IS A LANDSLIDE

Roosevelt Will Have 325 Votes.

MARYLAND HIS

Baltimore Sun Gives Up Close Race.

NEW YORK SURPRISES EVERYONE

Oregon Gives Teddy 40,000 Plurality—Mead Leads in Wash- ington—Idaho Count Slow.

New York, Nov. 9.—(2 a. m.)—With Maryland Republican, as the Baltimore Sun concedes early this morning, the Republican vote in the electoral college will be the unprecedented one of 325 for Roosevelt and Fairbanks to 151 for Parker and Davis. Not only is this far in excess of McKinley's vote, 292, in 1900, but Judge Parker's vote is four less than that given Mr. Bryan four years ago. It is practically certain that the Republican national ticket has carried every state in the Union out- side of the so-called solid South. It may take the official count to decide Maryland. The Republican majority in the next house of representatives will be not less than 50.

South Dakota.

Sioux Falls, S. D., Nov. 9.—Chair- man Martin, of the Democratic state central committee, has issued a state- ment in which he concedes Roosevelt polls 60,000 votes, Parker 30,000 and Watson 15,000.

North Dakota.

Grand Forks, N. D., Nov. 9.—Roose- velt carried North Dakota by 20,000 to 25,000. This is an increase of over 60 per cent from McKinley's ma- jority. The state ticket is elected by probably 4,000 less.

Vermont.

White River Junction, Vt., Nov. 9.— Roosevelt carried Vermont yesterday by about 31,000. He ran ahead of Mc- Kinley's vote in 1900, while Parker ran behind that of Bryan.

New Jersey.

Newark, N. J., Nov. 9.—New Jersey was carried by the Republicans by a majority of 100,000 over the most sag- acious of the Republican predictions. The state gave in the neighborhood of 60,000 for Roosevelt.

Massachusetts.

Boston, Nov. 9.—Sufficient returns from yesterday's election have been re- ceived to indicate the election of W. L. Douglas, Democrat, for governor by a margin of 20,000 plurality.

Wisconsin.

Milwaukee, Nov. 9.—It is generally conceded that Roosevelt has carried Wisconsin by 60,000. Both Republi- can and Democratic state chairmen claim the state respectively for La Follette and Peck.

Ohio.

Columbus, O., Nov. 9.—Based on re- turns received at 1 o'clock, if the pre- sent ratio of gains is maintained for the unreported precincts, Ohio will give Roosevelt 200,000 plurality. Indica- tions are that the Republicans will elect 20 of the 21 congressmen. The majority for Roosevelt exceed the high- water mark of 137,000 attained in 1894.

Michigan.

Detroit, Nov. 9.—Michigan today was the scene of a veritable landslide. Roosevelt and Fairbanks have carried the state by an unprecedented majority variously estimated at from 100,000 to 150,000. Frederick Warner for gov- ernor and the Republican state ticket, are elected.

Iowa.

Des Moines, Nov. 9.—Returns are slow in coming in, but the indications on well-distributed returns indicate that Roosevelt's plurality will be 125,000 and the entire state ticket will have about the same number. Republicans elect ten congressmen.

Delaware.

Wilmington, Del., Nov. 9.—Roosevelt has carried Delaware by about 2,500. The Republicans claim that they will have 40 of the 52 members of the leg- islature on joint ballot.

Idaho.

Boise, Idaho, Nov. 9.—Returns from the state are so incomplete at 1:30 that it is impossible to give more than rough estimates of majorities. In every part of the state Roosevelt and Gooding ran far better than was ant- icipated by most observers.

Indiana.

Indianapolis, Ind., Nov. 9.—Indiana has been carried by the Republicans by 45,000 to 55,000. The legisla- ture will be Republican by nearly 80.

Utah.

Salt Lake City, Nov. 9.—Scattered returns from this state indicate that Roosevelt will have a plurality exceed- ing 7,000. Indications point to the election of John C. Culter, Republican for governor.

Florida.

Jacksonville, Fla., Nov. 9.—The usual Democratic majorities in Florida are indicated. The Democratic candidates for congress are all elected.

Louisiana.

New Orleans, Nov. 9.—The Demo- crats have carried Louisiana for Parker by a majority of probably 35,000.

Tennessee.

Nashville, Tenn., Nov. 9.—Both Democrats and Republicans are claim- ing the state. Returns indicate a ma- jority of 15,000 votes for the Demo- cratic national ticket, and perhaps 5,000 less for Frazier, Democratic candidate for governor.

Texas.

Anstlin, Tex., Nov. 9.—Nearly com- plete returns show that the vote cast will hardly exceed 375,000, of which 250,000 were cast for Parker, 60,000 for Roosevelt and the remainder scat- tered.

Alabama.

Montgomery, Ala., Nov. 9.—The Democratic ticket carried with the usual majorities, electing everything.

Arkansas.

Little Rock, Ark., Nov. 9.—This state is carried by Parker by a slightly increased majority over the last general election.

Georgia.

Favannah, Ga., Nov. 9.—This state will send all 13 Democratic electors to the college to name the president.

Kentucky.

Louisville, Ky., Nov. 9.—The Re- publicans at this time concede the De- mocrats nearly everything.

Oregon.

Portland, Nov. 9.—Roosevelt and Fairbanks carried Oregon by more than 40,000 plurality, with a two-thirds vote polled.

Washington.

Seattle, Nov. 9.—With meager re- turns from the state the indications are that Roosevelt has carried by a plu- rality of about 38,000. Mead and the entire state ticket will be elected by perhaps 5,000.

New York.

New York, Nov. 9.—The returns are causing amazement everywhere. Lat- est returns show that there were cast for Roosevelt in New York state about 185,000 votes more than for Parker. Not only was his vote heavy in the country districts, but in Greater New York.

Maryland.

Baltimore, Nov. 9.—The Sun, which supported the Democratic presidential nominee, concedes at 2:30 a. m. that Roosevelt carried the state by about 1,000.

Nebraska.

Omaha, Nov. 9.—At midnight the indications are that Roosevelt has car- ried Nebraska by a plurality of 35,000 to 40,000. The Republicans have elected congressmen in the First, Fourth, Fifth and Sixth districts. The Second and third are in doubt.

Montana.

Butte, Mont., Nov. 9.—Returns so far indicate that Roosevelt has carried the state by a good vote.

Virginia.

Richmond, Va., Nov. 9.—The state has gone about the usual number Dem- ocratic.

Wyoming.

Cheyenne, Wyo., Nov. 9.—Roosevelt has carried Wyoming by 7,500 to 8,000. Brooks, Republican, has been elected governor by over 4,000 over Os- borne, Democratic.

Kansas.

Topoka, Kan., Nov. 9.—At 12:30 a. m. Chairman Stubbs, of the Republi- can State committee, claimed the election of Hoch for governor by a plu- rality of 50,000. Roosevelt's plurality will be close to 100,000.

Minnesota.

St. Paul, Minn., Nov. 9.—Roosevelt received a record-breaking plurality in Minnesota going far beyond McKin- ley's margin of 77,000 four years ago. On the face of the returns so far re- ceived the Republican electoral ticket will have a plurality of over 100,000.

Colorado.

Denver, Colo., Nov. 9.—Estimates at midnight from scattering and incom- plete returns indicate a plurality of over 10,000 for Roosevelt in Colorado. The result as to congressmen and state officers is in doubt.

Pennsylvania.

Philadelphia, Nov. 9.—The Republi- cans made an almost clean sweep in Pennsylvania, carrying the state for Roosevelt by over 300,000 and electing two of the six state senators and 29 of the 32 congressmen.

Maine.

Portland, Maine, Nov. 9.—With a slightly decreased vote Maine today gave the usual Republican majorities. Democrats showed less interest than Republicans and many did not vote.

Nevada.

Reno, Nev., Nov. 9.—Count proceed- ing very slowly. So far as heard from the Republican state ticket is in the lead. The state is conceded to Roose- velt.

North Carolina.

Charlotte, N. C., Nov. 9.—The count is proceeding slowly. Republicans concede Parker a good majority.

New Hampshire.

New Hampshire has been carried overwhelmingly by the Republicans.

Mississippi.

Jackson, Miss., Nov. 9.—The Demo- cratic plurality is unusually large in Mississippi, having reached the total of about 50,000. All Democratic con- gressmen are elected.

Rhode Island.

Providence, R. I., Nov. 9.—Indica- tions at midnight were that Roosevelt had carried Rhode Island by a plu- rality of over 5,000. The result for gov- ernor was still in doubt with Utter, Republican, slightly in the lead.

West Virginia.

Wheeling, W. Va., Nov. 9.—From ballots now counted it is certain that Roosevelt has carried the state by a very comfortable majority. Cornwell, Dem., is in the lead for governor.

California.

San Francisco, Nov. 9.—Roosevelt has carried the state by a majority larger than McKinley did four years ago. Of the eight congressmen to be elected, the Republicans are assured of seven, with the Second district in doubt.

Connecticut.

New Haven, Nov. 9.—The New Haven Register, independent, claims the state of Connecticut for Roosevelt by over 20,000, the election of Roberts, Republican, for governor by nearly as much.

South Carolina.

Columbia, S. C., Nov. 9.—Parker has carried South Carolina by not less than 40,000 plurality. The Demo- cratic state ticket has been elected with- out opposition.

Missouri.

St. Louis, Nov. 9.—At 1 o'clock the results of the election in Missouri were in doubt. Both sides claimed victory. The Democratic state committee claim- ed the state had been carried by a majority of 35,000. On the other hand, State Republican Chairman Neidringhaus was equally assertive that the state majorities would reach 5,000.

Illinois.

Chicago, Nov. 9.—The indications, based on the returns received, are that the Republican national ticket has car- ried Illinois by about 150,000. The Democrats declare that the figure is exaggerated, but admit that Roosevelt will have a plurality not far from 100- 000.

Russia Provoked Regicide.

Sensational Charges Made by a Bel- grade Newspaper.

Belgrade, Nov. 9.—A great sensation has been caused by the statement of the newspaper Narodni List that it has proof to the effect that the regicides and conspirators are spreading among the people the assertion that it was Russia which desired the removal of the Austro-Slavic dynasty.

Germany Shows Good Feeling.

Berlin, Nov. 9.—A paragraph printed in the North German Gazette gives utterance to the great pleasure of Ger- many at the inauguration of negotia- tions for an arbitration treaty with America. The paper comments to the effect that while in the past two na- tions have had differences, the pre- sent conditions show that between the countries exists the fullest amity, with- out the slightest infringement by either of the other's progress. This utterance is believed to be governmentally inspired.

Germany's Little War.

Berlin, Nov. 9.—According to official figures received by the foreign office, the Southwest African war has cost Germany about \$20,000,000, and al- though it is believed that the Herero uprising is nearing its end, the strug- gle with the Witbois is as bitter as ever. Fears are expressed in Berlin that the Witbois rising will be followed by rebellious movements in other parts of the colony, and it is understood that additional troops will be sent.

Hero Meets Death in Fire.

New York, Nov. 9.—Joseph Capper a hotel keeper of Chaucery, Westchest- er county, after saving his aged moth- er, and father and three children from his burning hotel, lost his own life early today by rushing into the flames when he learned that his wife had not escap- ed. The bodies of Capper and his wife were found later in the cellar lying side by side, burned beyond recogni- tion.

OREGON NEWS OF INTEREST

ASK REPEAL OF EDDY LAW.

Movement on Foot Amongst Mining Men of Eastern Oregon.

Baker City.—There is a movement among the mining men of this section of the state to bring about the repeal of the Eddy corporation law. A peti- tion is being circulated asking the legislature to repeal the law. If it is not possible to secure the repeal of the law then it is hoped the legisla- ture will so amend the present law as to reduce the fees charged mining corporations. The mining men also object to the annual tax to the state, which ranges from \$125 to \$200. It is pointed out that often a mining company is obliged to incorporate for a large sum and await the sale of stock before the work of development can be pushed. Mining men say that it not infrequently happens that a mine is incorporated and several years elapse before it becomes a pro- ducing mine, yet under the present law the corporation is obliged to pay an annual tax to the state which in some instances becomes a heavy bur- den, especially to the poor prospector. The petitioners argue that an ex- ception should be made in favor of mining corporations for the reason that it is necessary to incorporate un- developed claims in order to raise money to exploit them. A strong lob- by will doubtless be sent from all the mining districts to work for the re- peal or amending of the present law.

EAGLE POINT SURVEY.

Surveyor McCall Leaves Ashland in Charge of Party.

Medford.—Surveyor J. A. McCall, of Ashland, and party have left for Butte Creek Falls to make the final survey of the proposed railroad from the Butte Falls Milling Company's plant to Eagle Point, a distance of 15 miles. Preliminary survey has already been made between these two points and a permanent survey will be made in order to get everything ready for grading, which will begin when the survey is completed.

Construction work will commence about April 1 next. There are two feasible routes from Eagle Point to the Southern Pacific railroad, but so far as known the choice has not yet been made. The route from Eagle Point to Medford is probably three or four miles longer than to Central Point, but the fact that Medford is the commercial center of the Rogue river valley and Jackson county will go far toward making it the terminal of this road.

Lane Court Gives Fair Money.

Eugene.—The matter of an exhibit of Lane county products has been de- finitely settled by the county court making an appropriation of \$500 to be expended in preparing a suitable dis- play. This action was taken after an argument by a committee from the Eugene Commercial club, who appeal- ed strongly for a proper display from the county in order to show the pub- lic an exhibit that will sur- pass any. This in addition to the mining exhibit from the Blue river min- ing, will be prepared, will certainly make Lane county's display attrac- tive.

Suit Over Valuable Tallings.

La Grande.—County Judge Eakin heard a motion to dissolve an injunc- tion obtained from the county court of Baker county to Union county on behalf of the Virtue Mines Develop- ment Company, against Earnest Dale Owen, of Chicago. Owen bought all the tallings on the property of the old Virtue mine. Some of these had been made by an old mill before the con- centrates were saved. These tallings proved to be very valuable, far more so than was supposed, and the com- pany is trying to stop the purchasers from taking them.

Wasco Commences on Display.

Hood River.—Wasco county will ex- pend \$400 in collecting products for a display at the Lewis and Clark ex- position. Commissioner Hibbard has secured 200 boxes of Hood River ap- ples which will be placed in cold stor- age until next summer. Fifty of these boxes came from the orchard of Sears & Porter. The Dalles or- chards will also contribute 50 boxes of apples. Grains and grasses will be secured from the eastern end of the county.
