River know that it takes color to get fancy fruit here.

50 ARC LIGHTS The novelty of a base ball game by electric light will be enjoyed by Hood River fans at Columbia Park ball grounds tonight, when the local nine are now on their way from California team, arranged the first of the week with Manager J. E. Rand of the Hood River team for two games here today.

evening.
This company of Sioux Indians travel with their own special cars, carrying tents, fencing, seat stands and their own lighting plant. The lighting system affords 50 arc lights, giving ample light to all parts of the grounds The local nine is endeavoring to se cure the Maroon battery of Portland If they cannot come, Tate will pitch and Castner catch. Among the other

Mr. Handsaker at the tent on west Oak street is meeting good audiences each evening who are being well enter-tained. Mr. Handsaker is the same earnest, genial, whole-heartest he proved himself to be at the Valley church last winter.

His sermons are interesting, enter taining and instructive. His state ments are concise, his deductions log-ical, his illustrations spicy, and the andiences are made to know that in him they have a true friend as well as an entertainer. He says he will be glad to have the members of the other churches in town come and take part in the meeting. Eerybody is cardially invited to come. The tent is now fully seated and is lighted with electrict lights, and will no doubt be a pleasant place for Hood River people o spend the evening.

Captures a Twelve-Pound Salmon. A silver side salmon, over 26 inches n length and weighing 12 pounds was captured last Thursday by Louis Henderson, while fishing for trout in the stream of Hood River just below the mouth of Green Point. Louis says it took him three-quarters of an hour to land the big lish, and when he finally succeeded in getting Mr. Sal-mon among the rocks of the shore, Fruit Men to Sue the Inspectors.

Washington fruit inspectors who ondemn Oregon fruits for any old succeeding the famous Hood River product.

The larger was in from his Butter finally succeeded in getting Mr. Salmon among the rocks of the shore, the wrestling of the fish threw the sportsman into the water. Mr. Henderson landed the fish with a light fix rod, on which was attached a single strand leader and a No. 6 Professor

Sheriff Shutt and family returned of the unrihern state have been a direct loss upon the local shippers. Apples, pears, plums and other fruits toe. "Then you ought to be able to symmetric the money, shutt and children have been spending the summer.—Heppner Times,
