NAME TICKET FOR CITY ELECTION.

The first gun has been rammed for the city election on December 8. At a caucus in the opera house, Tuesday night, a ticket styled the Citizens and Taxpayers was named, as follows: For Councilmen—Charles T. Early, D. McDonald, Elmer Rand, H. H. Bailey.

For Treasurer—Truman Butler. For Recorder—John R. Nickelsen. John Leland Henderson presided as chairman and Ed Williams was secretary. By actual count, 49 people were present, while the highest number of votes cast was 31. The meeting was very quiet, so quiet one man thought he was at a hen party. Notification of the meeting was given by circulars distributed about town an hour or so before the caucus convened. No one was mentioned for councilman except those selected. The office of treasurer went begging, until some one suggested Mr. Butler. There was no big rush for the nomination for recorder.

Ben Har Engagement, Portland, Or. For the above occasion, O. R. & N. Co. will sell round trip tickets for \$2.55. Selling dates, December 2 and 5. Good returning up to and including the 6th. E. W. QUARLES, Agent O. R. & N.

From South Africa. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a suitable cure for old and young, I

open you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by all druggists.

A. B. Billings was down from Mount Hood, last Friday, bringing with him a beef—a four-year-old heifer—which dressed 650 pounds. Mr. Billings says there's little money in selling dressed beef at five and six cents a pound, and he has no idea of going extensively into the stock business in this country. Billings doesn't regard the present snow storm as anything unusual. The other day he was talking to Dave Cooper, who located here so long ago that Mount Hood was then but a hole in the ground. Dave remarked that winter began uncommon early this year. "No, no," said Billings, "you can't expect anything else at this time of year." "Hoot mon, what's this country coming to?" was the old-timer's reply. Mr. Billings reported the snow no deeper at his place than in Hood River. He made the trip by wagon.

J. W. North and wife of Forest Grove spent last week with the family of W. T. Hansberry. Mr. North is an old soldier, having served in the same company and regiment with Mr. Hansberry—Company H, 32d Iowa. These two old comrades met at the Forest Grove encampment of the G. A. R. two years ago, when they had not met before since 1865. They take great pleasure in talking each other. John North could tell some pretty good stories about Hansberry, and Till could tell equally as good ones on John. Mr. North said he would be sure to come to the encampment next year.

G. J. Geessling came near losing a \$25 horse last week. The animal pushed over a barbed wire fence in an effort to get at some clover. In stepping back a fore foot caught in the wire, and, dumb-brute-like, the horse began sawing back and forth, cutting the second deeper at every movement. An artery was severed and the foot bled profusely. Mr. Geessling, who happened to be in the house, rushed out and by bandaging the wound right away saved his horse. The animal was weak from loss of blood, but is getting along nicely now.

Mrs. C. E. Copple rushed into the Glacier office Tuesday morning with strict orders to discontinue the little 25c ad calling for some one to work on a fruit farm. "We just haven't got time to answer all the letters which keep pouring in every day," the foreman "killed" the ad. A Mr. Williams, recently from Nebraska, will move onto Mr. Copple's place. Claude has 60 acres on the East Side, 18 of which are cleared, and the coming spring he will set 14 acres in apple trees.

Mrs. Louise Goddard is in Hood River to spend Thanksgiving at home. Mrs. Goddard has a large class of music pupils in Portland, and says she is getting along very nicely. She will, of course, return next spring to spend the summer at her country home. Mr. Goddard is expected home from New York then.

Barnes, the real estate man, sold on Monday, the Goss place on Belmont road to Horace C. Deitz of Prosser, Wash. H. C. Deitz is a son of Fred Deitz, who recently located here, and who is well and favorably known to Hood River people. The Glacier is glad to welcome his son to Hood River. Mr. Deitz is to move here with his family at once.

Mr. Tenold is adding another residence to the many new houses on the hill. He is building on his lot just north of O. C. Dean. Mr. Tenold came here last summer from Minnesota, and has concluded Oregon is a pretty good country to live in.

Milton L. Bingham of Dukes valley was in town Monday. Mr. Bingham says A. J. Kaasel and family expect to leave this week for the logging camp of the Mount Hood Lumber company, where they will spend the winter.

W. H. Root left Tuesday noon for Morrow county, where he will put in his time improving his claim.

Mrs. W. D. Rogers left for Salem, Wednesday, to eat Thanksgiving turkey with her mother. Mrs. Louise Goddard brought our devil a copy of the Unit, the official organ of the Unitarian church.

WANTED—TRUSTWORTHY LADY OR gentleman to manage business in this county and adjoining territory for home of sale of real estate. \$20 straight cash salary and expenses paid each Monday direct from headquarters. Expense money advanced; position permanent. Address Manager, 605 Madison building, Chicago.

gan of a new cult in Portland. The mechanical work of this magazine is being done by T. G. Robinson, one of the best all-around printers on the coast, and an old-time friend of our devil, to whom the magazine coming from Mr. Robinson's hands is like receiving a letter from home with money in it. The neat and tasty appearance of the publication is characteristic of all the work Mr. Robinson turns out.

Mr. and Mrs. W. E. Sherman of Salem are visiting Mr. and Mrs. F. P. Friday. Mrs. Sherman and Mrs. Friday are sisters. Mr. Sherman owns considerable real estate in Hood River, and expects to locate here some day. He is now in the shoe business at Salem. Some months ago he underwent a severe attack of typhoid fever, and for a time his life was despaired of.

DAVENPORT BROTHERS HAVE

\$60,000 Worth of Land for sale Cheap, for Cash or Trade. Also, Horses, Cattle, Wagons, Mills and Water

The Valley Improvement company have contracted for about all the water they can furnish without enlarging the flume. In order to enlarge the flume the Davenport Bros. have decided to sell land to the amount of \$60,000. This will be a bargain in lands, and will hold good for 30 days and then will be taken off the market. So you will "have to hurry" if you want some of it.

This sale will include the Barrett Ranch, the best farm in Hood River valley. Four thousand fruit trees; free water for a part of it; contains 180 acres; worth \$20,000, but will sell in a lump for \$16,000 cash. Or we will sell in 5, 10, 15 and 20 acre lots to suit the purchaser. This is a fine bargain at only \$16,000. Also, the famous ranch known as the old E. L. Smith place, near the Frankton school house. This place contains 150 acres, with several fine cold springs on the place, and nearly enough water to irrigate the entire land. Only 2 1/4 miles from town, with the Frankton school on the place, one of the best schools in the valley. This place will be sold in small lots and will all be gone inside of ten days, for \$15,000. Next comes the old Van Johnson place, and this will be included in this bargain sale. Worth \$4,000, but for the cash it will go for 3,000. This place contains 40 acres, 25 in clover and timothy, 500 bearing apple trees, house and barn, nice wood shed, cold spring at the door, good cellar, small hay barn, all the water

needed for the place from a private ditch from Ditch creek. You can not afford to miss this at \$3,000. Also, ten acres from the southeast corner of the old Sipma place, all cleared and seeded to clover and timothy. Plenty of water for irrigating the entire place, free. Well worth the price \$2,000. Another 160 acres on Bald mountain, for \$2,000. Twelve hundred acres 4 miles from town, worth ten dollars per acre. We will sell for \$8,000. 3,300 acres up around Parker Town. This land will be sold off in 80 and 160 acre lots for about five dollars per acre, or the whole tract for about \$15,000. M. M. Davenport has 13 acres for sale cheap. He will also sell his house and lot, with 8 acres, cheap. We are not offering this land cheap because we are hard up, but to help out the Valley Improvement Co. The deeds to this land are in the name of the Davenport Bros., hence there will be no commission. All the lands selected by them for choice hay lands, as well as apples and strawberries, all having free water more or less. These places

are the oldest places taken in Hood River, and are also the best, as all of them have good cold springs on them. We also have eight or ten large teams that we will sell in the next thirty days, including harness and wagons. Eighty head of cattle in good condition; two complete saw mills. Do not think because we are offering to sell that we are going out of business, for none of this property is included in our lumber business. The Davenport Bros. Lumber Co. is incorporated for \$50,000, fully paid up. Their large mill is now cutting 40,000 feet per day, and included in this, besides their mill, is the water flume, timber, planing mill, lumber, etc. We are sure that this property will be sold inside of 30 days to men living right here in the valley, as the men know the bargains there are in it, and we are also sure they will not let the outside take up these snaps. Call on Frank Davenport, in the old bank building, and look over the plat of the above lands.
