### HOOD RIVER GLACIER, THURSDAY, AUGUST 25, 1904.

### **CITY SURE TO** SUKE IU HAVE SEWERS hard to judge the size of the crop on account of the increased acreage, but individual yards generally will not produce as abundantly as they did last

60

**INAVE SEWERS** A sewer system for the city of Hood River is assured. The right of way for the outlet through the land of Mr. Hop-kins between the railroad and the Co-lumbia river was in the hands of the of the sewer committee at the meeting deed has been the obstructing stone for two years or more, and now that it is MISS BAKER LEADS out of the way the council proposes to begin immediatly the construction of the

Competent legal advice will be secured to see that every step in the matter is intention of the saver committee to get a great deal of the work done before the heavy rains set in this fall. The street with the work at once. Shortly after the comping of the saver. Shortly after the comping of the saver.

with the work at once. Shortly after the opening of the session Friday night a petition from Dr F C. Brosius was read asking that he be granted the privilege of occupying part of Oak street with his buildings for a period of six months while workmen are putting up his proposed brick block. There was considerable discussion on the petition, but motion to grant the petition carried. Laura Cramer Maree Owens Otak street Maree Owens Otak street Maree Owens Lizzie Roberts

The prevailing idea was that Dr. Bro-Stella Richardson the buildings in the street, providing the buildings in the street, providing there was no serious objection from the other property owners of the city. Ida Wright .

The street committee reported that a Mrs E J Hemmerel Mrs E J Hemmerel were not on the property owner's land, and Mr. Sloat, who wants to build nearby, asked that the nuisance be removed The request was granted. Marshal Olinger was ordered to notify property owner that the buildings he removed. Ordinance No. 84, fixing the license

and up and down most of the cross streets, and finally had to unhitch my the old Bothwick mill, was the heaviest another column of the Glacier. team from the wagon and tie them

town." I tried to soothe Ike by telling him that it was thoughtlessness on the part of the merchants, and "what is every-of the merchants, and "what is everyand everything he possessed. Disheart-ened, he boarded the train Saturday morning for his father's home at Pome body's business is nobody's business, but he wouldn't soothe.

"That's no go" he replied, "the mer chants are always getting a piece put in the paper about the man who sends away his cash to Steers, Rambuck & Co., or to the fellow who pays the freight, but it never seems to occur to them that a farmer can't afford to come

and trade with them if he has to bring along one of the big boys or the hired man to hold the team. You see if he leaves his team standing on the street the marshal is ready to threaten him with the law, and if he hitches to a tree he is threatened some more; and anoth-er thing, whenever a wagon load of trash accumulates about one of their

and lining paper. The price compensation of apple pack-257 110 ers was fixed at five cents a box for fruit that will go 128 and below to the box. For apples over 128 to the box and up to 200, the price is to be 6 cents a box. 34 The matter of teaching new packers was left to the packers themselves. The instructor will be paid for the work he does, the beginner receiving no pay until he is competent of doing good work.

MARKET OVERSTOCKED

WITH CHEAP APPLES Special to the Glacier. Seattle, Aug. 22.—A.D.Blowers & Co. wholesale commission merchants, report

FIRE LEAVES HIM as follows: **ONLY HIS CLOTHES** "Fruit market at the beginning of this week seems to be overstocked, peaches coming in from all directions, 

fruit growers at Mosier, was in the city Monday looking for prune packers. Mr. Hunter has placed an ad for packers in

loser. His barn, wagons and tools, chickens and one of his horses, with 25 Mr. Hunter says the prune crop at behind." "Why," he went on, "there isn't 25 feet of hitching rack in this town that with a gallon of whiskey in bim, and not half enough of any kind to go 'round when the farmers all come to I tried to soothe Ike by telling him

shipment will amount to four cars.

For a week or more the settlers at ness to Mr. Gray recently from Vancou Underwood lived in fear that the flames ver.

FOR KILLING STOCK

FARMERS' FRIEND FEED STORE trash accumulates about one of their stores they bribe some fellow for a few cents to haul it out about a mile and diump it alongside the county road." It was clear that Ike was losing his bearings and was becoming too unreas-onable for any sober-minded man to better luck next time and hurried around the corner to see whether my own horses, which were tied to the back wheels, had managed to eat up the cushions.
