Hood River Glacier.

FRIDAY, DECEMBER 13, 1901.

A correspondent of the Oregonian who visited the Pajaro valley apple-growing C. Crowell, P. S. Davidson, Geo. T. Prather and J. E. Rand. The secretary section in California thinks it no better than the Willamette valley for the grow-ing of apples. Apple land in the Pajaro valley sells for \$500 an acre, while in the the big dam on the East Fork of Hood river and the boom at the mouth of the river are now in shape to earn section in California thinks it no better Willamette valley it can be bought for \$50 an acre. Red apples are not a suc-cess in the Pajaro valley. They grow there will be money count on the value of the river are now in shape to earn money for the company, and when the delinquent assessments are paid up, there will be money count on the value of the river are now in shape to earn money for the company, and when the delinquent assessments are paid up, there will be money count on the value of the river are now in shape to earn money for the company, and when the delinquent assessments are paid up, there will be money count of the river are now in shape to earn money for the company. where y and y a structure of the y grown the Yellow Bellflower and Yellow New, town Pippin, which are shipped in immense quantities to the Eastern and European markets. Their crop this year will reach a million and a quarter boxes. The Willamotte valley, like Hood River, has better transportation facilities and with the same care and attention to selecting orchard ground, there should be more money in growing wp ples in Oregon than in the noted Pajaro valley of California.
The county court of Umatilla county here some and here y the saw mill company will ease the stock in the Boom company, and P. S. David, they do not ask for immediate payment of their claims. The Lost Lake Lumber Co. will take their pay in the use of the dam and boom for getting logs. The saw mill company, but as one of the stock holders expressed it, he would double and boom company, but as one of the stock holders expressed it, he would double and the stand many tather than have the saw mill the same care and attent of the stock in the Boom company will as the stock of the stock holders expressed it. Any would double and the stock holders expressed it.

has required the steel range and buggy traders to pay the peddlers' license. Several carloads of steel ranges and a large number of buggies were sold to from the county superintendent's office farmers. This was considered an ina few days prior to Thanksgiving day, justice to local dealers who pay taxes

as soon as the snow falls. Y. Bright Outlook for Strawberry Crop. G. J. Gessling, Secretary of the Hoad River Fruit Growers' Union, returned from his Eastern trip Monday morning, having been gone four weeks. On his way East ne stopped off at Ogden, Salt Lake, Denver, Lincoln, Omaha and Council Bluffs, and talked strawberries and apples with the principal commis-sion men in those places and also with retailors of Hood River fruit. On the return trip he stopped over in the prin-cipal towns along the line of the Great Northern. At every place he stopped commission men and retail dealers were well acquainted with Hood River berries. The summed with Hood River berries. so will about the servery trust" we have in food River, be and that is through an operation, is there is not have to save your have there are the save in the source is a collower and the save is a collower at the save of the save your is the save in the source is a collower at the save in the source is a collower at the save in the source is a collower at the save is a collower at the save in the source is a collower at the save in the source is a collower at the save in the source is a collower at the save Paul and Minneapolis he found good markets for apples, and posted himself with regard to shipping applement year, when Hood River may expect to have a full crop. Plant Rose Bushes. Fred V. Holman, a well known attor-ney of Portland, in last Sunday's Ore-

gonian, had a lengthy article on roses, in which he gave instructions for their culture and suggests that everybody in the city plant rose bushes next spring and prepare a surprise for the thousands of Easterners that will attend the Lewis <text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text> Easterners that will attend the Lewis and Clark centennial in 1905. This is a happy thought in time, and the sug-gestion will be acted upon by others in other towns in the Northwest. Mr. Hol-man's suggestion will no doubt be acted upon by Portland people and Portland will be known as the "Rose City." Hood River can come in on this Tose planting scheme. We have the lawns and the water to irrigate them, and all can be made a thing of beauty by pro-

John W. Gunn, special agent and ad-juster for the Liverpool & London & Globe Insurance Co., was in town Mon-day. Mr. Gunn likes Hood River and may take a notion someday to buy a piece of Hood River apple land and lo-cate with us and grow up with the country.
