

C. H. TEMPLE,

THE JEWELER,

Has moved into Williams' Drug Store, where he has on display the finest line of Watches, Diamond Rings, Gold Rings, Cut Glassware, etc., ever shown in Hood River, and at right prices.

Just the Place, and now is the time to make your purchases for the Holidays. No better collection of goods on the coast.

All work neatly and correctly done, especially fine Watch Repairing and adjusting. Reasonable prices.

Do your Eyes Trouble You?

I wish to state to the general public that I am prepared to test your eyes and fit you with glasses that will overcome all afflictions of near-sightedness and weak eyes that the best oculist can help. Try the glasses I sell. I have given this subject very close study and can tell you by examination just what kind of glasses your eyes require. Eyes tested free and all glasses sold with a guarantee to fit your eyes with especially ground glasses. If your eyes trouble you in any way, or if you are suffering from any of the following ailments, or if you are doing fine work requiring close and steady observation, come in and let me examine your eyes by means of the perfected American Optical Tester and secure relief and comfort by the use of properly-fitted glasses.

Married.

GEORGE WILLIAM GRAHAM—MARIETTA. George William Graham of Hood River, and Mrs. Lillian Manciet of Portland, were married at Portland Monday evening November 30, 1903. Mr. and Mrs. Graham left the next day for a short stay at Seaside. The wedding was given in the home of Mrs. Mary Booth yesterday at 10:30 her daughter, Miss Caroline, was united in marriage with George H. Culbertson, officiating. The bride is well known at both Hood River and The Dalles, where she formerly lived, as a most estimable young lady, while the groom is well known among Hood River's most painstaking and successful business men. The many friends of the newly wedded pair unite in wishing them abundant joy, peace and prosperity. Those present at the wedding were: Mr. and Mrs. W. H. Sharp and family, Miss Mabel Mack, the Misses Thompson from The Dalles, Miss Anna Fulton from Wasco and T. C. Dallas. In the afternoon, Mr. and Mrs. Culbertson left for Portland on a short wedding trip.

Funerals.

WEDNESDAY. A very pretty wedding was solemnized at The First on Wednesday evening, November 25, 1903, when R. N. Young and Miss Blanche V. Congdon were united in bonds of matrimony. Rev. J. L. Hershner officiating. To the strains of Mendelssohn's wedding march, escorted by Mrs. Dumble, the wedding party marched into the richly decorated parlor, where the bride and groom were united as husband and wife. The groomsmen were Dr. R. R. Rand and M. Hess. The bridesmaids were Miss Lizzie Roberts and Mrs. David M. Hess. The bride wore a beautiful gown of Crepe De Chine. After the ceremony a dainty luncheon was served and the happy bridal party left on the 10:45 train for their home. To be absent about one week. The bride, who is well known to Hood River's social circle, came from Washington, D. C., nearly a year ago. The groom is well known in Hood River, and is junior member of the Traveler and Livery company. Those present were Dr. and Mrs. H. L. Dumble, Mr. and Mrs. A. J. Graham, Mr. and Mrs. G. E. Williams, Mrs. S. Langille, Mrs. Jas. Graham, Mr. and Mrs. L. E. Morse, Mrs. Margaret Ross, Miss Lizzie Roberts, Mr. and Mrs. David M. Hess of Washington, D. C.

Funerals.

THURSDAY. A quiet wedding took place at Belmont, Hood River valley, November 25, 1903. Miss May Beaman, eldest daughter of Mr. and Mrs. Alfred Beaman, was married, at the home of her parents, to W. E. Hanley of Washington county, Or. Rev. Dillingier, pastor of the Belmont M. E. church, officiated. Invitations were limited to relatives of the bride. Mr. Hanley is a graduate of the Oregon state agricultural college, and it was at this institution where the young couple became acquainted. Mr. Hanley is now a prosperous farmer in Washington county, where he had a furnished house to receive his bride. The bride grew to womanhood in Hood River valley. She is an accomplished young woman and an acknowledged belle in society.

Compliments for Hood River Bride. The Dalles Chronicle. Wednesday we referred to the wedding of a former Dalles girl which was to take place at Hood River Thanksgiving day, and at the home of Mrs. Mary Booth yesterday at 10:30 her daughter, Miss Caroline, was united in marriage with George H. Culbertson, officiating. The bride is well known at both Hood River and The Dalles, where she formerly lived, as a most estimable young lady, while the groom is well known among Hood River's most painstaking and successful business men. The many friends of the newly wedded pair unite in wishing them abundant joy, peace and prosperity. Those present at the wedding were: Mr. and Mrs. W. H. Sharp and family, Miss Mabel Mack, the Misses Thompson from The Dalles, Miss Anna Fulton from Wasco and T. C. Dallas. In the afternoon, Mr. and Mrs. Culbertson left for Portland on a short wedding trip.

Odell Notes. Everett Lafferty, who has been absent in Eastern Oregon since last spring, has returned to spend the winter here with his people. Rev. A. A. Beery, pastor of the Valley church has been holding services at the Union church for three evenings, closing Tuesday evening. The Odell school made the following donation to the Oregon state college: Four sacks of potatoes, four boxes of apples and one case of canned fruit, also \$1.25 in cash. This is a good showing, but people always respond to a worthy cause. Superintendent C. J. Gilbert had this matter in charge and we presume all the schools of the county contributed. Mr. McDuffy of Portland, an old time friend of ours was here last week looking over the country. He is now on a homestead near Mount Hood post office. Mr. McDuffy has a family that is cultured and refined and all such find a hearty welcome. Neither the roads nor the weather get too rough for strangers to have a look at Hood River valley. Yesterday there were two parties here, one of them for the second time, looking for a location. It is now hog killing time, but in the absence of the hog the neighbors are killing beef and corning it for winter use. Feed is high, and the price of beef is cheap. From the amount of bacon used here, it does seem that hogs would prove profitable. Mrs. Booth is now in Portland, visiting her daughter Nettie Kemp and other friends. She will return about the first of December. D. I. Davidson of Willow Flat will leave soon for the winter. He will either go to Portland or Seattle. Turkey comes high this time but most people will reach the famous bird tomorrow. These Thanksgiving days are always welcome. The friends of the school are thankful for here in Hood River valley. It is a day of retrospection; a day when smiles take the place of frowns. A day when the world seems kind instead of cruel. This alone is worth the price of the turkey. Glacier Clubbing Rates. When renewing your subscription to the Glacier it might be well to remember that we give clubbing rates to some excellent Eastern papers. The Inter Ocean, that sterling republican paper, and all-around newspaper, can be secured for 40 cents when clubbing with the Glacier. The Inter Ocean has a page of up-to-date farm and horticultural news. The Twice-a-Week Republic, a democratic paper, can be had for 50 cents added to the price of the Glacier. The Republic is a great newspaper, and are the Inter Ocean in news columns as reliable and important, without regard to politics. One issue of the week of the Republic gives a supplement devoted to farm and horticultural news that is well worth the price of the paper. The Toledo Blade, a thoroughly republican paper, but a weekly made up for the family more than for the politician, can be had through the Glacier for 50 cents a year. But for a home agricultural journal—a journal made up expressly for the farmer and fruit grower of Oregon and Washington—the Rural Northwest stands at the head and should have the largest circulation of any farm paper on the Pacific coast. H. H. M. Williamson, the editor and proprietor, is a conscientious student of the work of the farm and orchard. He has made it a life study, and no more reliable farm journal than the Rural Northwest is published anywhere. The paper is published twice a month, and in clubbing rates can be furnished by the Glacier at 25 cents a year. Unitarian Bazaar. The Unitarian bazaar will be held December 11 and 12 in the K. of P. theater, where one may purchase everything desirable for Xmas. There will be displayed beautiful fine work, dolls, ruffs, bags and belts, Indian baskets, fresh fruits, candies, home-made pop-corn balls, canned and preserved fruits, etc. One of the unique features of the bazaar will be a country store, where Uncle Sam and his swag yards while he ties up your goods. Friday evening you will be entertained by a bugle band concert, and Saturday afternoon evening the coons will hold sway. Don't miss this opportunity when you can buy them at best-kept prices at the Unitarian bazaar, December 11 and 12. Fight Will be Bitter. Those who will persist in closing their

Chenoweth News Notes. (Continued From Page 6.) all winter. If they would have another school, or two, and merge it with the spring term, it would make an eight or nine month's term. Our literary society meets every Tuesday evening for a debate. Our question tonight is: "Resolved, That Women Should Have the Right to Vote." We are anticipating a lively time. Every one, who so desires, is welcome to come and take part. Underwood School Notes. Thanksgiving day is past, and everybody seems to survive, even though a good many complained of eating too much turkey or mince pie. Christmas is the next thing on the list. The pupils are arranging for a small Christmas tree and programme to be held on the afternoon before the holiday vacation, which will begin just a week before Christmas. It is a trifle early for Santa Claus to come, but so much longer time for the little folk to enjoy their fun. Mrs. A. J. Haynes has been confined to her bed for several days, on account of illness. Mr. Knapp took the Spencer for Portland, Monday morning. Professor C. H. Cromwell spent Thanksgiving at his ranch. While there he visited school on Friday afternoon. Miss M. Rude went to Portland last Friday to visit her niece, Mrs. A. Friedrich. Messrs Dubois and Kealey moved onto their ranch, known as the Wendover ranch, this Monday morning. Mrs. Mike Thornton and children, of Thornhillville, returned from The Dalles Monday. Master Corbett Underwood missed school Monday, on account of sickness. Miss Lizzie Kellendonk entered school Monday. Pine Grove Gleanings. Fred Hennagin of Sherman county has come back to Hood River valley to spend the winter. A singing class with 50 members has been organized and will meet twice a week in the school house. U. A. Newman is instructor. Miss Mabel Riddell spent Thanksgiving with her parents at The Dalles. The mail carrier, Mr. Bailey, on route No. 1 has given the best of service since he took the route. He is always on time regardless of the muddy roads. He now stops to feed his team, making a little difference in time. C. F. Stauffer is talking of going up on his homestead, to do some work this winter. L. E. Clark has just finished a large apple house. Mr. Shonquest has returned home from Nebraska. He has a force of men at work clearing his land. Mr. Johnson has purchased six acres of land of W. V. Johnson, adjoining E. E. Harbison's place, and is at work clearing the same. He will build on the place in the spring. More help is needed in this vicinity, as every one having a piece of timber land is anxious to get it cleared this winter. Happenings at Stevenson. Stevenson Pioneer. At a recent meeting of the Skamania county co-operative telephone association the capital stock was increased \$1,000 by unanimous vote. The proceeds from this, with \$300 in the treasury, and \$200 due the association, will equip it to rush construction work on the 11-mile gap to Castle Rock. J. W. Stevenson, Skamania county's oldest living pioneer was in town this week attending the telephone meeting. He is a stockholder and takes a lively interest in the association's welfare. Speaking of the weather he said the pre-

ent season reminded him of the winter of 1862. The ice was piled up below the rapids to a depth of 15 feet. In one place the ice had cracked all the way across the river about three feet wide, which filled with snow making an excellent path. Mr. Stevenson crossed in this path, using a pole about 20 feet long for a safeguard. At one point he pushed the pole clear down without striking the water. The officials of the Regulator line are still scouring the country making commendable efforts to regain their lost prestige, and incidentally to bust up the Spencer. If it was not for this latter fact they would deserve a certain amount of pity. But their intention is all too plain, and amount to this: Should they succeed in their attempt to drive off the Spencer, they would resume their old tactics of "charging all the traffic would bear," and be as offensive and independent as ever. But they mistake their metal. Because the Willamette valley farmers don't know better than to return to a boat monopoly when the temporary glamour of a cheaper fare is flashed in their eyes, is no indication that the Skamanians act in the same manner. The residence of Mr. and Mrs. J. A. Donthit was consumed by fire with all its contents Monday morning. Mrs. Donthit was preparing to wash and had a good fire burning in the stove, and was out talking to a neighbor when the latter saw smoke issuing from the eaves. Both women then ran into the house. The baby, two years old, was found screaming and the room full of smoke and flames. The mother only had opportunity to save her child. A real tangible gold mine that produces gold in big quantities from the start has at last been found in Skamania county. Two claims were filed for record by the British-American Exploration company, called the Strain and Walter mines, which are located in section 21, township 3 north, range 6 east, on Boyer creek. Odell Notes. Everett Lafferty, who has been absent in Eastern Oregon since last spring, has returned to spend the winter here with his people. Rev. A. A. Beery, pastor of the Valley church has been holding services at the Union church for three evenings, closing Tuesday evening. Odell Notes. Everett Lafferty, who has been absent in Eastern Oregon since last spring, has returned to spend the winter here with his people. Rev. A. A. Beery, pastor of the Valley church has been holding services at the Union church for three evenings, closing Tuesday evening. The Odell school made the following donation to the Oregon state college: Four sacks of potatoes, four boxes of apples and one case of canned fruit, also \$1.25 in cash. This is a good showing, but people always respond to a worthy cause. Superintendent C. J. Gilbert had this matter in charge and we presume all the schools of the county contributed. Mr. McDuffy of Portland, an old time friend of ours was here last week looking over the country. He is now on a homestead near Mount Hood post office. Mr. McDuffy has a family that is cultured and refined and all such find a hearty welcome. Neither the roads nor the weather get too rough for strangers to have a look at Hood River valley. Yesterday there were two parties here, one of them for the second time, looking for a location. It is now hog killing time, but in the absence of the hog the neighbors are killing beef and corning it for winter use. Feed is high, and the price of beef is cheap. From the amount of bacon used here, it does seem that hogs would prove profitable. Mrs. Booth is now in Portland, visiting her daughter Nettie Kemp and other friends. She will return about the first of December. D. I. Davidson of Willow Flat will leave soon for the winter. He will either go to Portland or Seattle. Turkey comes high this time but most people will reach the famous bird tomorrow. These Thanksgiving days are always welcome. The friends of the school are thankful for here in Hood River valley. It is a day of retrospection; a day when smiles take the place of frowns. A day when the world seems kind instead of cruel. This alone is worth the price of the turkey. Glacier Clubbing Rates. When renewing your subscription to the Glacier it might be well to remember that we give clubbing rates to some excellent Eastern papers. The Inter Ocean, that sterling republican paper, and all-around newspaper, can be secured for 40 cents when clubbing with the Glacier. The Inter Ocean has a page of up-to-date farm and horticultural news. The Twice-a-Week Republic, a democratic paper, can be had for 50 cents added to the price of the Glacier. The Republic is a great newspaper, and are the Inter Ocean in news columns as reliable and important, without regard to politics. One issue of the week of the Republic gives a supplement devoted to farm and horticultural news that is well worth the price of the paper. The Toledo Blade, a thoroughly republican paper, but a weekly made up for the family more than for the politician, can be had through the Glacier for 50 cents a year. But for a home agricultural journal—a journal made up expressly for the farmer and fruit grower of Oregon and Washington—the Rural Northwest stands at the head and should have the largest circulation of any farm paper on the Pacific coast. H. H. M. Williamson, the editor and proprietor, is a conscientious student of the work of the farm and orchard. He has made it a life study, and no more reliable farm journal than the Rural Northwest is published anywhere. The paper is published twice a month, and in clubbing rates can be furnished by the Glacier at 25 cents a year. Unitarian Bazaar. The Unitarian bazaar will be held December 11 and 12 in the K. of P. theater, where one may purchase everything desirable for Xmas. There will be displayed beautiful fine work, dolls, ruffs, bags and belts, Indian baskets, fresh fruits, candies, home-made pop-corn balls, canned and preserved fruits, etc. One of the unique features of the bazaar will be a country store, where Uncle Sam and his swag yards while he ties up your goods. Friday evening you will be entertained by a bugle band concert, and Saturday afternoon evening the coons will hold sway. Don't miss this opportunity when you can buy them at best-kept prices at the Unitarian bazaar, December 11 and 12. Fight Will be Bitter. Those who will persist in closing their

ent season reminded him of the winter of 1862. The ice was piled up below the rapids to a depth of 15 feet. In one place the ice had cracked all the way across the river about three feet wide, which filled with snow making an excellent path. Mr. Stevenson crossed in this path, using a pole about 20 feet long for a safeguard. At one point he pushed the pole clear down without striking the water. The officials of the Regulator line are still scouring the country making commendable efforts to regain their lost prestige, and incidentally to bust up the Spencer. If it was not for this latter fact they would deserve a certain amount of pity. But their intention is all too plain, and amount to this: Should they succeed in their attempt to drive off the Spencer, they would resume their old tactics of "charging all the traffic would bear," and be as offensive and independent as ever. But they mistake their metal. Because the Willamette valley farmers don't know better than to return to a boat monopoly when the temporary glamour of a cheaper fare is flashed in their eyes, is no indication that the Skamanians act in the same manner. The residence of Mr. and Mrs. J. A. Donthit was consumed by fire with all its contents Monday morning. Mrs. Donthit was preparing to wash and had a good fire burning in the stove, and was out talking to a neighbor when the latter saw smoke issuing from the eaves. Both women then ran into the house. The baby, two years old, was found screaming and the room full of smoke and flames. The mother only had opportunity to save her child. A real tangible gold mine that produces gold in big quantities from the start has at last been found in Skamania county. Two claims were filed for record by the British-American Exploration company, called the Strain and Walter mines, which are located in section 21, township 3 north, range 6 east, on Boyer creek.
