Church Notices.

The musical and oratorical recital in the Knights of Pythias hall Thursday night was a pleasing affair. Miss Mabel Lankton Carter, who is teacher of The Congregational Sunday school will render an Easter service in the church Sunday evening. The theme is: "A Conquering Redeemer." The work of this Sunday school is always good, and a most interesting program me is being prepared for this occasion. Mabel Lankton Carter, who is teacher of elecution and oratory at Willamette University, Salem, presented a carefully selected programme which won hearty applause. The musical numbers, both vocal and instrumental, by Hood River talent were excellent. Mrs. Parker of Washington, D. C., who asisted, has a sweet, well-trained voice, and sings with much expression. The reserved seats were all filled and the receipts of the evening amounted to \$35.

J. S. Conry of Waterloo, Jowa, was in

SEVERE WINTER OF 1861.

This brings our record down to the fall of '61, and the beginning of the also sank with the boy. James Laughhardest winter since the settlement of lin was a most estimable young man, upright, honest, honorable and had a host of friends who, sincerely mourned his untimely taking off. After Jenkins' death, his widow married a steamboat engineer, named Burt, and soon after they sold the farm to Dr. B. W.Mitchell and his father-in-law, M. C. Nye. BALDWIN AND TIEMAN ARRIVE. In the fall of 1864 S. M. Baldwin and

Harry Tieman located on a place near the Sears' farm, where they remained three years, when they moved to the upper Hood River valley, where they Roberts was a great weather prophet and firmly believed in the Zodiacal signs, as well as the moon, stating as a septiment of the moon, stating as a ways came with the full of the moon, Some one called to mind the fact that in the winter of 62 there was not a breath of west wind during the full out of the moon, stating as a breath of west wind during the full out it did not last long. We were well as the moon of a month of January, Roberts scratched his head and to a purpose. "Why," he said, "that was the result of a very if the winter of 62 there was not a breath of west wind during the full of the moon for a month. January, 1862, was the anniversary of that event."

July 4 of this year, 1801, Hood River held its first celebration. The spot chosen was in the large oak grove in front of Professor Thompson's residence, east of the school building. Hood River was thou, as it always has been, intensely patriode and loyal to the Union, and in those days political feeling ran high. It was deemed necessary that we should have an emblem of the Union and in those days political feeling ran high. It was deemed necessary that we should have an emblem of the Union and to the Union, and in those days political feeling ran high. It was deemed necessary that we should have an emblem of the Union and to the Union, and in those days political feeling ran high. It was deemed necessary that we should have an emblem of the Union and to the Union, and in those days political feeling ran high. It was deemed necessary that we should have an emblem of the Union of the Union and the winter of the Union and the winter of the Union of the Un
