

## CORRESPONDENCE.

## BARRETT.

On Friday evening, April 13, the young people of the Valley Christian church will hold a basket social at the Barrett school house. A program for the evening's entertainment is arranged. All are cordially invited and every body present will have a good time.

Guy Deansmore, having taken to himself a wife, thought he wanted a milk cow, so Guy purchased a nice cow from C. M. Camp for the sum of \$40. Charley Camp had the misfortune to get his foot crushed on Friday of last week, which will lay him up for a few days.

Rockford received from B. F. Shoemaker, ten sacks of very fine spuds last week. Send some more, B. F.

F. Parke, Guy Crapper and W. Davis were busy hauling a car load of hay into Barrett district. You can guess where it was unloaded, R. F. D. No. 2, R. S. B.

We are pleased, you, more than pleased, to be permitted to report through the columns of the Glacier that the Rev. Jenkins has returned to his old home on the Jericho lane. We are informed that the reverend gentleman will take up the evangelistic work, and we wish him God speed with an abundant success in the good work of saving souls.

Nick Casarato swapped his sorrel horse with the Mr. Reynolds for his bay mare. Now there was a condition to this trade. Each one was to take the exchanged horse and work them for a few days and, if each party was satisfied, then the swap was complete. Now this seems to me to be a very fair way to trade horses so that each party is benefited by the trade.

F. W. Angus has friends and relatives now visiting at the home and expect to make quite a little stay, well it is the right kind of a place to visit. J. J. Gibbons has made a purchase of a new disc, so we naturally suppose that Albert will make nice meat of the land and chop it up so fine that you cannot see anything but just the dirt.

It was the writer's privilege to attend the Belmont M. E. church on Sunday morning last, and listen to a sermon delivered by Rev. H. C. Clark on the using of the talent and graces which come to men. The sermon was practical and if we used or put into practice the instruction delivered we should be much better.

Pleased to report to the readers of the Glacier that the Hood River Milling Co., has donated 10 barrels of flour to the Jap relief fund.

On Friday, April 20, at the Barrett school house, at 7 p. m., is the day appointed to vote on the bonding of the district for \$2,000 for the purpose of building a new school house on the lower part of the district. All should turn out and vote on this question or else forever hold your peace.

## MOUNT HOOD.

The progressive four hundred met at the home of G. M. Wishart last Thursday evening and was treated to a laffy pull. But the best of all was Friday morning when Miss Cooper

found that some of the youngsters had stopped on the chimney and consequently she was snoked out of house and home.

J. C. and W. B. Davidson attended the spelling match between Odell and Pine Grove, Friday night, at the Pine Grove school house.

The Development League had a meeting Saturday to make a proposition to W. H. Moore, of Portland, but will not do so till later on.

Rev. Milligan preached at the school house Sunday, both morning and evening.

The Mount Hood base ball team organized Sunday afternoon at the Langille park, with J. M. Lenz as manager, George Monroe captain, John Cooper secretary and treasurer. They will have a basket social and a dance Friday night, April 13, at the Mount Hood hall. There will be a lap supper of good things for those who are unable to get a basket. Everybody is cordially invited. Come and help the boys along. They insure you will have a good time, and furthermore, they will show you how to play ball when they get practiced up.

O. Fredenburg made the trip to the city of Dee, Monday, to register some of the loggers who cannot get off hand.

L. E. Baringer moved to Dee from G. C. Buff's place Friday.

J. H. Phelps has been on the sick list the last week, but is able to be out once more.

Miss Lizzie Cooper is home for a short vacation from Monmouth, where she has been for some time.

Remember the big dance and social tomorrow night. The best of music that money can obtain will be in order. Every one come and bring your friends. They will enjoy it.

A. Rubake and wife came up to their ranch Saturday for a few days.

## MOSIER.

Judge Lake, of The Dalles, and commissioner Hibbard, of Hood River, made a tour through Mosier one day last week, examining the condition of the county roads.

Mr. Dimple came up from Vancouver, Wash., on Monday of last week to transact some matters of business with Mr. Geo. Chamberlain.

Mr. Jno. Evans has disposed of his farm of 160 on the mountain for the comfortable sum of four thousand dollars. Mr. Evans will remain on the place, having assumed the management of the same.

J. K. McGregor, manager of the Mosier Trading Co. mercantile business, made a business trip to Portland on Tuesday.

Mr. Hudson, of Phoenix, Ariz., is the guest of his brother, W. D. Hudson.

Mr. Rand, a real estate man of Portland, accompanied by his wife, came up from Portland on Saturday's evening train. They spent the Sunday driving through the country viewing the scenery and various places of interest.

The many friends of Rev. J. B. Spight regret to learn that he is lying ill with typhoid fever at his home in Hood River.

Mrs. Tyler with her daughter, Miss Lottie, returned on Thursday from

an extended trip to Grass Valley, where they have been with a son of Mrs. Tyler, who has been ill with pneumonia.

Mrs. Rozella Jones, who has been employed in the Hood River hospital, is spending a few weeks with her parents, Mr. and Mrs. Amos Root.

Mrs. W. A. Husbands and brother, Mr. Leo Root, were passengers on Wednesday's train for Hood River.

Not a little enthusiasm is being manifested in the Sunday School in Mosier over the creation of a library fund. The starting of a library in the Sunday School is a problem which has long been in contemplation and is one that greatly occupied the interest of Sunday School workers. Notwithstanding the fact that the library question has held such a hearty recognition, there has been no decisive issue brought to bear until our worthy superintendent, G. L. Carroll, started the movement in proper order by appointing a committee consisting of Mrs. Alex Stewart, Miss K. Davenport and Miss Dollie Mosier to solicit funds, which committee after a week's soliciting, brought in the following report. Mrs. Stewart collected \$1.50, Miss Davenport \$4.50, Miss Mosier, \$17.00. With Sunday School funds already in the treasury and promise of future donations, the fund in the aggregate will reach \$40. Although this is but a small beginning, the zeal and enthusiasm which pervades, give promise that a good library will have been placed in Mosier ere the lapse of many months.

A very convincing lecture on equal suffrage was delivered on Saturday evening at the Baptist church by Miss Chase, of New Hampshire. Miss Chase is a very fluent speaker and brings out her points in a very clear and concise manner, thus holding her audience with rapt attention. After the lecture, an equal suffrage society consisting of fifty-nine members was organized with E. J. Middleworth as chairman and Miss Dollie Mosier, secretary.

On Sunday of last week, the Methodist Sunday School was reorganized in Dist. No. 8, with J. W. Weidrick as superintendent.

In the recent Ellers Piano word contest, just closed, Miss Irene Fisher, daughter of S. D. Fisher, was one of the successful contestants, having won in it \$70. Miss Irene is a bright young girl and will, no doubt, appropriate the money to a most profitable advantage.

## ODELL.

Mr. Lockman and family are now living within a few minutes' walk of the center of the town in the house vacated by Thomas Lacey and family at the time Mr. Lacey took charge of the new store at Odell.

Last week James English bought of Dane Kemp the bay mare Dane has had since she was a colt and one of the best in the valley. We understand Mr. English has since sold the mare, of which this was one, at a good figure.

Mr. Olsen is clearing land at his new home.

Mrs. Mae Hall-Ehrek is in her place as teacher in the primary room after several days absence because of a severe case of eye trouble.

Last Friday night the second and, as it resulted, the final spell of the series between Odell and Pine Grove took place at Pine Grove school house. With seven spellers for Odell and eight for Pine Grove. At the finish Odell had five spellers, Pine Grove none. Prof. Wiley of Hood River pronounced it a most satisfactory manner. Everything was fair, courteous and pleasant and so far as the writer knows there is good feeling between the two districts. Now, when there is not so busy a time, we may try ciphering.

Mr. A. Woods' new house is nearing completion.

Mrs. Crockett and family with the exception of one son are again residents of Odell and all are glad to welcome them.

Thomas Lacey has land staked for more orchard.

The Polts-Young horse market was reinforced by the arrival of Wallace Young with nine horses last Friday.

L. A. E. Clark is clearing land for the Glacier man.

There will be a program appropriate for the day next Sunday in the church at Odell.

## PINE GROVE

"Let the conquering heroes come," sang the triumphant Odellites as they wended their way homeward after the spelling match Friday evening. So far as the victory was concerned, it was a complete walkover for them. A large crowd came over from Odell to the school house at Pine Grove, where some of his teachers, were out in full force.

There is some talk of Pine Grove meeting Odell in a ciphering match in the near future. We much admire this persevering spirit shown by the community and here take the opportunity to remind our readers that bull-dog tenacity of time wins. So, "Keep a bangin' on."

The writer enjoyed a most pleasant visit at the home of L. D. Boyd, of Odell, Saturday and Sunday. Mr. Boyd has one of the prettiest homes in the valley, all arranged in modern conveniences, and the beauty of the surrounding is exceeded only by the hospitality of the host and hostess.

Mr. Kohler bought one of the Davenport horses Saturday. It is a fine large animal weighing about 1330 pounds.

Along with the other improvements going on in the neighborhood, the Pine Grove store has put in two new cash drawers of the alarm pattern.

## CRAPPER.

Mr. and Mrs. Renshaw came up from Portland on last Saturday. They are at present the guests of Mr. and Mrs. Hayner.

The hearts of Mr. and Mrs. Fred Taylor were made glad on last Tuesday morning by the arrival of a baby girl at their home.

E. D. Hackett went to Portland on last Saturday where he will remain for an indefinite time. Mr. Renshaw states that his daughter, who lives in Portland, recently bought a dozen apples from a fruit dealer in that city for which she paid 35 cents. They were represented to her as being Hood River Spitzenbergs, but on further inspection, proved to be Ben Davis. Is not that obtaining money on false pretense?

W. T. Eddy, engineer for the Hood River Irrigation district, has been out with a party since March 28th, looking up a route from the Dead Point ditch from a point near the Ralph Jarvis and Calbreath places north to a point above the C. A. Hicks and Jack Binn places. They have run two lines and are confident that they will be able to find a good route for the upper ditch. The contractor has about 30 men at work north of Hadley Gap. The expect to complete the ditch to Ditch creek and then move camp to a point near the Ralph Jarvis place, convenient to Dead Point.

There was quite a heavy frost in this neighborhood on Tuesday morning.

The farmers in this vicinity are at present almost too busy to be sociable.

Rev. and Mrs. H. C. Clarke, after spending the winter in Illinois, returned to Belmont on Friday of last week.

## RUTHTON

Miss Elsie Middleworth spent Sunday with her sister, Mrs. Rowland.

Mr. and Mrs. Bartness attended church services at Monominee Sunday.

Mr. Neuchant and family have moved into camp.

Mrs. Kutz is visiting with her sister, Mrs. Forbes.

The box social at Monominee, held for the benefit of the church, was a decided success, more than \$45 being realized from the sale of the boxes.

The night watchman has moved his family, and is now living in camp.

For the future there will be strict justice done in Ruthton, as it has a "Judge" all of its own.

Mrs. Dickinson had a severe attack of heart trouble Monday evening. At present writing she is somewhat better.

John Evans is one broad smile these days, all on the coming of a wee baby daughter.

Mr. Calkins has moved on the Morton farm, the Morton family going to Hood River to make their home.

Walter Ross has gone to Lyle, Washington.

Mr. Stamms and family visited
