

Union Employes Barred.

St. Paul, Feb. 24.—A sensation was created at today's session of the National Creamery Butter Makers' Association, when W. D. Collier, of Chicago, one of the judges of the butter exhibit, lodged a formal complaint with the executive committee charging a St. Paul butter maker with offering him a \$500 bribe. The executive committee immediately went into executive session, and began the examination of witnesses.

WYOMING MINE WOR.

Fifty Men Imprisoned and Probably Dead in a Burning Coal Mine.

Kemmer, Wyo., Feb. 6.—A disastrous fire in the Diamondville coal mine No. 1 late this evening was attended with serious loss of life and great destruction of property. There were 50 miners and 16 horses entombed, but one miraculous escape was made, however, by John Anderson, who was working near the mouth of the level. When he realized the mine was on fire, he, with some difficulty, reached the main level, and, by throwing a heavy overcoat over his head and shoulders, pushed his way through the flames and reached the main level completely exhausted and terribly burned, but will recover. He was taken out by friends. All efforts to succor those farther back have failed, as the fierce flames drove the rescuers back. That all have perished is without question.

The scenes around the mine were heartrending. Mothers, wives and sweethearts were weeping and tearing their hair in terrible agony, and all efforts to calm them proved of no avail. The loss of property will reach an enormous figure, and, as the officials are very reticent, the amount and names of those imprisoned are unobtainable at a late hour. The cause of the fire is at present unknown. The mine has been plugged at the sixth level, about two miles from the mouth.

FIRE IN DETROIT.

Wholesale and Retail Piano Dealers Were Burned Out.

Detroit, Feb. 26.—Shortly after 1 o'clock this morning a fire started in the fourth story of the building occupied by Grinnell Bros., wholesale and retail piano and musical merchandise dealers, 321 and 323 Woodward avenue, and in an hour the third and fourth floors of the building were completely burned out, with the fire still burning fiercely. Grinnell Bros. are state agents for a number of prominent manufacturers of pianos, and carried a stock valued at \$100,000. The insurance was \$60,000. The loss on the stock is estimated at \$50,000, and that on the building, which is owned by the Wesson estate, will fully equal that amount. Toomey Bros., dealers in ladies' furnishings, are tenants of a store in the same building, and carrying a stock valued at \$20,000. The loss on this is estimated at fully 80 per cent.

FLIGHT OF DEWET.

Boers' Retreat Northward is Checked by a Flood—Botha Eludes Gen. French.

De Aar, Cape Colony, Feb. 26.—General Dewet, accompanied by Mr. Steyn, recrossed the railroad north of Kranskil and south of Orange river station yesterday. The Orange river rose five feet last evening. A heavy rain is still falling, and it is believed to be impossible for the Boers to cross the stream. They are being closely followed by Colonel Thornycroft, who left here yesterday by rail. Several other columns are converging on General Dewet.

No Peace Proposal.

New York, Feb. 26.—Charles D. Pierce, consul-general for the South African republic in this city, tonight gave out the following statement: "On the 19th of February I cabled to the envoys at The Hague asking them to please cable me if there was any truth in the statement that President Kruger has asked King Edward for terms of peace; if Mr. Wolverens, the envoy, had written a letter to the Boers in South Africa urging them to surrender, in reply to the above I received the following cablegram: 'The Hague, February 25, 1901.—Newspaper reports regarding Envoy Wolverens' letter are already contradicted in strongest terms in European and American diplomatic circles.'"

"DE BRUYN." "Secretary to Envoys."

"Also the following cable received today: 'Envoys declare that President Kruger has made no proposals to the British king for terms of peace.'"
