CONTEST NOTICE.

The Dalles Times-Mountaineer thinks there should be a competing steamboat line on the Columbia to insure a better service than the Regulator Line is giv-ing. At present the steamers reach The Dalles at any hour between 6 and 11 p.m., and the people of The Dalles naturally enough don't like it. It is sidd the business men will lend their support to an opposition line. The Grand Army of the Republicand the Women's Rélief Corps made a wise selection when they determined to hold their 1904 encampment at Hood River next June. Hood River is beautiful spot in June, and the old sol-diers and their lady friends will have abundant opportunity to enjoy them-selves.-Mountaineer. <text><text><text><text><text><text><text><text><text><text><text><text>
