Our new fall goods are arriving every day. The store is full now. We want to sell some of the goods at once to make room for the rest. We know that we were a little late in getting our fall goods, but by doing so we have later styles and better prices. You have waited a long time for these goods, and we have marked them at prices that will pay you for all the time you have waited. While we have been in Hood River we have received many compliments on the style, workmanship and quality of the goods in our Ladies' Skirts. We have surpassed all previous efforts and can say without hesitation that we have a larger stock of better made, better goods for less money than has ever been brought to your city before. We can say this regardless of the fact that everything put into a skirt is quoted at advanced prices. All we ask is for you to call and examine them. The goods and prices we have put on them will do the rest.

Ladies and Misses' Coats, Capes and Jackets.

We have brought direct from New York a full line of CAPES, COATS AND JACKETS, containing all the new creations, at prices that will surprise you. It does not take a pocket full of money to buy one of these. We have them within the reach of all. Our Jackets are at least one-third less in price than you can buy them for elsewhere.

Hosiery and Underwear.

It will get cold before long and you will need something to keep you warm. We have everything you want in this line. Nice, soft, fleecy cotton goods for men, women and children. All kinds of

Woolen Underwear and Woolen Hosiery in abundance. Ladies' first-class fleece-lined Hose 15c and up. Children's Wool Hose from 15c and up. Men's Wool Sox from 12e up.

Anti-Rust Tinware.

We are sole agents for the Elliot Manufacturing Co's line of Anti-Rust Tinware. The trouble with graniteware is that every time you drop it or hit it on something hard you knock off a piece, and then a hole soon rusts through. Your objection to tinware is that it rusts out. We will QUARANTEE every piece of this tinware NOT TO RUST THROUGH. Any piece rusting through will be cheerfully replaced with a new article.

Our Line of Men's Fall Goods Is complete. Cotton and woolen Underwear, wool-

Following is the report of school district No. 8 for month beginning Septemover former years. The Dalles is not dead yet.

The people at Drano Insist that the Glacier was furnished a misleading report of the drowning there last week. It was stated that the steamer Regulalor assisted the tug Pearl in going to the rescue, but the Glacier is informed that the captain of the Regulator brut-:: lly refused to do anything of the sort. If this is true it is indeed a serious matter.
