PEACE BOARD MEETS.

Anthracite Coal Strike Commission Holds Short Session-Work Outlined. Washington, Oct. 28 .- The anthracite coal strike commission yesterday in the hearing room of the interstate commerce commission held its first conference with parties to the controversy in the anthracite regions. There was a full representation of both operators and miners and members of the press and a number of other interested parties were present. The commission occu pied the elevated seats generally filled by members of the interstate commerce commission, Judge Gray, as president, occupying the center. President Baer tendered the commission a special train which, was declined, the members deeiding to ask or accept no favors.

The commission met at 2 P. M. Mr Mitchell, president of the United Minetrict President Fahay appeared for the Senator Mitchell has departed for Baer, of the Philadelphia & Reading; Washington, where he will take up his E. B. Thomas, chairman of the board The Willamette river is "changing its Hillsdate coal and iron company; Al-David Wilcox, vice president of the ly time to run for the beach, where Men under governmental supervision Delaware & Hudson; John B. Washington Court Decides They Cannot Become American Citizens

Olympia, Oct. 28. - The supreme ourt, in a decision handed down today. decides that a Japanese cannot become tative of the Celestial te say that Gong a citizen of the United States. The point came up directly in the matter of the admission of a young Japanese lawyer to the bar of this state. Takuji Yamashita, of Seattle, passed a very creditable examination for admission to the bar in the examinations last May, but the law making citizenship a qualification for admission to the bar of this state is very plain and is undiswhich was presented to the supreme just come to light here. For the past court in the form of briefs was whether been working on the case, but the facts the superior court of Pierce county actrecent decision by any court, and it therefore becomes a matter of wide in-
