### COALING STATIONS IN CUBA. Agreement Gives Us Control of Caribbea

Sea-Isle of Pines Given Up. Washington, Feb. 2d .- President Roosevelt has signed the agreement

drawn up, under the terms of the Platt amendment, providing for the acquisition by the United States of a naval station at Guantanamo and a coaling station at Bahia Honda, both in Cuba. The document had been previously signed by President Palma, and was brought to Washington by Minister Final ballot—Fulton 46, Geer 3, Wood 17, Scott 21, scattering and absent 3.

The senate—To appropriate \$100,000 natory proceedings after the navy defor Indian war veterans, passed. To amount of land it wishes at each place.

Washington, Feb. 26.—It will be late in the summer before the converted transport Grant will be able to commence dredging on the bar at the month of the Columbia river, for the engineers, after prolonged investigation and exhaustive correspondence, bere decided to have the vessel over.

election be kept open until 7 P. M., passed.

The House—For bureau of mines, would be unsafe for an enemy. At would be unsafe for an enemy. At Guantanamo there will be erected extensive coal docks and perhaps a short line of railroad to connect the port with the backbone railroad already finished by private enterprise. Bahia Honda will be except by the contract relieving it from liability if the work was not completed in the contractor's report shows the contractor and the action of the contractor's report shows the contractor and the contractor's report shows th

noavallibility of the island as a naval completion in Baltimore, will be inrounding it, and second, the reallystrong sentimental attachment of the Cubane for the place, which would cause a feeling of resentment toward the United States in the event that the isle was taken away.

# STOP IMPORTATION OF ARMS.

Russia Asks United States and Others to Join in Intervention.

Washington, Feb. 26 .- Representa-Washington, Feb. 26.—Representations have been made to the state department by the Russian ambassador, Count Cassini, regarding the increasing seriousness of the situation in China, in the hope that the United States will co-operate with the other powers to stop the illegal importation of arms, which has reached an alarming stage of activity. Similar representations are repeated, will do little more than off-set the deterioration of old yards. Hops quickly drain the soil of its chemical states and as the Northwest-sequent was made on helpalf of the Germany and an effort to obtain from Mr. Bowen the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in cash of 5,500 pounds which it was provided in the immediate payment in ing stage of activity.
