### New Railroad Time Schedule.

The time card of the O. R. & N. will undergo a decided change this month. It is the intention to shorten the time between Portland and Ogden. The probable schedule for Portland is given out as follows:

No. 2, east bound, leave Portland at 8:45 a. m. instead of 9:20.  
No. 6, east bound, leave Portland at 7:45 p. m. instead of 8:15.  
No. 1, arrive at Portland at 6 p. m. instead of 4:30.  
No. 5 arrive at Portland at 9:30 a. m. instead of 10:30.  
This will bring the east bound trains to Hood River a half hour earlier than the present schedule. The morning train, No. 5, will be an hour earlier, while No. 1 will arrive about 3:30 instead of 2:05. The best feature will be the earlier arrival of the Portland morning paper.

And now comes Chris Nickelsen with the biggest potato story yet. He says he and Joe Pursler dug potatoes one year for G. W. Backus, on the place adjoining town now owned by F. H. Butten. Chris was a boy at that time and picked up the potatoes after Joe Pursler, who was the champion potato digger of that period in the history of Hood River. He says, and cites Judge Prather, who weighed the spuds, as proof, that they dug from one hill two potatoes, one of which weighed 9 1/4 pounds and the other 8 3/4. Out of two hills they filled a bushel basket.

### From South Africa.

Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a suitable cure for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by all druggists.

# DAVENPORT BROTHERS

HAVE

## \$60,000 Worth of Land for Sale Cheap, or Trade

### Also, HORSES, CATTE, WAGONS, MILLS AND WATER.

The Valley Improvement company have contracted for about all the water they can furnish without enlarging the flume. In order to enlarge the flume the Davenport Bros. have decided to sell land to the amount of \$60,000. This will be a bargain in lands, and will hold good for 30 days and then will be taken off the market. So you will "have to hurry" if you want some of it.

This sale will include the Barrett Ranch, the best farm in Hood River valley. Four thousand fruit trees; free water for a part of it; contains 180 acres; worth \$20,000, but will sell in a lump for \$16,000 cash. Or we will sell in 5, 10, 15 and 20 acre lots to suit the purchaser. This is a fine bargain at only.....\$16,000

Also, the famous ranch known as the old E. L. Smith place, near the Frankton school house. This place contains 150 acres, with several fine cold springs on the place, and nearly enough water to irrigate the entire land. Only 2 1/2 miles from town, with the Frankton school on the place, one of the best schools in the valley. This place will be sold in small lots and will all be gone inside of ten days, for.....\$15,000

Next comes the old Van Johnson place, and this will be included in this bargain sale. Worth \$4,000, but for the cash it will go for 3,000. This place contains 40 acres, 25 in clover and timothy, 500 bearing apple trees, house and barn, nice wood shed, cold spring at the door, good cellar, small hay barn, all the water

needed for the place from a private ditch from Ditch creek. You can not afford to miss this at.....\$3,000

Also, ten acres from the southeast corner of the old Sipma place, all cleared and seeded to clover and timothy. Plenty of water for irrigating the entire place, free. Well worth the price.....\$2,000

Another 160 acres on Bald mountain, for.....2,000

Twelve hundred acres 4 miles from town, worth ten dollars per acre. We will sell for.....8,000

3,300 acres up around Parker Town. This land will be sold off in 80 and 160 acre lots for about five dollars per acre, or the whole tract for about.....\$15,000

M. M. Davenport has 13 acres for sale cheap. He will also sell his house and lot, with 8 acres, cheap.

We are not offering this land cheap because we are hard up, but to help out the Valley Improvement Co. The deeds to this land are in the name of the Davenport Bros., hence there will be no commission. All the lands selected by them for choice hay lands, as well as apples and strawberry, all having free water more or less. These places

are the oldest places taken in Hood River, and are also the best, as all of them have good cold springs on them.

We also have eight or ten large teams that we will sell in the next thirty days, including harness and wagons. Eighty head of cattle in good condition; two complete saw mills.

Do not think because we are offering to sell that we are going out of business, for none of this property is included in our lumber business. The Davenport Bros. Lumber Co. is incorporated for \$50,000, fully paid up. Their large mill is now cutting 40,000 feet per day, and included in this, besides their mill, is the water flume, timber, planing mill, lumber, etc. We are sure that this property will be sold inside of 30 days to men living right here in the valley, as the men know the bargains there are in it, and we are also sure they will not let the outside take up these snaps.

Call on Frank Davendort, in the old bank building, and look over the plat of the above lands.
