PEACE IN AFRICA.

Terms Signed After Two Years and Eight Months of War.

London, June 2.—Peace has been declared after nearly two years and eight months of a war which tried the British empire to its uttermost and wiped the Boers from the list of nations.

The war has come to an end with Lord Kitchener's announcement from Pretoria that he, Lord Milner and the Boer delegates had signed "terms of surrender." This announcement had been anticipated for several days, but its receipt Sunday afternoon took the nation by surprise, as everybody had confidently believed that the house of commons would hear the first news today.

The edge of the anticipation with which Great Britain awaited the promised statement in the house of commons was still further dulled by the following message from King Edward to his people, which was issued after midnight:

"The king has received the welcome news of the cessation of hostilities in South Africa with infinite satisfaction, and his majesty trusts that peace may speedily be followed by the restoration of prosperity in his new dominions, and that the feelings necessarily engendered by war will give place to earnest co-operation on the part of his majesty's South African subjects in promoting the welfare of their common country."

The news which Great Britain was so anxiously awaiting came characteristically on an entirely pacific and uninteresting Sunday afternoon, when London presents a deserted appearance. Very late Saturday night a dispatch was received from Lord Kitchener, in which he said the Boer delegates were coming to Pretoria, that they had accepted Great Britain's terms and they were prepared to sign terms of surrender. Mr. Broderick, the war secretary, personally communicated this message to King Edward, who was at Buckingham palace. But the government declined to take any chances and nothing concerning the receipt of this message was allowed to leak out. About 1 o'clock yesterday afternoon the war department received the message from Lord Kitchener, announcing the signing of the terms of peace.

The clerk on duty at the war office transmitted this message to Buckingham palace, where King Edward was lunching. At about 5 o'clock word was received permitting the publication of this message, and the small notice which was stuck up outside the war office consisted of a copy of Lord Kitchener's cablegram. A similar notice was put outside the colonial office. Beyond these two skimpy bits of paper, London knew nothing of the great event. In the clubs, the hotels and the newspaper offices, which were almost all deserted, the momentous news was ticked out on the tape.

Then like wildfire, at about 6 o'clock, London awakened to the fact that the South African war was over. By 8 o'clock the news had become generally known. A few belated extra editions of newspapers were peddled about the streets, but before their appearance the enterprising hawkers, who for a long time past had kept union jacks, feathers and horns stored up in anticipation of the present event, were much in evidence.

Cabling from Pretoria, the correspondent of the Daily Mail, after announcing the signing of the terms of surrender, says the British authorities absolutely rejected the suggestion of the Boer delegates that the terms of surrender should be ratified by Mr. Kruger, and declared that the Boers in Europe had no hand in the settlement.

"The terms will show," continues the correspondent, "that the British government carried its contentions on every vital point, while the minor concessions, particularly those in regard to the generous financial treatment, will greatly appeal to the Boers in general. The value of Lord Kitchener's personality as a factor in the conclusion of peace can never be overestimated. There is no doubt that peace will be popular among the Boers."

Invited by the Kaiser.

Berlin, May 31.—Emperor William has directed that Adjutant General Corbin, General S. M. B. Young and General Leonard Wood shall be his guests at the German military maneuvers next fall. More than this, the foreign office has informed the representative of the Associated Press here that the emperor is very glad the American generals are coming to Germany.

Fight With the Yaquis.

Nogales, Ariz., June 3.—An outbreak of Yaqui Indians has occurred. A fight took place 30 miles from Hermosillo, in which eight Yaquis were killed and two Mexicans. The Yaquis retreated in a southerly direction and another fight is expected. The disaffected Indians number about 400, of whom 100 are fighting men. These Yaquis have hitherto been peaceful. They are not hostile to Americans.

Again in Volcanic Eruption.

Seattle, Wash., June 3.—Mount Redoubt, a lofty peak on the coast of Cook Inlet, is again in active volcanic eruption. It belched forth a great column of fire, brimstone and smoke on the afternoon of May 3. The mountain has been in eruption for the past two months, but advises received directly from the north state that it was at its worst on the day named. The ashes fell thick as snow at Kenai, 50 miles away, and the whole mountain range and the greater part of the coast was hidden from view by a pall of smoke.

THE VOTE IN OREGON

FURNISH DEFEATED

THE VOTE FOR GOVERNOR IS VERY CLOSE.

Republicans Elect Congressmen in Both Districts—Legislative and County Tickets Are Divided—The Returns Are Exceedingly Slow in Coming In—Chamberlain Carries Multnomah County by 500 to 700.

Portland, June 3.—The Republican state ticket, with the apparent exception of Sumpter and Baker City, in three precincts, gives Chamberlain 132,750. Butcher so far leads Williamson for congress almost two to one in this county.

Baker County. Baker City, June 3.—Returns are coming in very slowly. A partial count in Sumpter and Baker City, in three precincts, gives Chamberlain 132,750. Butcher so far leads Williamson for congress almost two to one in this county.

Klamath Falls, June 3.—Plevna precinct, complete returns, gives Furnish 41, Chamberlain 20. The vote throughout the county seems to be running about the same.

Columbia County. St. Helens, June 3.—Out of a total of 13 precincts in Columbia county, incomplete returns from three and complete returns from three give Furnish 316, Chamberlain 184. Congressman, Republican 224, Democratic 133.

Douglas County. Roseburg, June 3.—Meager returns indicate that Chamberlain carries the county by 250. The remainder of the Republican state ticket wins, except Crawford, who loses by about 50.

Union County. Union, June 3.—The count is progressing very slowly. Reports indicate that Chamberlain will carry the county. Butcher leads Williamson by a very few votes.

Cook County. Prineville, June 3.—Of a total of 24 precincts in the county incomplete returns from one and complete returns from three give Furnish 50 and Chamberlain 49. For congressman the same precincts give Williamson 144, Butcher 91.

Sherman County. Moro, June 3.—The Republican congressional and legislative ticket is elected by a good majority. Only two small precincts have completed their returns. The indications are that Furnish will carry the county by 100.

Josephine County. Grants Pass, June 3.—Partial returns in the three precincts of Grants Pass give Furnish 145, Chamberlain 133.

Polk County. Dallas, June 3.—Reports are coming in very slowly. Complete returns from five precincts give Furnish 199 and Chamberlain 194.

Lane County. Eugene, June 3.—One hundred and seventy out of 181 votes in South Eugene, No. 2, give Chamberlain 68, Furnish 86.

Tillamook County. Tillamook, June 3.—From returns received Furnish is running 100 votes ahead of Chamberlain. On the rest of the state ticket the Republicans have a majority of two to one. Tongue is running ahead of Weatherford by three to one.

Linn County. Albany, June 3.—Linn county will give Chamberlain probably 300 to 400 plurality. Less than half of the votes are counted, and the returns are incomplete. Kelly, Republican, will be elected senator, as will the three Democratic nominees for representatives.

Yamhill County. McMinnville, June 3.—Out of a total of 21 precincts, incomplete returns from seven and complete returns from five give Furnish 182, Chamberlain 207. Congressman, Tongue, Republican, is receiving his party vote and will carry the county by 150. The legislative nominees probably elected are three Republicans and one Democrat.

Washington County. Hillsboro, June 3.—Out of a total of 21 precincts, incomplete returns from three give Furnish 120, Chamberlain 129; congressman, Republican, 161, Democrat 115. The legislative nominees probably elected are three Republicans and one Democrat.

Wasco County. The Dalles, June 3.—Out of a total of 26 precincts, incomplete returns from seven and complete returns from five give Furnish 103, Chamberlain 131; Williamson 98, Butcher 29. The legislative nominees probably elected are all Republicans.

Morrow County. Heppner, June 3.—Out of a total of nine precincts, incomplete returns from seven and complete returns from one give Furnish 344, Chamberlain 373. The legislative nominees probably elected are Republicans. For congressman the county goes for Williamson.

Umatilla County. Pendleton, June 3.—Furnish will carry Umatilla county by 200 plurality. Williamson for congressman gets 300 plurality. The legislative and county ticket is Democratic.

Bad Gang Break Jail. Leadville, Col., June 4.—A daring jail break took place here today. The jailer was in the front office when a trusty notified him that some of the prisoners were missing, and an investigation showed that five had escaped by an underground tunnel. They had sawed off the lock to a trap door leading to the sewer, broke the sewer wall and then crawled to the outside of the jail through a small hole in the foundation wall.

Interest on Transval Bonds. Pretoria, June 4.—A proclamation which was issued yesterday in connection with the signing of the peace terms declares that, notwithstanding the proclamations of Mr. Kruger, interest on the bonds of the Transval republic would be suspended so long as the war lasted, such interest shall begin to accrue June 1, June 26 and 27, the days of King Edward's coronation, have been proclaimed public holidays here.

Fatal Rockaway Fire. New York, June 4.—Four persons lost their lives and two were fatally injured in a fire today which swept away many buildings at Rockaway Beach. The fire started in a frame building. In a short time it spread to an unoccupied brick building, and then in succession leveled 12 other buildings. The buildings for the most part were of the frame sort found at the seaside, and the loss is estimated at \$120,000. After the fire had been controlled the body of a man was found burned to a crisp in one of the buildings.

The Trouble with the Yaquis. Tucson, Ariz., June 4.—The report of the Yaqui Indian troubles in Sonora, Mexico, has been greatly exaggerated. No revolution is in progress. The trouble grew out of a disagreement between a Mexican and a number of Yaqui laborers who, in a conflict, killed two Mexicans. The Yaquis, fearing the soldiers, left the ranch and took to the hills, where they were joined by some other Yaquis. Soldiers were sent after them and in the fight seven Yaquis were killed.

Striking Bakers Enjoyed. Kansas City, June 4.—Striking union bakers were today enjoined by Judge John F. Phillips, of the United States circuit court, who issued a temporary order restraining them from patrolling in front of the Grand avenue bakery, or otherwise interfering with the employees of that concern. The action grows out of the lockout of the union bakers by six leading firms, members of the Masters' Association.

Squires Formally Received. Washington, May 31.—The secretary of state has received a cablegram from Mr. Squires, United States minister to Cuba, announcing that he had been formally received in that capacity by president Estensola Palma at Havana. Mr. Squires suggested the desirability of having a military attaché for the legation at Havana assigned as soon as possible, and mentioned Captain Clark, United States army, as a most suitable person for that post.

Kruger Will Sign Peace Settlement. Brussels, June 2.—It is said here that the Boer delegates in Europe now admit that peace in South Africa has been secured, and that the settlement between the Boers and Great Britain will be signed in the names of the former citizens of the two South African republics who are now in Europe, including Mr. Kruger, thus preventing the irreconcilables from continuing the guerrilla warfare on the pretext that they are obeying the orders of the Boer delegates in Europe.

KING EDWARD'S BIRTHDAY.

Officially Celebrated in London—Military and Naval Parades.

London, May 31.—The birthday of King Edward, who was born November 9, 1841, was officially celebrated yesterday, it having been decided, as announced in the official gazette, April 15, that his majesty's natal day was to be celebrated in London and on the home stations May 30, as being the most suitable to make a military display. On the other hand, foreign stations will celebrate it November 9, the actual anniversary of his birth.

Great interest in the celebration was apparently not diminished by the expectations of greater series of events surrounding the coronation. The streets throughout the kingdom were gaily decorated and the shipping at the various ports made the gayest display of bunting. The day was observed at all of the home military and naval headquarters with parades and salutes. The chief celebration was the ceremony of "trooping the colors," on the Horse Guards parade here, and the presentation of colors to the new Irish guards.

CURED OF LEPROSY.

A Case is Successfully Treated at St. Louis by the Quarantine Officer.

St. Louis, May 31.—Dong Gong, the Chinese leper, who has for four months past occupied an isolated house near Quarantine, has apparently recovered from his malady and will be released within two months unless the disease returns. A remarkable result, the product of an East Indian tree, has been the sole treatment administered by Martin C. Woodruff, superintendent of Quarantine. Discoloration has disappeared from the patient's face and limbs, and his hair has returned to the spots of flesh which were insensible to the pricking of pins or the touch of hot irons. Only one of the patient's legs and one wrist is the faintest redness visible.

LABOR TROUBLE IN MANILA.

General Strike of All Trades is Threatened—Want Fifty Per Cent Increase.

Manila, May 31.—The labor troubles which have been brewing for a month are now on the eve of coming to a head. Three of the largest American employers of Filipino labor have been notified that they must advance salaries 50 per cent all around or face a strike. One firm three years ago paid employees \$30 per week and is now paying them \$30 weekly. The firm says a further advance is impossible. It is the intention of Isabelo de Los Reyes, the organizer of labor associations here, to secure an increase of wages in all trades or force a general strike. The merchants are alarmed at the outlook. They say Filipino labor costs more now, in proportion to the results, than American labor. The wages are now from five to 10 times higher than under the Spanish regime.

Cecil Rhodes' Fortune.

New York, June 3.—Cecil Rhodes' executors have decided that the probate of the will should be taken out in South Africa, cables the London correspondent of the Tribune, and this will be done after the return of Dr. Jameson and Mr. Mitchell to the Cape. Nothing definite is known as to the extent of Mr. Rhodes' fortune, but so far as has been ascertained, it will amount to \$25,000,000 or \$30,000,000. His educational scheme has been gone into by the executors, but it will be some time before arrangements can be completed.

Coal Famine in the East.

New York, May 30.—Another advance of 50 cents a ton was made in the price of soft coal by the retail dealers throughout the city today, making the price \$5.00. An advance of \$1.00 per ton in anthracite coal was announced. Many small towns in New Jersey are beginning to feel the scarcity of anthracite coal. Suffering villages have been in darkness for several nights, having no electric light. Anthracite is now used in Edgewood. At Spring Valley, N. Y., the silk mill, the pipe factory and the shirt works shut down yesterday.

Mitchell Says the Men Must Win.

Indianapolis, May 31.—President Mitchell, of the United Mineworkers, left here tonight for Chicago. There is still no change in the strike situation, President Mitchell announced. The call for the proposed convention, which it is understood, the five district presidents of the miners have agreed to, has not been issued, and Mr. Mitchell will give no opinion as to when it will be sent out. Mr. Mitchell expressed himself vigorously as of the opinion that the men must win, and said he was prepared to fight it out to the bitter end.

Goodwin Will Be Decorated.

Pekin, June 3.—The government proposes to bestow a decoration on John Goodwin, the United States consul general at Shanghai, in recognition of his services in maintaining peace in the central provinces of China in 1901. Chou Fun, the treasurer of the province of Shi Lu, has been appointed governor of Chi Tung province. He is able and progressive and has pro-foreign views.

Squires Formally Received.

Washington, May 31.—The secretary of state has received a cablegram from Mr. Squires, United States minister to Cuba, announcing that he had been formally received in that capacity by president Estensola Palma at Havana. Mr. Squires suggested the desirability of having a military attaché for the legation at Havana assigned as soon as possible, and mentioned Captain Clark, United States army, as a most suitable person for that post.

Kruger Will Sign Peace Settlement.

Brussels, June 2.—It is said here that the Boer delegates in Europe now admit that peace in South Africa has been secured, and that the settlement between the Boers and Great Britain will be signed in the names of the former citizens of the two South African republics who are now in Europe, including Mr. Kruger, thus preventing the irreconcilables from continuing the guerrilla warfare on the pretext that they are obeying the orders of the Boer delegates in Europe.
