town. Mr. Davidson showed a Glacier man about the factory and buildings Satur-day. A new wrinkle in the manufac-ture of hallocks which appeared to be a good thing to the flewspaper man was the fact that the crates are now boiled and steamed before being sewed up. This toughens the wood fibers and reduces to

The sales in this department last year anounted to \$4,000 or \$5,000.
When asked concerning the ontlook for a strawberry market this year, Mr. Davidson appeared very sanguine, and assured the Glacier man that there would be a greater demand than ever for Hood River frait. Larger orders than ever are already coming in. Mr. Davidson expects a 50 per cent increase in the output this year. The plants he asys are in splendid condition.
