

## HOOD RIVER FRUIT FARMS

Following is the second installment of the directory of the farms of Hood River valley. Any landowner who finds himself omitted from the list or who notices an error in his acreage, should notify the Glacier at once, in order that corrections may be made for the immediate publication of the lists in pamphlet form. These pamphlets will contain valuable additional matter.

If this directory is appreciated, the Glacier intends to establish the custom of publishing the directory each year:

## DR. HILLIS ENJOYS HOOD RIVER APPLES

Dr. Newell Dwight Hillis, who visited the Pacific coast last summer, and spent a day at Hood River, sent west for some of Hood River's famous Spitzenbergs. His order was filled by J. N. Bristol, a Portland grocer, who sent him a half dozen boxes grown by William Davidson of Hood River.

On receipt of the apples, Dr. Hillis wrote from Plymouth church, Brooklyn, N. Y., to Mr. Bristol as follows: "The apples came and I found them all I expected and more. The quality of the fruit is certainly wonderful, and difficult of explanation, and I send you my gratitude for your kindness in my interest. With all good wishes, "Very faithfully yours, "NEWELL DWIGHT HILLIS."

**No More Stomach Troubles.** All stomach trouble is removed by the use of Kodol dyspepsia cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D.

Erskine, of Allenville, Mich., says, "I suffered heartburn and stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief." Sold by G. E. Williams.

**He Did Not Advertise.**

Eight months ago there came to Oregon City a merchant who purchased a stock of goods. An advertisement was solicited of the new merchant who informed the newspaper man he did not believe in advertising, since he seriously questioned the efficacy of reaching the public in that way. Last week the same business man packed up his goods and departed for other pastures. The merchant who severs partnership with printers' ink will sooner or later find himself divorced from the trading public.—Enterprise.
