NEW GRANGE IN FRANKTON DISTRICT

State Deputy Organizer Voorhees organized the Frankton Grange last week, and the following officers were elected:

A. G. Staten, worthy master; Miss Pearl Ely, worthy overseer; Miss Anna Shea, lecturer; A. W. Hoornman, steward; Earl Noble, assistant steward; Mrs. M. R. Noble, chaplain; M. R. Noble, treasurer; Earl Ely, secretary; Roy Eastman gate keeper; Miss Nina Noble Cook; Mrs. W. T. Eddy lady assistant steward. Miss Helen Hoornman was elected Pomona and Miss Lizzie Ely was elected Flora.

The overture work of the order was given by State Deputy Voorhees and all officers were installed.

D. N. Byerlee, A. C. Staten and M. R. Noble were elected delegates to the county grange convention which met at The Dalles Saturday March 10.

It was decided to meet Saturday following the full moon at 7:30 p. m. which will be on Saturday, March 17. Eighteen additional members were received, making 45 in all to come in under the open charter.

HOOD RIVER GRANGE WELL REPRESENTED

Through the kindness of A. C. Staten we are able to give the readers of the Glacier an account of what Hood River did at the recent meeting of the Wasco county Grange at The Dalles.

Editor Glacier: Frankton and Pine Grove Granges were well represented and among the other resolutions the following were offered by Hood River's delegation and unanimously adopted. First, Be it resolved, that we endorse the resolutions made by Pine Grove Grange relating to the postoffice department investigations, etc.

Second, That we as tax payers and patrons of the public schools are entitled to representation in the curriculum of the public schools.

Third, That we demand that a course of agricultural instruction be added to the present course of study in our public schools.

Fourth, That we ask the Oregon State Grange to hold its 1907 convention at Hood River, Oregon.

A. L. Mason of Hood River was unanimously elected a delegate to the State Grange convention. A. C. Staten and J. M. Nollin of Dufur alternates.

The Hood River Grange appreciates the good will shown by the Grange of Wasco county and with the spirit and cheer of a Hood Riverite we promise you and the State Grange most welcome reception to our beautiful valley in 1907.

Come where the birds sing most sweetly than elsewhere, where the fragrance of the flowers is richer, where the hills and mountains are grander, more beautiful than over yonder.

Where the apple is grown that has made Oregon famous around the globe, Granger, come.

Funeral of Blanche Woodman.

The funeral of little Blanche Woodman who was killed Wednesday on the railroad trestle near the Bottom place, was held from the United Brethren church last Saturday. Rev. G. M. Beeler conducted the services. The funeral arrangements were in charge of S. E. Hartness, and burial at Lakeside cemetery.

The funeral was quite largely attended, the schoolmates of little Blanche being largely represented.

Relative from out of the city who were present were: Mr. and Mrs. Geo. E. West, Portland; Mr. and Mrs. Ed. Mann and mother; Mrs. Cook and daughter-in-law, Mrs. Jennie Cook, The Dalles; William Woodman, Port Hadlock, Wash.

The pall-bearers were: Langley Stevenson, Raymond Early, Roger Moe, William Evinger, George Tripp and Stanley Tripp. They were accompanied by six little girls dressed in white: Catherine Hartley, Wilma Thompson, Beattie Wheeler, Lillian Thompson, Mamie Tripp and Velva Richardson.

The floral offerings were very beautiful, containing many elaborate pieces, those from the school children being especially beautiful.

Card of Thanks.

We desire to thank the many kind friends, neighbors and school children for their sympathy and assistance during our bereavement, when we sustained the loss of our daughter and sister.

Mrs. Anna Woodman and Family.

Doctors Are Puzzled.

The remarkable recovery of Kenneth Melvor, of Vancouver, B. C., is the subject of much interest to the medical fraternity and a wide circle of friends. He says of his case: "Owing to severe inflammation of the throat and congestion of the lungs, three doctors gave me up to die, when, as a last resort, I was induced to try Dr. King's New Discovery and I am happy to say, it saved my life." Cures the worst Coughs and Colds, Bronchitis, Tonsillitis, Weak Lungs, Hoarseness and Laryngitis. Guaranteed by Chas. N. Clarke, druggist, 50c and \$1.00. Trial bottle free.

Sears Baby Fatally Burned.

Mr. and Mrs. Chester Sears, formerly of Hood River but now living at Eugene, met with the loss of their youngest child, 19 months old, which died from the effects of a burn and was brought to Hood River for burial, Thursday, of last week. Mr. Sears is employed as a bridge carpenter on the Southern Pacific railroad.

Mrs. Sears one morning went down stairs to prepare breakfast, leaving her two children in bed. During her absence the youngest child reached a bunch of matches from the bureau top and by some means they were ignited. The child's nightdress took fire and he was frightfully burned and died a week afterwards. The many friends of the family in Hood River deeply sympathize with them in their bereavement.

Big Meeting of the Artisans.

The visit of Supreme Lecturer Dr. W. O. Manson to the local Artisan lodge last week was the occasion of a large meeting of the lodge members and their friends. A program was rendered by local talent that was enjoyed by all. The main event of the evening was the address by Dr. Manson, who was listened to with marked attention. The Doctor is master of his subject, and his arguments in favor of the order were so conclusive that ten applications were received to become members of the order.

One of the pleasant events of the evening was the presentation of a "Worthy pin" to J. Kolberg and a gold emblem to D. McDonald.

Low Rates From Eastern Points.

From February 15 to April 7, and September 15 to October 31, 1906, second class tickets will be sold from all eastern points to points on and via the O. R. & N. These tickets will be good for stop-overs of ten days at one or more stations, regardless of limit on tickets.

From Missouri river common points, Kansas City, St. Joseph, Atchison, Omaha, Sioux City, St. Paul and Duluth to Portland the rate is \$23, and to Spokane and points east of Umattila to Huntington, \$22.50. For rate from points not given here, apply to any O. R. & N. agent. If so de iron tickets may be purchased at this end and prepaid order sent to party using it.

A Selective Wonder.

The cures that stand to its credit make Buckler's Arnica Salve a selective wonder. It cured E. R. Mulford, lecturer for the patrons of Hazzard, Waynesboro, Pa., of a distressing case of Piles. It healed the worst Burns, Sores, Boils, Ulcers, Cuts, Wounds, Chills and Salt Rheum. Only 25c at Chas. N. Clarke's drug store.

Don't Forget the Cuckie.

A duck, which had faithfully stuck to business during the summer and laid several dozen large, lavender eggs, complained that she was not appreciated. "See that hen over there?" said he duck, "she has not laid so many eggs as I have, nor so big, but she has socks written about her and verses composed in her honor, while nobody says a word about me." "The trouble with you is," said the wise buff leghorn, "that you do not tell the public what you have done. You lay an egg and waddle off without saying a word, while that sister mine never says one without letting everybody in the neighborhood know it. If you want to get any use in this community you must learn to advertise."

Platform of Hon. H. M. Calkins, Candidate for the Republican Nomination for United States Senator.

I believe the public service corporations should be subject to governmental regulations and control. The power of regulation should be vested in the Interstate Commerce Commission, and should be exercised with due regard to the respective rights of the people and the corporation.

Trusts or combinations of capital organized for the purpose of controlling the utilities and necessities of the country, to the exclusion of legitimate competition, are contrary to public policy; in derogation to the rights of the people, and should come under the ban of the law.

I believe in preserving the dignity of our American citizenship, and the freedom of the laboring classes of this country. I am opposed to the admission of Chinese coolie labor of China, and the undesirable classes of Continental Europe.

The growing commerce of Oregon demands the deepening of the bar of the Columbia River, the construction of the Dalles locks, the opening of the upper Columbia; the improvement of Coos Bay, Tillamook and Yaquina harbors; the dredging of the Willamette and the government ownership of the locks at Oregon City and federal appropriation should be made securing these improvements.

A tariff should be maintained for the protection of American industries and American labor. Where, however, the necessity for protection is removed by the growth and development of particular industry, the tariff should be modified to meet the changed conditions.

The reclamation of the arid lands is one of the pressing needs of the northwest, and a condition to its greater development, and the efficiency of the reclamation service should be one of the first cares of the federal government.

The federal constitution should be amended to provide for the election of United States Senators by direct vote of the people, and I am in favor of the establishment of the parcel post.

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore, of Atlanta, Ga., says: "I suffered more than 20 years with indigestion. A friend recommended Kodol. It relieved me in one day and now I enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc. Sold by Williams' Pharmacy.

Announcement

Season of 1906

Our scale of charges for services as Architects or Engineers, during the ensuing season, will be as follows:

Plans, details and specifications for new buildings, 2 1/2 per cent of total cost, based upon the AVERAGE of bids received, where total cost cannot be determined. For alterations to old buildings, 5 per cent.

General supervision of works, which will include the survey of building lines and setting of grades, and drawing of contract or bond, and superintendence to completion or acceptance—new buildings, 2 1/2 per cent; alterations, 5 per cent, or full services for 5 per cent of actual cost.

On engineering works, surveys, etc., \$10.00 per day and expenses, or as provided under special agreement for large projects.

Transportation to and from works outside of city limits, and the employment of necessary help at expense of client.

Charges are based upon the total cost of all works forming part of construction and permanent equipment of any buildings in connection with which the Architects render service.

The rules of The American Institute of Architects, governing the practice of Architects, provide that—

"All drawings and specifications, as instruments of service, shall be the property of the Architects, and must be returned to them upon completion of works." * * * and, "fees are successively due, as works are completed, unless otherwise stipulated in agreement."

We make no charge for consultation or preliminary sketches, and guarantee economic and faithful service.

I wish to say to all our old friends and customers who for so many years came to our shop for their meats, that it is useless for me to introduce Wood Bros., our successors, as their 18 years in the butcher business in Wasco county has made them so widely known that an introduction is unnecessary. Being honest, capable business men, they have the means and ability to run a business as it should be run, and in a way that will be a credit to our city.

I expect to stay with the new firm for awhile, and will be glad to see you all at the old stand. I will guarantee that you will get just as much meat for your money, just as courteous treatment and just as prompt service as can be had in the city.

We will have a full line of everything good to eat for the Spring trade.
