Secretary of War Will Increase It to Its Full Strength.

THE ARTILLERY ARM.

Washington, May 13 .- Secretary Root is a man to whom wide discretion in the matter of interpreting and been given. This is shown in his determination to increase the artillery corps at once to its full strength. Likely to Prove of Interest to Our Many Congress, in its abject fear of criticism, placed a provision in the bill which looked as if the artillery corps Mrs. McKinley is much improved of the army was to be increased only 20 per cent each for five years. But Lacuna has promised to surrender the men who drafted the bill knew what they were doing, and when it Shamrock II was beaten by Sham- came out as a law it provided that not less than 20 per cent should be A watchman in a Utah refinery raised the first year, and not less than 20 per cent each succeeding 12 months The Chinese are astonished at the until the full strength of the artillery mount of indemnity demanded. was reached. Secretary Root inter-Twenty five thousand regulars will prets the "not less" to mean that he from Springfield to Waterville is comis not prevented from making the en- pleted to Thurston. tire increase at once, and so he directed that it should be done.

This is at very good thing. No chased a boring plant. The military governor of Bataan branch of the military service needs men so much as the artillery. The fortifications and the equipment of the fortifications with valuable guns has been far in advance of the increase of the artillery. In the Spanish were presented for bounty in Jackson war congress was induced to increase county in the month of April. the artillery from five to seven regi-Russia is standing steadfast for men, but with an intimation on the year. wording of the bill that the increase was to be made only gradually at 20 coast state, every state where fortifications are needed, and where they have been erected will applaud the tions to be erected will have artillery pushed to a speedy completion.
