ATTEMPTED LYNCHING.

Mob of 200 Search Jail at Baker City in Vain for Murderer.

GATHERED FROM ALL PARTS OF THE Baker City, Or., March 5 .- A mob of 200 masked men entered the Baker county jail early yesterday morning and made a demand on Deputy Sheriff Snow for Pleasant Armstrong, the young man who murdered Miss Minnie Presented in Condensed Form, Most Ensminger at Haines last Christmas Likely to Prove Interesting to Our morning. The sheriff's office was warned early in the evening that an attempt would probably be made to lynch The flood on the Ohio river has passed Armstrong during the night, but there had been so many threats of late that the sheriff was not alarmed at first,

About 10 o'clock it was discovere that some of the supposed leaders were drinking heavily, and that there was a possibility of trouble. The sheriff thought it wise to remove Armstrong It has been necessary to call out from the iail, and he was spirited away. troops at Colorado City to preserve Between 2 and 3 o'clock the mob apdemanded that Armstrong be turned over to them. They were allowed to go through the jail, which they did in

But, according to Mr. Kidmore suspicious than ever. It was die, it is possible for them to secure

urging energy on the part of the offi-cers, but the tenor of the latest comment at Portland to bring this fact into mand showed that a campaign had due prominence. Last fall I shipped been declared and it was to be persist. 700 head of hogs East. The pork derived from them is now coming back to the Pacific coast states in bacon and Paget sound and these lost no time in hams. This is not right. We should following instructions. They have be self supporting along this line at

Askedgif hogs could be fattened on Northwest stubble, Mr. Kiddle said: "I do not think so. Hogs can be turned loose on stubble and will get their growth without being fed, but when it comes to preparing them for market they must be fed on wheat. The fence problem is a serious one in this country. Few farmers have hogproof fences, but these could be provided and would be in the event a packing house was assured."

Mr. Kiddle does not believe the Northwest has any great future in beef raising, the proper food for beef fattening being cheaper in the Middle . Western states than here.
