anomber of meetings at Russellville, and anomber of meetings at Russeliville, and have effected an organizatio undep the name of the Portland Fruit Growers' As-sociation. At the meeting held May 7, articles of association and held for were adopted. The object of the a sociation is stated by these articles to be the regu-lation of the price of small fruits in the interset of the numbers interest of the members. As an incident to this discussion the fact was brought out that a full "crop from vine" at their best on first class from vine- at their best on first class land for the different varieties may be estimated about as follows: Magoons, 8,000 pounds per acre; Wilsons, 4,000 pounds per acre, and Clark's seedling, 2,500 pounds per acre. These are not the biggest yields known, but are con-siderably above the average. Two or three growers said Magoons would yield at least four times as much rest acre acre three growers said Magoons would yield at least four times as much per acre as Clark's seedling. It should be under-stood that these yields apply to the class of soils prevailing about. Portsand. On sandy soils which are irregated, larger yields of Clark's seedlings are secured than on the clayey soils which prevail about Portlad.

about Portlad. The officers of the association are as follows: President, H. J. Mickleson; vice-president, James January; secre-tary, Edward Gill; treasuer, W. E. Lewis. —Rural North West.

Big Deal in Apple Land.

One of the largest deals in Hood River Valley and that has been made in some time has been completed, whereby the Hood River Fruit Com-pany, capitalized at \$75,000, has pur-chased 168 acres of orchard and apple land. The deal is the outcome of Inland. The deal is the outcome of in-vestigations that have been made qui-etly during the past six months by Burt Van Horn, a wealty and success-ful apple grower from New York state. Mr. Van Horn has an orchard of 400 acres near Buffalo, N. Y., consisting of apples, peaches and pears. This or-chard has been in the family for 118 years. In 1867 Mr. Van Horn's father, who was a concressman, set cut the
