

LOCALS WHALLOP
DALLES, 13 TO 1

Hood River 12, The Dalles 1. "Tamp" Osborn was the feature of the game for Hood River. There were 13 strikeouts to his credit, and but one hit. Up to the 8th inning not a Dalles man had reached first base.

The Hood River team and a dozen rooters went up on the noon train Sunday morning, returning the next morning with a yell that did base ball fans good to hear.

A return game has been arranged for Sunday, May 7, at Columbia park. A river excursion has been arranged to accompany the players from The Dalles.

The locals speak in high terms of the generous treatment accorded them at the hands of their hosts.

The rooms of The Dalles Commercial club were thrown open to the boys from Hood River, and the defeated ball players did all they could to make a pleasant evening for the Hood River team members and their friends.

Hood River played as follows last Sunday:

| LINE UP | HOOD RIVER |
|------------------|------------|
| D & A C | Osborn |
| Klemmer, Pickett | Carter |
| Taylor | DeWitt |

A Stand Off in Basket Ball.
Through an error on the part of the timekeeper in calling the end of the game last Friday night, Captain Geyer of the home nine states that the basket made at the last minute of playing should have been counted for the locals, and would have made the score 11 to 10 in favor of the Hood River boys, and not 10 to 10 as was formerly given out.

The contesting players were members of the The Dalles and Hood River high schools. This is twice the locals have defeated the The Dalles in basket ball, and have twice been defeated by the same visitors in base ball.

The attendance at both games last Friday was very satisfactory, the boys being enabled to pay the expenses of the visiting teams.

High School Loses to The Dalles.
The game at the Columbia park last Friday between the high school teams of The Dalles and Hood River resulted in a duplication of the score of two weeks ago, 4 to 2, in favor of the visitors. The local team was out-weighted 15 pounds to the man, but the boys put up some remarkable playing and came very near turning the score at the very last moment. A return game is being arranged for Friday, April 28 at The Dalles.

Batteries—Fagan and Sexton; Geyer and Brosius.
A Night Attack.
Last night the little daughter of Mrs. Brown, as she was sweetly and peacefully slept in her little bed near the window was attacked by a death-dealing demon known as Croup Whooping Cough, and but for the timely use of Kennedy's Laxative Honey and Tar, which she always keeps handy, the life of the little one might not have been saved. Kennedy's Laxative Tar and Honey is different from all of the old-time cough syrups and is best for children because it acts on the bowels.

It is harmless, safe and certain. Contains no opiates. Sold by G. E. Williams.

Make Wasco Exhibit the Best.

To Whom it may Concern: It is important that Wasco county, as a county, make a creditable exhibit at the Lewis and Clark exposition to be held in Portland the coming summer. This can be done if the people of the county act as a unit, that is each individual contribute what he is worthy of exhibiting, which taken as a whole will make a large and most attractive exhibit.

Wasco county has more varied products than any other county in the state, therefore can make a more attractive exhibit at the fair than any other. Its fruits, vegetables, grains, grasses, wools, woods, minerals, etc., are the very best—no other county can equal it. But to make a display of its products requires combined effort, the cooperation of every producer in the county.

To interest you in the importance of making an exhibit at the fair and to secure your cooperation is the purpose of this letter. You are requested to procure something exceptionally fine this year, something worthy of being shown to the people of the world, and when it is produced turn it over to C. L. Schmidt, who has been appointed by the county court, to take charge and arrange Wasco county's exhibit in Portland. There will be no expense to you, the county court having provided for bearing the expense of making the exhibit. What is desired is exceptionally good samples of fruits, vegetables, grains, grasses, wool, timber, etc.

Every county in the state will have an exhibit at the fair. Let Wasco county be in the very first rank. It can produce things that will startle the world. Let your assistance in making this exhibit. Show your pride in our own county, by helping to display its best products.
