### REPORT ON INDEMNITIES

Has Been Completed by the Ministers' Committee at Pekin.

PEKIN, March 11.-The ministers committee has completed its report, From All Parts of the New World and the general principles to be adopted in cases of indemnities based upon laws in harmony with the Roman and English systems. This decision discussion, some believing that the claims of men of good reputation should be paid in full without further consideration. On the other hand, a case was mentioned where a man of high repute claims \$10,000 each for his own, his wife's and her daughter's nerves and \$20,000 for property de- built at Eugene. stroyed, whereas it is known that the latter estimate is more than twice

NEW COMPANY FORMED.

Ultimate Object is to Operate Boats and Cars From Spokane to Portland, NORTH YAKIMA, Wash., March 13. —The Upper River Transportation Company has been incorporated for from Priest Rapids to The Dalles and carry the great wheat crop of Eastern Washington to market. The incor-porators of the company are J. M. Russell, Geerge C. Blakely and T. A. Hudson. In addition to operating on the Columbia, they will run a line of steamers to Lewiston, Idaho, on the

Snake. In connection with the navigation of the rivers a plan is under consideration to construct an electric railriver to The Dalles. A portage railcoast points for shipment to the Orintal markets.

The steamer Billings, which has een lying on a rocky bar 20 feet above water a few miles below Pasco, now being overhauled preparatory the great mining districts in the Republic and surrounding country.

MUTINY ON ALBANY.

Sailors on American Cruiser Rebelled

at Hong Kong. TACOMA, Wash., March 13 .- Advices brought by the steamship Goodwin state that 75 sailors mutinied on board the cruiser Albany at Hong Kong last month. The cause was lack of money and liberty. The refractory sailors were placed in irons and taken to Cavite for trial.

The Mohammedan rebellion in Kan Su has assumed such alarming proportions that the empress dowager has commanded General Feng Tze Sai to proceed northward from Canton with haste and undertake their subjugation. The gunboats Ball and Sugrib.

ilt at Hong Kong, for Siam, have

been turned over to that government, with the object of striking terror to

the rebels at Canton. Fourteen bri-

gands were executed February 14. Four other men are being starved to death in cages exposed to public view.

DEPUTY SHERIFF KILLED.

Fought a Pitched Battle With Highwaymen, MILTON, Cal., March 13.-News has just been received here that Deputy Sheriff Holman, of Calavesas county, was shot and killed at Wallace, a small town near here, in a

pitched battle with two highwaymen.

One of the latter is reported seriously Two prominent residents of Wallace were held up and robbed by the The men who were robbed immediately reported the affair to the county officials, and Deputy Sheriff Holman, with a small posse, went to Wallace to arrest the robbers with

the result above noted. General Young Returning. Washington, March 13 .- The quartermaster general is informed that the transport Logan left Nagasaki Thursday for San Francisco Major General Young and the Thirtythird and Thirty-fourth Volunteer regiments. General Young, on his arrival at San Francisco, will relieve General Shafter of the command of the department of California, and the latter will be retired as a major

EIGHT LIVES LOST.

Forty-Two Persons Were Injured and Several Are Missing. CHICAGO, March 13 .- By the exosion of a boiler in the Doremus laundry, 458 West Madison street, this morning, eight persons were instantly killed, 42 were injured, and several are missing. The cause of the explosion has not

been determined with accuracy as

official investigation to settle the matter. Reports of the number of dead in the ruins run all the way from six to It is known that 36 employes of the laundry had entered the place before the explosion occurred, be cause the automatic timekeeper found in the ruins showed that number of registered arrivals. Two or three were entering at the moment of the explosion, making the approximate total of 40 employes in and around the It is reported that an officer of the

boiler inspection department warned Mr. Doremus that the boiler was unsafe to use in its present condition. The wreckage near the boiler and in the east part of the building at once took fire, and through the blinding clouds of dust and smoke and

gling men and women, some of them half buried in wreckage, others feebly endeavoring to climb to some place of safety, while from various parts of the ruins came cries for help. The fire department soon extinguished the flames and the work of rescue began at once. One by one carried to near-by stores, where they

escaping steam could be seen strug-

bulances. Morthwest Postal Orders.
