RAILROAD STATION TO BE AT BINGEN

F. H. Fogarty, General Freight Agent of the Portland & Seattle railroad, and R. W. Cook, one of the other officials of that road, came here last Saturday and met a delegation from White Salmon at the Waucoma Hotel, where the former were stopping.

The object of the meeting was to settle the question as to the location of the railroad station on the north bank.

The White Salmon people recently presented a petition to the railroad company asking them to locate the station there. At the meeting they were informed that the company had decided to locate it at Bingen, giving as their reason that there was no room at White Salmon near enough to the railroad to make sidings or establish a town site.

It is said to be the intention of the company to make Bingen the end of a division and to build shops there.

Twelve ladies were present and organized a society which will be known as the Hood River Hospital Club. The officers of the club are: President, Mrs. Friday; Vice President, Mrs. Jayne; Secre-

tary, Mrs. Fredricks; Treasurer, Mrs. Enticahn. The members of the club will canvas the city in aid of the hospital, which is in debt and very much in need of help. Contributions of any kind that can prove useful to the hospital will be accepted. The institution is a public one and the ladies think it should receive the support of Hood River residents. The plan to give a church hall in aid of it has been abandoned.

Speaks at Banquet. Hon. E. L. Smith went to Portland Sunday, and Monday made an after-dinner speech at the Perkins Hotel at a banquet held on Lincoln Day in honor of the great exponent of the common people. Mr. Smith's remarks were much appreciated by his fellow banqueters and were very favorably commented upon in the Portland papers. While there he was interviewed by a representative of the Oregonian as to his candidacy for the nomination of governor, and said that if it could be demonstrated that the voters of this state and leaders of his party wanted him to become a nominee he would do so. Petitions are being circulated here asking Mr. Smith to become a candidate.

The Damon Concert Company, which gave an entertainment here in the Opera House last Saturday has been requested to make a return date and will be heard again next Monday evening. The company is an excellent one and many who heard it before have signified their intention of doing so again. The company has been augmented by Billy Bailey, who is considered the cleverest young colored comedian on the stage today. A change of program will be given.
