HOOD RIVER GLACIER MEETING OF

ARTHUR D. MOE. Publisher Terms of subscription-\$1.50 a year when paid in advance.

THURSDAY, FEBRUARY 15, 1906.

ANNOUNCEMENT.

To the voters of Wasco county: I wish to annonce myself as candidate for renomination for the office of County Commissioner at the primaries to be held April 20th, 1906. H. J. HIBBARD,

ANNOUNCEMENT.

To the Citizens of Wasco county : I wish to announce myself as a can-didate for nomination on the Republi-can ticket for Commissioner of Wasco county at the primary election to be held April 20th, 1506, and if nominated and later elected, I pledge myself to ful-fiil the duties of the office to the best of my ability and integrity. Yours sin-cerely G. R. CASTNER.

ANNOUNCEMENT.

To the Republicans of Wasco county: I hereby announce myself as a candi-date for nomination upon the Republi-can ticket for Sheriff of Wasco county, subject to the votes cast at the primary election to be held April 20th, 1906. If nominated and elected, I promise to fulfill the the duties of the office to best of my abilities by being courteous to all and giving the office the same careful attention that I would if it was my personal business Yours respectfully,

LEVI CHRISMAN.

ANNOUNCEMENT.

Hood River, Ore., Jan. 16, 1906 Editor Glacier:

my ability, serve the interests of Wasco county, and especially the interests of the western portion of the county and Hood River Valley. A. A. JAYNE. The figures published in another column showing that the affairs of the new county, if created, could be more economically administered than the mass of the serve to be a fine apple present one, can leave no room for believe this leave a few pairs of apples doubt as to its advisability. It is the to convince yourself. In both cases strongest argument for county divi- you remove a favorite entrance for the sion that can be made, and will settle a much mooted question.

We would like to suggest that the right time. city council employ an engineer who will be fully competent to decide on

COMMERCIAL CLUB The regular meeting of the Commer-

cial Club was held Monday night. President Davidson presided. The applications of 54 members were acted upon favorably and a resolution passed endorsing the proposition of the mem-bers of the Hood River Band to ci culate a subscription paper to obtain a monthly fund to pay an instructor. Tuesday morning a special meeting of the club was held to consider a proposition from the Portland Board of Trade relative to publishing a book setting forth the many and varied re-sources of the different counties in the state of Oregon. The state allows the state of Oregon. The state allows each county to appropriate a sum not exceeding \$1000, for advertising purposes This appropriation is left to the discretion of the county court and in order to obtain the appropriation J. A. Laber, secretary of the Portland Board of Trade, presented the above facts to the meeting and

asked that the club pass a resolution praying the court to grant it. The resolution was passed and Pres-ident Davidson appointed as a committee to go before the court J. H. Heilbronner, A. D. Moe and R. B. Bragg. Mr. Moe being unable to go Mr. Davidson substituted for him and in company with the other gentlemen and Mr. Laber went before the court Wednesday in conjunction with a similar committee from The Dalles and presented the resolution. The committee from The Dalles Commer-cial Club was heartily in favor of the proposition and st the joint request of the committees the court granted the appropriation for the full amount.

THINNING.

How and When to Do It.

I want to call your attention in con-Editor Glacier: I want to call your attention in con-meetion with this subject of thinning. The favorite place for worms entering the slde of the apple is some defective spot like scab or limb rab. There-fore pull off the imperfect apples when you thin for two reasons, because they will be cultus and because you remove and be elected I shall, to the utmost of my ability, serve the interests of Wasco county and sensitive in the interests of wasco my ability, serve the interests of Wasco

worm and he is the more likely to try the calyx where you have the poison. Surely that will kill him if your early

Farmers' Irrigating Co. to Rebond. C. K. Williams of the Morris & Co. bonding house, and Civil Engineer Brown of the same firm, were here Tuesday and Wednesday in connec-tion with the plan to rebond the Farmers' Irrigating company. Mr. Williams was here to look after the financial end of the proposition, and Mr. Brown to make an inspection of house, and Civil Engineer Mr. Brown to make an inspection of the company's property. The latter went over the line of the ditch yester-day and it is said that if his report is satisfactory that new bonds will be issued in accordance with the wants of the Irrigating Company in a few days.

New Leader for Hood River Band.

Thomas Hill, who has been playing Meeting of Sunday School Workers. with the Tillmany Orchestra here, has taken the leadership of the Hood River Band and will conduct its practice meetings. Mr. Hill has had 20 years experience with American and English Military bands and thinks that the Hood River Organization can be brought to a high standard of excel-lence in the near future. The band now numbers 16 members several new ones having been added lately and it ones having been added lately and it is expected that there will be more. Prof. Wiley was selected as president

At the meeting of the Commercial Club held Monday night it endorsed a proposition from the band members a proposition from the back members to circulate a subscription paper among the residents of the city for the purpose of meeting its monthly expenses. The paper is being circu-lated and is meeting with well deserved success.

Lincoln Day Exercises.

Lincoln Day Exercises. The pupils of the 11th grade held commemoration exercises of the birth of Abraham Lincoln, Monday. The program consisted of quotations from the famous sayings of the great war president and a recitation by Miss Mand Merril and an instrumental solo by Miss Pacel Bradles and one or tech by Miss Pearl Bradley and one or two other numbers. The exercise were was evident that there were many present who were opposed to the movement on account of the fears of closed by an address on Lincoln by Mrs. E. L. Smith. At its conclusion the pupils were given a fire drill and all left the building in the very quick. seconds tolligently explained to them it was time of one minute and 15 seconds which is the best time that has ever
