Vera staggers to her feet and stares blindly into the semi-darkness. A hearty cry goes up from those crowded together on the beach. The mists have cleared five black spots that were upon the rigging are no longer there.

THE ELEPHANT'S LITTLE JOKE. Lively Diversion on Midway at the

Buffalo Exposition. The "Midway" at the Pan-American Exposition in Buffalo was designed especially to furnish amusement, and no doubt fulfilled its purpose admirably. It was not design, however, but accident which was responsible for a funny incident witnessed by some visitors from New York, one of whom tells the story in the Sun.

We were loitering past the animal show when I noticed a queer sort of chair in front of the place. It was of wood, heavy and square, and remarkably wide, and the seat was less than a foot high.

While we wondering what it was for, CHAPTER XXII.

Night has quite closed in, a night exceptionally wild and visient, when once more the sound of wheels upon the gravel

tock, who may be considered an au-By Judge Henry Bischoff, thority on wild animals in captivity. There can be no doubt that I once had a trainer, Mr. Bostock WHITE COLLAR LINE. "On, yes, yes, yes!" she cries, giving him thus vaguely the answer he requires. In a moment his arms are round her crushing her against his heart. To him those incoherent words are full of sweet—est meaning. Yes, he loves him—joy that is almost pain?

"Darling, darling," whispers he, softly, And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after a little while, "I am too happy. I do not prove the process."

"And then after "Oh. Heidelgraff is elected sure!" reskin is unable to breathe, and when the skin is out of breath the owner of the skin will be cold if he's clad in furs a foot thick.

The account of the trade of Palestine

during the year 1900, given in the cou-

sular report recently issued, is fairly

hopeful, though neither the exports

nor the imports reach the level at-

tained in 1889. The prosperity of the

country depends still, as it always has

done, and most probably always will

do, upon the fruits of the earth. Cen-

turies before the present era, corn and

wine and oil were among the chief

boons of the "promised land," and

though we hear little now of the first,

the other two are regaining their an

the most important products of Pales

tine, though the exports of the former

have declined considerably in value

the last few years. Jaffa oranges,
