Hood River Glacier.

702 L W.M. 2 31

THURSDAY, JULY 21, 1904.

buried. The mists of fast-receding years are between the old days wherein Mrs. Sitton hi ght the hopes and energies of her youth to the Oregon country and the time at which she went to her rest. Yet down into the new era the energies of her life extended and the fruits of her long endeavor remain to tell that she lived and loved and worked—a useful, earnest woman-Blackberries are beginning to move in Hood River, and some fine ones are worked—a useful, earnest woman— through many years. Of pioneers of this type it may be said truly, 'They rest from their labors and their works do follow them." are being shipped. The crop will be a heavy one.

The seductive green apple has made its appearance, and gastronomic and other internal disturbances are causing the average small boy to question the eternal fitness of things.

A few days next door to the frost line and then a sudden return to our normal Hood River temperature prompts the

a delegate to this meeting.

LOOKING BETTER Rinaldo M. Hall and S. Glen Andrus Hood River temperature prompts the blithering idiot to mop his monkey face and inquire, "Is it hot enough for you."

Milton Harlan, who recently disposed of the Skamania County Pioneer, has purchased E. P. Michell's interest in the Heppner Gazette, and that paper is now published by Warnock & Har-lan. "An orchard of which I took par-ticular notice last year, has made such rapid changes since then that I hardly rapid changes since then that I hardly

Ian. The 10th annual meeting of the In-ternational Apple Shippers' Association will be held in St. Louis, August 3. Speakers prominent in the handling of the apple from the time it is picked un-the orchards here are so well taken

til it is consumed have been secured for the programme. The Hood River Apple Growers' union might profit by sending a delegate to this meeting. "The orchards here are so well taken care of. Not a weed is to be seen any-where, and the ground is smooth as a foor. Beulah Land, the orchard now owned by Mr. Vanderbilt never did look

a delegate to this meeting. A contribution to the Forest Grove Times points out some of the trouble

that makes the Oregon exhibit at St. and tells me he is delighted with Hood Louis unsatisfaactory and suggests that River. "Hood River must send a good lot of the same thing will be true at our own fair next year unless we as a people begin to prepare our exhibit now. The time to begin the preparation of an ex-hibit of frults, grains and vegetables is while they are growing and it is largely the growth of this year that must make next year's show. People do not seem to realize this as they should. It is time that each community is cetting together. If hope you people do not let this opportunity slip by." that each community is getting together and arranging as to what it will do for
