Twenty-Eight Dead-Mangled Passengers Suffer from Cold Also. London, Ont., Dec. 31 .- A frightful TAKING ALARM AT SERIOUSNESS OF ollision occurred a short distance REBELLION IN MOROCCO. from the little station of Wanstead, Ont., on the Sarnia branch of the Grand Trunk Railroad, last night.

e Hood River Glacier.

Calling Her Soldiers to Arms-The Sultan The express was running nearly two urs late, and was making fast time. Is Barricaded in His Palace at Fez-Water-New Rural Delivery Route - The freight was endeavoring to make The freight was endeavoring to make a siding te get clear of the express, but failed by a minute or two. There was a freadful crash, the locomotive reared up and fell over in a ditch, the bangage-car of the ex-press telescoped the smoker, and in 'an instant the shricks and cries of the wounded and dvine filled the air En Route to Gibraltar.

an instant the safets and cries of the wounded and dying filled the air. The loss of life is 28. The injured numbered many more, and many of these may die. Several of the dead were horribly mutilated. Heads were ties in Morocco, and has ordered cut off, legs were wrenched from their bodies, and the level stretch of snow became srimson with the blood of the victims.

Operator is Blanced. The responsibility for the accident has not been definitely fixed, but it is believed to have been due to a tele-graph operator's error. The opera-tor at one of the stations where the two trains stopped gave an order to the freight to pass No. 5, the Pacific express, at Wanatead. In the system of the Grand Trunk this order should have been duplicated a copy being store and stole about \$200 worth of revolvers. The same night a street car was held up, but the highwaymen express, at Wanatead. In the system have been duplicated, a copy being given to the conductor and engineer of the express. Instead of this the

conductor of the express received a clearance order, telling him that he might run through. The freight train in the meantime had stopped at Wanstead to sidetrack, and was telescoped by the express. The blinding storm which was raging rendered ob-lects invisible at the distance of a lew feet.

The operator at Wanstead is no!
