part of neighborhoods could be brought acknowledgment. about. The good roads movement is Hood River, January, 1903. all right, but why not inaugurate a shade tree movement as well. Let each neighborhood get together and agree to plant trees along the roads running through their respective properties. Were this done, and the expense would be triffing, it would be seen by the printer in last week's Glabul a few years when our roads would cier made Captain H. C. Coe say that present a beauty all would be proud of.

Take the city of Portland. The res. pense would be triffing, it would be been would be trifling, it would be but a few yerrs when our roads would present a heatity all would be proud of. Take the city of Portland. The resident streets lined with shade trees are a maryel of beauty, calling forth expressions of admiration from visiting strangers who never tire of singing the praises of the city's shady streets. Let it be the aim of the citizens of the town and valley to see to it that no more shade trees are cut down than absolutely necessary, and to prosecute those who trespass on their premises for this purpose, under the following statutory law governing such matters. Section 385 of the statutes reads as follows:

Whenever any person shall cut down, and of another person, or on the examination of another person, or on the street or high-twice the complete pe

and city?-in making our town attrac tive to the stranger coming into our midst. We feel certain that should some of our prominent citizens take hold of this matter a good live society would soon spring into existence. This The total of the summaries of the is a move that should commend itself assessment rolls of all the counties of to and receive the support of all classes, the state, published in last Sunday's and we know of none better qualified to Oregonian, shows that the total taxable take charge of this than the good ladies value of all the property in the state is of our city. We have in mind the \$148,009,601.65 for the year 1902, as names of a number of excellent ladies, against \$141,398,513.96 for 1901. This who, if they would consent to inauguis an increase of \$6,701,087.69. Every rate a movement of this kind, we feel county reports an increase in valua- assured of its success. Start the ball to tions except Klamath, Umatilla and rolling now, ladies, and we poor mortals Yamhill. Each of these three reports of men will gladly dance attendance to a decrease. Malheur county reports an your every beck and call, rendering such increase of 50 per cent, while Tillamook assistance as lies within the power of leads with an increase of about 60 per such as we are. The Glacier will gladly cent. The total taxable value of prop- lend its columns in furtherance of any erty in Wasco county in 1901 was \$4,- plan which may add to the beauty of 077,405, which, in 1902, was increased our homes and the betterment of our

> Our correspondent Verdant, in his letters to the Glacier, seems to have friendly criticism. Whether Verdant writes again or not, his letters have pointed out how the people of our community might help themselves, got them to talking about things that ive of some good. "Who is Verdant?" have missed. His identity remains undiscovered.

The Glacier is in receipt of the Seventh Biennial Report of the State Board of Horticulture, the copy for which was prepared and edited by E.

L. Smith, president of the board. The book is replete with useful knowledge for the fruit grower, contains the reports of the president and district commissioners for the years 1901 and 1902, missioners for th papers upon the care of fruits, formulas for making all the sprays, and gives many illustrations. The book will be ready for distributions. ready for distribution in a few days,

### The name as witnesses: James

With the publication of this volume the Oregon state board of horticulture six years he has been identified with the horticultural interests of the state, Complaint is frequently made of the three years as president of the state unwarranted cutting of trees and shrubs on the public highways and along the streets, this, too, in some instances, by the supervisors of roads. Valuable shade trees and beautiful shrubs, which ter pomologists than himself, thereby in no way interfere with travel, have been ruthlessly cut down, and for no social fellowship of the professors of the other reason, apparently, but for lack of appreciation of the beauties these fruit growers of Oregon and adjacent states, and when he recalls these pleastrees and shrubs afford to the eye. This ant associations he forgives the gentle should not be. Shade trees along our men who induced him to accept these should not be. Shade trees along our public highways and streets in the resident portion of our city, where not interfering with the improvement of streets or sidewalks, should not only be left standing, but owners of property should be encouraged to plant shade trees in front of their premises to beautify the city. We should like to see our country roads lined with shade trees, and this in time could be account. press, which has popularized the papers and bulletins of this board, to the Southern Pacific and Oregon Railway and Navigation companies for courtes sies that practically supplemented the modest appropriation of the state, and to our fruit growers, whose hospitality he has enjoyed, and who have taught him much, he would make grateful acknowledgment. E. L. SMITH. Hood River, January, 1903.

It used to be, "Competition is the life of trade," but now it is acknowledged by every one that advertising has distrees, and this in time could be accom-plished if a concert of action on the part of neighborhoods exactly be becomed.

by every one that advertising has displaced competition.

An error that ought to have been
