# Hood River Glacier.

### THURSDAY, FEBRUARY 4, 1904.

The Glacier is ever anxious to advocate what is best for Hood River, but over the present ditch problem we are over the present ditch problem we are sorely puzzled. Mr. Chambers, who is ment Co. this summer unless they congrowers that they put up \$30,000 with- meeting of the stockholders Saturday, in the next 30 days under the threatno money, no water. It is a business no money, no water. It is a business more of water for a period of 99 years, proposition with Mr. Chambers, and at the rates stated. he can't be censured for wanting his

River be made to pay for it?

What is to be done? The people can uation, and we know they are disposed to do what is fair and reasonable. The Glacier is of opinion that the law to do what is fair and reasonable. would not uphold this move on the part of the ditch company. A large part of the berry growers are renters. part of the berry growers are renters. Mr. Chambers has arranged to loan They have been planting and caring them the money at 6 per cent, with the land for security. He expressed his confidence in being able to sell the for irrigation would be fortheoming same as usual at the proper time Many others have their lands mort-

hoping to harvest sufficient crops to help pay off the mortgages. If the land owners who can afford to pur-chase perpetual rights are supplied with water, no others who are willing of 1904.

would be for the patrons of the Valley Improvement Co. to ask the circuit court to appoint a receiver for the company. Under the management of the receiver repairs could be made to the Davenport and Mr. Chamters on an ditch, and when the water rents fall inspection tour of the main flume and due, July 1, the first money could be ditch, from the bridge over Hood river to a mile and a half below the old Van Johnson place. But below the old Van applied to paying on the indectedness Johnson place. Rough estimetes were incurred in repairing the ditch. It taken on the repair work that must be is up to the farmers to decide if they done, including a new bridge over the rill accords to the company's demands, river, and it may be safely said that will accede to the company's demands, giving them 30 days in which to raise \$4,000 or \$5,000 judicially expended will giving them 30 days in which to raise \$30,000 at a time of year when many of carrying 1,200 inches of water for the them would find it hard to put up 30 cents.

Bills have been introduced in congress granting the Oregon Historical society to be replaced on the flume below John title to that property in The Dalles on which are located several buildings in fume to 7½ feet. When replaced, this varied stages of preservation which in will likely be done. former years constituted Fort Dalles. The Glacier has often wondered why and hopes that when the Historical so-ciety secures the property the Oregon legislature will see fit to supply suffic-Frank C Loomis 1 ient funds to properly preserve this old PA Snyder fort. The buildings must have been FL Chambers. erected during the early 50's. The lum-G E Williams. erected during the early 50's. The fulls ber, it is said, was shipped from the East by way of Cape Horn.
