He has now turned his attention to ad writing for the new publication which he and his energetic partner are getting ready to publish. The words seem to dance with energy and it is safe to say that one who commences to read the announcement will not lay it down until the last sentence is read. Below will be found a sample of the prospectus of "Better Fruit:"

LAST BIG ROUNDUP OF WILD HORSES

The annual meeting of the Apple Growers' Union which will be held at Artisans' Hall, Saturday, April 17th will be a most important one and it is expected that every stockholder will make an extra effort to be present.

A new board of directors will be elected and an amendment to the by-laws discussed providing for a larger board of directors.

Plans will also be discussed and adopted as to the mode of doing business for the coming season. It is the purpose of the union to make an effort to adopt methods which will be satisfactory to everybody and growers generally are invited to attend the meeting whether they are members of the union or not.

A report covering a period of two years will be read by E. H. Shepard, manager of the Union and an explanation of the methods pursued will be made. Suggestions in regard to thinning, handling and packing will be offered and anything which it is thought will be of assistance to the growers will be cheerfully answered by the union manager.

As this meeting will largely determic the action of the union in marketing the apple crop for 1906 it is urged that every one who has a share of stock be present.

A Trite Saying. It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the polsons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue," Dr. Pierce's "Discovery" curves all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful habit-forming drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address free, on receipt of request therefor by letter or postal card, addressed to Dr. R. The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known.
