BARRETT. MOSIER. The H. D. Stewart property has changed hands again but do not know Portland on Friday's delayed train.

F. W. Angus has a force of the little brow, men at work on his land. F. W. says it is better to have the trip to Wasco last week. land under cultivation than to lay idle though it may cost to clean it up.

It was the writer's privilege by request of the people to go out on Sun-day last to the Groff settlement and are looming up along the road, an eri-dence of thrift and prosperity. That country will no doubt make a grand dairy country, and no mistake can be made in purchasing land in that sec-tion of the contry, for on every hand

the e are signs of growth and develop-ment. On my return trip I called on C I. Shelley, the enterprising mer-ch ut of the Little White Store, who wti his wife and son Ralph were en-sconced by the stove in their comfort-atic store. Col. Shelley is quite an ente taining b-ing, well osted on most subjects, especially is he up on Hood River valley. Good for you, Colonel.

W. Nichols is a very busy man now a-days hauling wood to town. Will says the people must have wood for the winter or they will freeze. Well, Will is all right.

## DUKES VALLEY.

The fall rains have caught a good many of us this fall with our work about half done. There is a jot of corn fodder in the field yet and Oscar Cameron and J. A. Knox have several tous of clover hay that was cut just before the rain. It is certainly ruined now, but corn that was shocked good is still in good condition.

The gale last Thurs ay night blew off about one-third of the apples in the Booth orchard. Mr. Waterbury the manager of the ranch had the windfalls all picked up the day before, so the apples that are on the ground are all good apples and can be picked up and markete 1 so the damage will be sticked up. be slight.
