

HOOD RIVER TO GET PUBLICITY

It was an enthusiastic lot of business men who gathered at the rooms of the Commercial club last Tuesday evening...

President Butler stated that there was no question before the house. Dr. Watt then moved that an advertising committee of three be selected to solicit money for an advertising fund...

This idea of an advertising committee was readily accepted by Mr. McDonald, Lou Morse spoke in favor of the motion...

There was considerable general discussion on the nature of the advertising Hood River should put out. It was considered necessary that a large amount of literature in pamphlet form should be prepared for distribution...

Secretary Moe of the club read a letter from G. P. Brown of Madeira, Ohio who wanted sample copies of the Hood River paper...

The following communication came from Tom Richardson of the Portland Commercial club: "I am just in receipt of a letter from R. D. Hook, East Lynn, Illinois, from which I quote the following..."

"I have been very much interested in your state, especially that part of it which is being irrigated, or where irrigation is being contemplated..."

Secretary Moe was instructed to answer the questions of Mr. Brown, and to forward literature to the names of intending settlers which the gentleman enclosed.

"We are determined that our splendid club shall not remain idle throughout the winter and its advantages be so thoroughly overlooked as they have been during the past year or two..."

"The exact thing for Constipation. As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required..."

"The Olympia Recorder reports receiving at that office a large potato, the union of an entire hill, all the tubers having grown together and weighing six pounds and seven ounces..."

LETTERHEADS FOR COMMERCIAL CLUB

Tom Richardson, secretary of the Oregon Development league, has forwarded the Hood River Commercial club 1,000 letterheads made local in every particular.

It was understood at the time the league was organized that these letterheads were to have a fine lithographed heading and the paper was to be high-grade linen.

Accompanying the stationery was the following letter from Tom Richardson: "The three general passenger agents in Oregon who are more directly responsible for travel to this state and for its general development are A. L. Craig, G. P. A., O. R. & N. Co., W. E. Coman, G. P. A., S. P. Co., A. D. Charlton, Asst. G. P. A., N. P. Ry."

"In addition write to E. E. Lomax, general passenger agent of the Union Pacific at Omaha, Nebraska. Mr. Lomax has several hundred men under him who are working for immigration for the Pacific Northwest and he is giving much attention to Oregon, but by keeping constantly in touch with him we can influence him to give this state even greater attention in the future than in the past."

"When You Have a Bad Cold You want a remedy that will not only give quick relief but effect a permanent cure. You want a remedy that will relieve the lungs and keep expectation easy. You want a remedy that will counteract any tendency toward pneumonia."

"Pleased with his Meadow Brook Farm. C. E. Warrens was up Friday from Portland accompanied by his little son and went out to his Meadow Brook farm to look after the harvesting of his 800 boxes of apples..."

"Herb W. Edwards Injured. Herb W. Edwards of Des Moines, Ia., got a fall on an icy walk last winter spraining his wrist and bruising his knees..."

"Trial by Jury" November 11. For the Teeth, For the Hair, For the Hands, For the Nails, For the Bath, For the Clothes, For the Hat.
