effect the Missouri crop will have on our markets is as yet uncertain, as the growers in that section depend upon rain, and a few hot, dry days cuts their crop off the year and the ground is drying out very short at times, while showers prolong their picking season. Some frosts

should be used generally and the ground not allowed to dry out. There is more danger of the crop being too early than too late.

The Hood River Fruit Growers' union is mailing circulars to the farmers of the valley urging the berry growers to be and are irrigating their berries and more particular with the packing this clover. year. The circular says:

Careful, honest packing will be necessary to insure good results. The essen-

NO CULLS in the boxes.
Have every box packed FULL.
Face the top of the box with not more than five closely packed rows (25) berries, and put none in the box smaller than this size.

Keep out all soft, damaged and ill-shaped fruit.

good make).

There is little demand for ordinary fruit except for canning. Fancy fruit is always wanted. The perpetuation of the strawberry

business of Hood River valley is in the hands of the growers, and unless they give us hearty co-operation in build ng up a high standard of excellence, they

routine business dragged the work benefit to fruit growers. through two weary hours. All the councilmen were present except Captain Blowers, and when Mayor Coon rapped for order Recorder Nickelsen was not in his accustomed place, so Councilman Gessling was temporarily assigned the

Recorder · Nickelsen read Treasurer Leslie Butler's report showing a cash balance in the city treasury on May I of Company, of Portland.

\$621.60. The report was referred to the finance committee.

Ordinance No. 74 was read a second time and referred to the judiciary committee. This was deemed necessary as no time limit was given in the ordinance in the city treasury, whose serious liliness was previously noted, remains in about the same condition. We trust a speedy recovery.

W. L. Wood and family intend going to a New Yorker. But that is only a little excentricity and in the coast counties was very favorable for the growing crops. In portions of Southern Oregon more rain is middle or inist and society's pet, has gone wrong and carried off a thirty thousand dollar violin belonging to a New Yorker. But that is only a little excentricity and in the coast counties was very favorable for the growing crops. In portions of Southern Oregon more rain is middle or inist and society's pet, has gone wrong and carried off a thirty thousand dollar violin belonging to a New Yorker. But that is only a little excentricity and don't worry society a bit.

Wr. Wood has disposed of his property

stating when the poles would be erected.

It was further found that the proposed ordinance contained provisions not

A. L. Pugh named in the title.

The recorder reported the mayor as having approved Ordinance No. 73, giving Joe Wilson the right to lay pipes in the streets of Hood River. Bills were ordered paid as follows:

Wm. Thompson, meals prisoners. 2.50 A bill from Treat & Huckabay for plumbing was referred to the judidiary

discussion. At the mayor's suggestion the property owners along this walk will be notified of the dangerous points and

asked to make the same safe.

Captain Shaw presented for filing plats of H. C. Coe's 1st, 2d and 3d additions to the city of Hood River, also a plat of E. B. Clark's addition, to be known as

Under the order of business of com-plaints, Councilman Mays reported on behalf of O. B. Hartley touching on the n-e of sidewalks by merchants. Mr. Hartley complained that the glare of Hartley complained that the glare of the sun on the display of tinware on the north side of Oak street hurt his eyes. On motion of Councilman Davidson

Outlook for Strawberries is Good.

The present outlook is good for a profitable strawberry season. The plants are growing vigorously and blooming heavily, with enough cool weather to keep them from developing too rapidly.

The California crop is late and will probably be in our way somewhat during the early part of the season. The effect the Missouri crop will have on our state of the season. The effect the Missouri crop will have on our state of the dam with a dip net, especially salmon trout. Now, if the lag has the dam with a dip net, especially salmon trout. Now, if the log boom at the month of Hood river prevents them from landing in town, whereas now they are compelled to go half a mile up the river to the stamboat landing. The mail carrier with Uncle Sam's property ought to get through, but it seems that he doesn't.

Big Land Sale at Chenoweth.

A \$30,000 land sale will take place at

part of our shipping season, usually. No carloads will go out from here until about June 1, which will give the earlier sections time enough to get the larger part of their crop off before we want to use their markets for heavy shipments.

The irrigation water is turned on and should be past to go and get it.

The irrigation water is turned on and should be past to go and get it.

The trusts didn't know that anti-trust was sum of money in putting the ground into cultivation. When planted to apple trees this land should soon be paying big dividends.

Note and Comment.

Crapper Croppings.

Spring farm work is nearly all done here and the farmers and fruit growers are making ready for the berry season,

We have yet on hand, ready for implication of numerous presents, and the one who dwells in "that city of light."

Grandma, as she is familiarly called, was the recipient of numerous presents.

Mother of a loyal seven
On earth and one in heaven.
Eight to eighty gathered here,
Peace and plenty, royal cheer.
Wives and husbands just the same,
And grand children's glad scelaim,
Meet you, greet you, one and all,
Hoping that the final call
Shall for many birthdays be
Long searred through leniency.

Brave as any in the land,
Noble, trusted loving wife,
Leader of a trusted band,
Great thy work has been in life.
When the resper claims his own
Fully ripened goiden grain,
And we miss thee in our home,
Earth will not be to us the same;
But in youder happy land,
Meet us on that peuceful shore,
As each member of the band
Crosses to return no more.
