Resolutions of Socialist Party.
Following are the resolutions adopted by the Wasco county socialists:
The socialists of Wasco county, Oregon, in mass convention assembled, endorse the state and national socialist platform, declare our allegiance to international socialism and endorse our campaign labors with the following preamble, to wit:
Whereas, At the last state election we were not represented by a county ticket, and whereas, the county is still unorganized, we recognize the possibilities resulting from an educational campaign, wherein the system of rent, interest and profit which tends to the poverty of the industrious many and the enrichment of the idle few, is to be overthrown.
Be it known that we antagonize this system of inordinate greed, which knows no bounds nor can be appeased, and are not opposing party candidates as individuals. We would supplant this system of production for profit with one of production for use, in the co-operative brotherhood of mankind; wherein the

abundance of our products may be enjoyed by those whose efforts have been exercised in the creation thereof and contend that no good thing should be withheld from the people merely that an unmeasured and unearned profit may be hoarded by the favored few.
We pledge our candidates to the honest support of a social revolution by means of the ballot, declaring there are no issues existing between the old party candidates, who play for the ins and outs or the spoils of office and whose basic principle is not for a change in the present trust ridden system. We recommend the "Real Issue" published at Grant's Pass, Or., a thoroughly socialist paper, as the most efficient means of building up the state organization and crystallization of the socialist sentiment already created; encouraging subscriptions from every socialist. Therefore be it

Resolved, That we nominate to the various offices such available men as are willing to be pledged to advance our party interest and aid in the establishment of just, humane relations, to which all civilization is tending, and whose act will be lauded as heroic by the coming generation. We invite you to vote for a principle.

To put Hoyt's Patent Tree Supports on your fruit trees. The cut shows how they work. Don't wait until the trees are broken down or bent out of shape with heavy loads of fruit. Put them on now and save the trees. They are permanent and stay for years with a little adjustment of the wires. When you use these supports you have no props in the way of cultivators, and they are always there.

Robbed the Grave.
A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave."

Best Cough Medicine for Children.
When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that not only relieves but cures. You want one that is unquestionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. For sale by all druggists.
Saturday was a red letter day at the Glacier office. The senior editor was at the hub of Wasco county attending the democratic county convention; the junior editor was in attendance at an alumni banquet of the State University, held in the Hotel Portland, in the hub of the Pacific Northwest, and this left the devil alone in his glory, monarch of all he surveyed, in Hood River, the hub of the universe. And the same day it rained.
"I have used Chamberlain's Stomach and Liver Tablets with most satisfactory results," says Mrs. F. L. Phelps, Houston, Texas. For indigestion, biliousness and constipation these tablets are most excellent. Sold by all druggists. Royal Tailor suits at Knapp's.
