Married? That was what she had said. It shut out all hope for the future. She must have been a mere child four years. ago; she looked very young and girlish still. And her husband treated her illmy Olivia, for whom I had given up all I had to give. She said the law would compel her to return to him, and I could do nothing. I could not interfere even to save her from a life which was worse her than death.

My heart was caught in a vice, and there was no escape from the torture of its relentless grip. Whichever way I looked there was sorrow and despair I wished, with a faint-heartedness I had never felt before, that Olivia and 1 had indeed perished together down in the caves where the tide was now sweeping
