Suver Warehouse Burned.

Independence-The McClain warehouse at Suver, a few miles south of inishing in Umatilla and here, has been destroyed by fire. The building and all of the contents were burned. About 12,000 bushels of wheat and 1,500 bushels of oats were lost. With the exception of about 500 bushels of oats, owned by Mr. McClain, it is thought the loss will be small on the grain, as it was insured. The loss to farmers will be slight, as 60 bushels, will comprise the loss.
