Hood River's Bargain Store

Having purchased the entire Stock of Goods formerly owned by J. E. Rand, consisting of Dry Goods, Notions, Ladies' and Gents' Furnishings, Groceries, Men's & Boys' Suits, Boots & Shoes, Hardware, etc.

We intend to give our customers a chance to save some money. This

BIG BANKRUPT STOCK

Is now ready for your inspection. You are all aware that Rand carried good goods. The stock is clean, the quality high and the prices are being slashed without mercy. Do not delay in taking advantage of this opportunity in laying in your supplies.

GROCERIES

Here is an opportunity to supply yourself with Groceries at prices that are ridiculously low. We do not intend to carry Groceries regularly and are therefore giving our customers bargains in every article in this line. Many are availing themselves of this great saving. Don't put off coming for they can't last long at the rate they are going. We intend to clean these up quick, and the prices we are making will do it. Money saved is money earned, and this is a chance you seldom get.

LADIES' SHIRT WAISTS

The ladies have not been forgotten in this great slaughter sale. We have now on display Waists that the money asked will not buy the trimming. Some of these waists are slightly damaged by not having had the lids of the boxes properly replaced; others have not the latest sleeve, while many are the very latest patterns. These are all to go and are going fast. We bought them away under their value and are giving you the advantage, by selling them cheaper than you can buy the material. We have a heaping basket full of waists worth all the way from 50c up to \$1.75. Your pick for 35c each. Another basket with waists worth from \$1.00 to \$3.00, for 50c each. Every waist in the house is greatly reduced. Now is the time to buy.

Glassware & Chinaware

In this stock of Bankrupt Goods is a fine lot of Cut Glass and China Ware that we are selling on the same slaughter scale. Nothing will please your wife more than a nice piece of Cut Glass or a set of Dishes. Don't delay or you will miss the chance.

Men's & Boys' Clothing

In this great Stock will be found Clothing worthy of your attention. Cut to fit, made up in the latest styles, quality A 1, and the prices slashed to pieces. We intend you to share our good buy. This stock is made up of reliable makes, such as Utz & Dunn, Selz, Watson & Plummer stocks. These makes need no introduction but they are different lines than we are carrying and we

therefore consider them odds and ends as far as our stock is concerned. We will close these out quick, as we need the room. This means that
