Hood River Glacier.

classed among the common folk." One has only to take a stroll through Houd River valley to note the evidences of good taste and refinemient among the many new arrivals in our midst. Most in the old South. By all means, let us encourage the building up of country homes, as nothing tends to promote morality and thrift so much as rural life, and it is so easily done here in Hood River valley. It does not require vast stretches of land from which to make an independent living for our fmullies. A few areas planted to that

and independent.

paper upon the Angora goat industry of the United States before the live stock convention at Kansas City in which he said the industry had been successfully growing in this country for more than forty years, and the flocks have grown from nothing to about 400,000 animals. Last year more than 1,000,000 pounds of mohair were produced which sold for from 20 to 45 cents a pound, and the American mills consumed more than 5,000,000 pounds. It would take several years to produce enough mohair for home consumption, enough mohair for nome consumption, and the sumption was increasing district No. 6; the work on said road to district No. 6; the work on said road to be done under the direction and supervision of the county court of said county and state: Augora goat is not a creation whim of speculation brough distant Turkey to induce the A public to part with Its earned lucre, but he is a money and when the American liv breeder prepares a proper place right kind of Angora he need hesitancy in stocking with the fleeced brush destroyers. The American institution and the come to stay.

W P Scobee The mayor's message is a frank statement of the situation in our municipal Peter Mohr

"Hood River Apples." Portland Telegr

Hood River apples have no reputation with a certain family on Harrison street FRIDAY, JANUARY 23, 1903. "Hood River valley," remarked a stranger in our town, "in some re-spects resembles the Southern states in ante-bellum days. In the South be-fore the war the wealth and intelli-gence dwelt not in towns but on plantations; tradesman and others oc-cupying the towns and villages. Large cities in the South at that period were the aveention and not the rule. the exception and not the rule, and to young farmer man was asked; "and do the exception and not the rule, and to live in a town or village was to be the state board of horticulture there?"

of those seeking homes and health in fore the fruit was sampled, as he knew there would be a denonement when the our beautiful valley, nestling as it does at the foot of grand old Mount Hood, have left elegant homes some-the does at the foot of grand old Mount Hood, have left elegant homes some-the does at the core. The Hood River man was seen how the source of the does the core the core is the core of the does the core of th where in the Eastern states or the old countries, bringing with them, not only ample means, but thrift and re-finement, which will eventually build old orchard in Washington county, and

For a Permanent Road.

The committee soliciting subscriptions for the improvement of the grade on the families. A few acres planted to that queen of berries, than which God the amount to \$1,000. The county court might have made a better but he didn't, will make a thrifty man happy will give \$500. It was expected son that they are never elected to the that the county court would give as much as the amount subscribed, as has fool bills.

Dr. W. C. Bailey of California read a apper apon the Angora goat industry of the United States before the live took convention at Kansas City in propriation will admit. The work will be under the supervision of County Com-missioner Hibbard. Following is the missioner Hibbard. Following is the list of subscribers and the amounts subscribed

To Whom it May Concern: We, the undersigned citizens and residents of the East Side Hood River valley and road district No. 6. Wasco county, Ore-gon, herewith subscripe, to be paid in cash, the sums set opposite our respect-ive names below, for the purpose of creating a fund to be used in widening and graveling the certain county road known as the East Side grade in said district No. 6; the work on said road to
