EVENTS OF THE DAY

GATHERED FROM ALL PARTS OF THE TWO HEMISPHERES.

Comprehensive Review of the Important Happenings of the Past Week, Presented in Condensed Form, Most Likely to Prove Interesting to Our Many Readers.

No trace has been found of the Victor assassin.

General Kuropatkin, with his main force is at Liao Yang.

Chinese say that when the Russians abandoned Taku they poisoned the water sources.

Union men say the Victor explosion was the work of the citizens' alliance and not of the union.

Another outrage has been perpetrated at Tangier in which a British subject was the victim.

If Panama rejects a gold standard, a hitch in the negotiations with the United States is sure to follow.

Colorado militiamen are scouring the hills around Cripple Creek and all union miners found are deported.

Freight handlers of San Francisco have gone on strike. The trouble is likely to spread to all affiliated unions.

The acting governor of Colorado has left it with Adjutant General Bell whether martial law is necessary in Teller county.

Lewis Etzel, an American correspondent for a London paper, has been killed by Chinese bandits, who mistook him for a pirate.

The Port Arthur channel is again open.

Mrs. Samuel Clemens (Mark Twain) is dead.

Russia fears a rising against the czar if Port Arthur falls.

Vice Admiral Togo has been promoted to be admiral.

The Japanese have found Tallywan by completely mined and must delay landing.

Fire near Richmond, Va., destroyed 4,000,000 pounds of tobacco. Loss, \$600,000.

Reports have been sent out that both Japan and Russia have lost ships in a fight at Port Arthur.

Senator Mitchell fails to find anything in reports to warrant the removal of Postmaster Bancroft at Portland.

Two riots in Victor, Colo., following the blowing up of non-union miners, resulted in two miners being killed and a number injured.

Thirteen non-union miners were killed at Victor, Colo., while waiting for a train. Three hundred pounds of dynamite was placed under the depot platform and fired by electricity by unknown persons. Troops have been ordered to the scene.

A Paris report says General Kuropatkin has been captured.

The Colorado military continues to deport striking miners.

Russians are making important movements toward Kai Ping.

Rain has ceased in Kansas and the floods are now expected to recede.

Communication with Port Arthur is maintained by the use of carrier pigeons.

Lieutenant General Zabotkin, commander of a Cossack division, has been killed.

Bandits are becoming bolder in Nin Chwang and residents fear warships will be needed.

An allotment of \$15,000 has been made for dredging the Columbia and Willamette below Portland.

An explosion at the Finole, Cal., powder works killed three men and destroyed \$20,000 worth of property.

An explosion wrecked the great Peroria, Ill., distillery and ten men are burned in the ruins. Fire broke out and the loss is placed at \$1,000,000.

The Kansas flood already covers a large area and many streams are still rising.

The Russian forces above Kinchon realize they can do little and are likely to retreat.

Nine people were killed and many injured in a collision of trains near Martin City, Mo.

Charles S. Deneen has been nominated for governor of Illinois by the Republicans on the 79th ballot.

One-third of New York's street sweepers contract consumption, presumably from germs in the streets.

Senator Burton, of Kansas, has filed an appeal. The senator indicted for bribery thinks the lower court erred.

Russia has no ground for supposing Germany is in a position to help her either diplomatically or materially, as no treaties exist between the two countries.

Crook county, Oregon, towns are booming with the arrival of many would-be settlers who are attracted by the irrigation projects.

The czar and a council of war have decided to advise Kuropatkin to endeavor to relieve Port Arthur.

Russia has dispatched the first of eight submarine boats to Vladivostok by rail.

The Japanese are landing a second army at Takushan.

CANNOT AID PORT.

Kuropatkin Says It is Impossible to Relieve Port Arthur.

Paris, June 9.—A St. Petersburg dispatch quotes a general officer of the Russian army as follows: "Two days ago there was a conference between the Emperor and the chief partisans of General Kuropatkin and Admiral Alexieff. The latter were active in an attempt to influence the czar to send an order to General Kuropatkin to advance at once and relieve Port Arthur. The intention, of course, was to upset the disposition of troops, made by the military commander-in-chief and compel him to give battle, even at the risk of defeat.

"Fortunately the good sense of the emperor prevailed and he contented himself with inquiring of General Kuropatkin if the situation permitted of his advancing to relieve the beleaguered stronghold, saying he wished it could be done, but leaving it to his general to decide. General Kuropatkin replied it was impossible at present to do anything for General Stoessel and his command. Knowing him as I do, I am certain that the commander-in-chief would sooner have resigned than to have executed an order which might have brought disaster upon his troops."

RUSSIANS DESPERATELY BOLD.

Reconnoitering Parties Go to Any Length to Get Information.

Tokio, June 9.—According to the Japanese correspondents with the first army in Manchuria (Kuroki's), the active Russian operations are limited to a series of skirmishes fought by Cossacks and mounted infantry, but which accomplished little else than to occupy the attention of the Japanese outposts. The Russians engaged number hardly more than 600 men, supported by a mountain battery. Their operations extend through the districts of Alyang and Salmat, and their object is to interfere as much as possible with the Japanese provision trains. Their efforts have proven futile, and no damage has been done except the killing of a number of Japanese troopers.

The Russian reconnoitering parties are bold to the point of desperation. They consist chiefly of a young officer and a handful of men who are willing to go to any length to secure information. They will ride boldly with in the Japanese lines, and, if discovered, shoot their way out, endeavoring to do as much damage as possible before being killed or taken prisoners.

BELIEVE FLEETS MET.

Steamers Passing Gulf of Pechili See Flashes at Sea.

Chefoo, June 9.—An impression prevails here that a naval battle took place last night in the Gulf of Pechili. Passengers on steamers passing the Liao Tse Shan promontory at the time did not hear any firing, while reports come from Teng Chou of heavy firing being heard there from 11 o'clock last night until 2 o'clock this morning. Vessels from the Miao Tiao Islands confirm this report and so do the residents of hills in the vicinity of this city who heard the firing and saw flashes out at sea during the night.

The fact that the Russians were endeavoring, June 4, to clear the roadsteads of Port Arthur of mines indicates an intention upon their part to give battle outside the harbor upon the first favorable opportunity.

A Japanese correspondent returning from Tallywan says there is a persistent rumor there that the Japanese battleship Yashima struck a mine off that port recently and was sunk. Chinese arrivals from Tallywan are unable to confirm the story.

Japanese Punishing Bandits.

Chefoo, June 9.—A fleet of junks which has arrived from Dainy for the purpose of buying stores for the Japanese report having heard continuous firing for several days. Japanese warships are making Dainy their headquarters and are coming and going continuously. They take turns guarding the entrance to Port Arthur. The junks report Chinese are no longer allowed to leave Port Arthur, and that the Japanese are punishing the bandits who raided Dainy and Tallywan.

Japan May Have Got It.

Bridgeport, Conn., June 9.—A report reached this city today that the submarine boat Protector had been shipped to Japan from New York, and that four boats modeled after the Protector are now under construction at the works of the Newport News Drydock & Shipbuilding Company. Bridgeport men interested in the construction of these boats decline to give any information as to what has been done with the Protector. Japanese agents have been in this city several times.

Third Pacific Squadron.

St. Petersburg, June 9.—Grand Duke Alexis, commander-in-chief of the navy, according to an apparently reliable report, which, however, is not officially confirmed, has obtained the permission of the emperor to create a third Pacific Squadron from the ships of the Black sea fleet, and permission has already been obtained from Turkey to take the ships through the Dardanelles on the condition that they will not return.

REPUBLICANS WIN

ENTIRE STATE TICKET ELECTED BY A BIG MAJORITY.

Democrats Successful in a Number of Counties on the Legislative and County Tickets—Local Option Will Carry by 2,000—Direct Primary Nominating Law Swept the State.

In the election Monday the returns indicate that the republican state ticket is elected by a plurality of 29,000.

In the Second District practically complete returns have been received by a plurality of 13,000 votes. In the First District Binger Hermann will have more than 7000 votes. Incomplete returns place his plurality slightly under that figure.

Incomplete returns from 25 of 33 counties make it certain that the local option law has carried by a good majority. The 2000 votes in Multnomah county cast against the measure have not been overcome, and the law has 1745 votes to spare. It is believed complete returns will greatly enlarge this majority.

The direct primary nominating law has swept the state by more than 29,000 majority. Little opposition to the measure was manifested at the polls.

One of the surprises of the election was the defeat of B. L. Eddy, of Tillamook, for circuit judge in the Third Judicial district. His democratic opponent, William Gentry, of Yamhill, was elected by a plurality of 100.

The democratic candidates for the legislature have been successful in a few counties. The next Oregon legislature will consist of 72 republicans, one independent republican and 27 democrats. This is a gain of two republicans over the legislature of 1904. Twenty-four republicans will have seats in the senate and six democrats.

For congress, 45 representatives there will be 50 republicans and 10 democrats.

Baker County.

Baker County, June 8.—Thirty-five of the 40 precincts of this county have sent in their returns to the county clerk. The republican state ticket will have a majority of about 1000, and will have a majority for congress, will have a majority approximately 200.

Union County.

Union, June 8.—Complete unofficial returns from all the precincts in Union county, except Camp Calson, which registered but six votes, gives the following:
For Congress—Cook 270, Simmons 1197, Stone 267, Williamson 1894, Supreme Judge—Bright 208, Mikkelson 224, Eugene 1738, O'Day 1233.
Food Commissioner—Bailey 1841, Berry 207, Douglas 854, Rasmussen 168.

Wheeler County.

Fossil, June 8.—Complete returns from this county give the state, congressional and legislative majorities to the republican ticket. The county officers are also evenly divided between democrats and republicans.

Mahar County.

Vale, June 8.—Complete returns in this county signify that the republican state, congressional, legislative and judicial candidates, district judge and attorney, have received large majorities. The entire county ticket has a majority of 200. The republican ticket is especially close with Laughey, the republican nominee, slightly leading.

Morrow County.

Heppner, June 7.—Returns from seven precincts in Morrow county indicate a very large majority for the state ticket, while Williamson, Republican for congress, running ahead of his colleagues.

Klamath County.

Klamath, June 7.—Incomplete returns give Hermann and Moore good majorities. Benson and Hanna, for circuit judge, and Laycock, for senator, are sure of election. Moore, Dem., will probably have a majority for district attorney. For joint representative, Steiner, Rep., and Griffith, Dem., will receive majorities.

Columbia County.

St. Helena, June 7.—Returns indicate that Maxger, republican, is undoubtedly elected representative. The county judge and county clerk are in danger, but it is thought the republicans will pull through. The congressional and district tickets are overwhelmingly republican.

Sherman County.

Moro, June 7.—All indications point to the election of the entire republican ticket by a plurality of 300 votes. It is estimated that Williamson for representative has carried the county by 250.

Crook County.

Prineville, June 7.—The entire republican state ticket has a plurality in Crook county, ranging from 150 to 300. The vote on the county ticket is about equal and divided. On the local option law a light vote was polled, and the measure will be defeated by 150 in this county. The direct primary law will have a majority of 200.

Douglas County.

Roseburg, June 7.—In four Roseburg precincts 1133 votes were cast, against 1000 two years ago. Hermann carries the county by over 400, and Judge Hamilton, democratic, by 500. The republican state ticket is elected by over 500.

Local option and direct primaries are defeated 2 to 1. The state printer amendment carried 3 to 1.

Lakeview, June 8.—The precincts are all heard from. The county vote is 495 against 443 two years ago. The republicans have elected all the county ticket except clerk and assessor, which went to the democrats. The vote on the state, congressional, judicial and legislative ticket is as follows: For Congress—Gould, 253; Hermann, 478; Ramp, 16; Veatch, 24.

State ticket—Bright, 21; Mikkelson, 27; Moore, 446; O'Day, 245; Bailey, 446; Berry, 21; Douglas, 165; Rasmussen, 18.

Clatsop County.

Oregon City, June 7.—With no official returns at hand the election of the entire republican ticket is assured. About 85 per cent of the registered vote was cast. Hermann will carry the county by probably 250 majority. The republican state and judicial ticket will be elected by at least 1000 majority.

Wasco County.

The Dalles, June 7.—Thus far no complete returns have been received from any precinct in this county. As far as can be estimated from the manager reports the state officers and representative Williamson will carry the county by large pluralities.

Yamhill County.

McMinnville, June 7.—In McMinnville precincts Hermann had a good margin over Veatch and for supreme judge, Moore was in the lead.

Clatsop County.

Astoria, June 7.—Incomplete returns from the city precincts in the county give Williamson, for representative, 180, Moore 87; supreme justice, O'Day 190; food and dairy commissioner, Bailey 241, Douglas 141.

Marion County.

Salem, June 7.—The election in Marion county has been a landslide for the republican ticket and with the returns yet far from complete it is apparent that every republican candidate has carried the county.

Jackson County.

Ashland, June 7.—The Jackson county returns are coming in slowly. At 1 A. M. indications are that the republican state and congressional tickets will have a substantial majority. Hermann's plurality is now estimated at 300.

Washington County.

Hillsboro, June 7.—The count in Washington county is coming in very slow. Hillsboro's two precincts give Hermann 120 to 76 for Veatch, with the state ticket about the same. Out of 222 votes cast in these two precincts, the local option measure gets 109 "yes" and 113 "no." Indications are that Hermann will carry the county by at least 500, and perhaps 700.

Lane County.

Dallas, June 7.—The republican state and district tickets are safely elected. Hermann will have at least 200 plurality. Dallas from incomplete returns gives democratic majorities. Local option is running well with safe majority. The contest on state senators is especially close with Laughey, the republican nominee, slightly leading.

Umatilla County.

Pendleton, June 7.—Williamson will carry this county by a large majority, as will state and legislative officers. Williamson is running far ahead of his ticket. The county ticket will be mixed.

Gilliam County.

Arlington, June 7.—Gilliam county will give Williamson, Rep., for representative to congress, a majority of about 200. Moore for chief justice is running ahead of his ticket, and his majority will probably reach 250.

Klamath County.

Klamath, June 7.—Incomplete returns give Hermann and Moore good majorities. Benson and Hanna, for circuit judge, and Laycock, for senator, are sure of election. Moore, Dem., will probably have a majority for district attorney. For joint representative, Steiner, Rep., and Griffith, Dem., will receive majorities.

Columbia County.

St. Helena, June 7.—Returns indicate that Maxger, republican, is undoubtedly elected representative. The county judge and county clerk are in danger, but it is thought the republicans will pull through. The congressional and district tickets are overwhelmingly republican.

Sherman County.

Moro, June 7.—All indications point to the election of the entire republican ticket by a plurality of 300 votes. It is estimated that Williamson for representative has carried the county by 250.

Crook County.

Prineville, June 7.—The entire republican state ticket has a plurality in Crook county, ranging from 150 to 300. The vote on the county ticket is about equal and divided. On the local option law a light vote was polled, and the measure will be defeated by 150 in this county. The direct primary law will have a majority of 200.

Roseburg, June 7.—In four Roseburg precincts 1133 votes were cast, against 1000 two years ago. Hermann carries the county by over 400, and Judge Hamilton, democratic, by 500. The republican state ticket is elected by over 500.

Local option and direct primaries are defeated 2 to 1. The state printer amendment carried 3 to 1.

Lakeview, June 8.—The precincts are all heard from. The county vote is 495 against 443 two years ago. The republicans have elected all the county ticket except clerk and assessor, which went to the democrats. The vote on the state, congressional, judicial and legislative ticket is as follows: For Congress—Gould, 253; Hermann, 478; Ramp, 16; Veatch, 24.

HAPPENINGS HERE IN OREGON

PROMISE OF A BIG CROP.

Umatilla Wheat Fields are in a Flourishing Condition.

PENDLETON.—Based on reports from the various sections of the county, the wheat crop, conservatively estimated, will amount to more than 5,000,000 bushels. The condition of growing grain at the present time is considered most satisfactory and unless the weather within the next three weeks proves unfavorable, farmers say this year's crop will reach 1,500,000 bushels in excess of last year.

The wheat in the vicinity of Pendleton is quite far advanced, having headed out several days ago. The section of the county between Pendleton and Athena, which is owned by the Umatilla Indians, is an immense expanse of waving grain. Thousands of acres in this locality are rented by the Indians to the large farmers at a nominal figure, and comprise the richest farming land in the country. The average annual yield is from 30 to 35 bushels an acre, and accordingly the profit to the farmer is very large. In prospect, the profits realize by some farmers by renting these lands are greater than they would be if owned by the farmers themselves, since a comparatively small working capital is required. The reservation wheat land, this year, produce the largest portion of the crop of the county, provided the grain escapes injury from any tricks of the weather during the critical period.

Grain in that part of the county northwest of the city is also reported to be in a very healthy condition. It has headed and reached the stage for haying. The land in that locality is lighter and of course the yield is never as large as that of the reservation lands, yet anything approaching a partial failure has never been known there.

In the Helix county wheat is looking good and an average crop is in prospect. The only frost did some damage to grain in that locality, but by the recent heavy rains the affected grain will make a satisfactory yield. Out of 1000 acres owned by Christian Breeding less than 40 acres were damaged. Other stands suffered in a less degree.
