

SKAMANIA MINES SHOW COPPER VEIN

Down in Skamania county, there is a mining district which promises to make some startling yields in copper, gold, silver and lead.

S. H. Cox, was home last week from the Gold Run district on the headwaters of the Washington, and has left samples of his ore at the Glacier office.

This company has been incorporated with a capitalization of 1,000,000 shares at the par value of \$1 a share.

The officers of the corporation are: H. W. Rand of Portland, president; W. E. Jones of Portland, secretary and treasurer; Z. S. Russell, Mr. Mohr of Mount Pleasant, and Mr. Rand, trustees.

Eph Winans of this city has been granted a contract of \$500 to complete two miles of road and to sink a 50-foot shaft into the ledge.

On the other side of the mountain, and above the Gold Run mine is a mine being developed by a St. Louis company with unlimited financial backing.

The company is satisfied to expend a large sum of money in development work, and Mr. Rand says a smelter will be erected there very soon.

The ledge is 3 1/2 feet wide at the surface. A 500-foot shaft will be sunk, when a wider vein is expected to be encountered.

Stock in the Maybe mine has advanced from 3c to 8c a share, and has been taken off the market.

New Surveying Office. Murray Kay, who has just opened a surveying office which is located temporarily in the rear of Prather's real estate office, believes the land in this locality has reached a point in value where considerable accuracy and high class work should be in demand.

His twelve years experience on some of the best American railroads includes several years of very particular surveying in the cities of New York and Chicago, where names but the finest work is of any value.

Mr. Kay states emphatically that he does not wish to interfere or compete with local surveyors, but rather to create a field of his own in the making of surveys where special accuracy is required.

He has already done some work for the Oregon Lumber Co., H. F. Davidson, N. C. Evans and John Leland Henderson, and offers the names of these gentlemen as local references.

He has also some very fine credentials from the East. The Glacier has seen some of his map work and stated in these columns some time ago that it is the finest work of its kind ever done here.

Foundation for Catholic Church. The stone work for the foundation of the Catholic church, now being erected in this city, is about completed. The church edifice is being erected on the property north of Frank handler's residence.

The dimensions of the church lot are 140x75. The main part of the building will be 62x25, and 20 feet to the eaves.

We Must Wash. We may live without poetry, music and art; we may live without conscience, may love without heart; we may live without mothers, live without hope; but civilized women cannot live without soap.

The pills that act as a tonic, and not as a drastic purge, are Dewitt's Little Early Risers. They cure Headache, Constipation, Biliousness, etc.

Good Crop in Rogue Valley. Reports from all parts of Southern Oregon are that the orchards are in good condition and the shipments from the Rogue River country will probably show considerable increase.

Buy It Now. Now is the time to buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly.

Wise Advertiser Helps Himself. More Observer. The last edition of the Hood River Glacier comprised 20 columns, 10 full pages, half of which was home advertising.

Indigestion Cured. There is no case of Indigestion, Dyspepsia or Stomach Trouble that will not yield to the digestive and strengthening influence of Kodol Dyspepsia Cure.

Lady—And you escaped from the wreck? Indigent Seaman—Yes, mum. Lady—How did you feel when the waves broke over you?

Seaman—Well, mum; werry wet; but now, mum, I feels dry; werry dry. One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved.

Good for Stomach Trouble, Constipation. Chamberlain's Stomach and Liver Tablets have done me a great deal of good.

County Has to Bury Old Woman. After applying to the Wasco county court for \$10 a month for the board of Mrs. Kate Crossman, her step-son and family refused to bury the old woman, who died last Wednesday, July 19, at the age of 84.

Beautify your complexion with little cost. If you wish a smooth, clear, creamlike complexion, rosy cheeks, laughing eyes, take Hollister's Rocky Mountain Tea.
