Golden Wedding.

Tuesday, April 17, occurred a happy event at the Artisan Hall, being the celebration of the fiftieth wedding anniversary of the wedding of Mr. and Mrs. William Boorman, attended by nearly all of the children, grand children and great grand children of the worthy couple. A surprise on the old couple was successfully carried out by the "children", and in order to provide a place large enough, the Artisan Hall was engaged for the occasion. All assembled there at two o'clock, and the old couple invited about 200. Two long lines were formed on each side of the hall, Rev. W. C. Evans was officiating clergyman, and the venerable bride and groom marched up to the altar, followed by Miss Caroline Sherroff and Mabel Miller, who acted as flower girls. The wedding march was played by Mrs. F. C. Sherroff. After the customary Mrs. Carlton made a neat speech, presenting Mr. Boorman with a pair of gold-bowed spectacles and a gold charm with diamond setting, and Mrs. Boorman with gold-lined silver cream and sugar set. Then followed congratulations and a fine lunch, consisting of sandwiches, coffee, cake and ice cream. The wedding cake was especially good. William Boorman and Lucy Emily Road were married at Onahaska, La Crosse county, Wisconsin, April 17, 1858. They came to Hood River in 1888, just twenty years ago, and bought the farm now owned by Frank Chandler. All of their children reside here and in the valley except Mrs. J. H. Ackerman a 4 her children, two of whom are married. The children living are: Scott Boorman (step-son), Mrs. Ellen Ackerman (sister), Mrs. Emma Ellis, Alfred Boorman, Mrs. Belle Sherroff, Mrs. Minnie Caddy and Mrs. Alice Miller. Two children have died, George and Emily, the latter the wife of Earl Eastman. There are now living seven children, 32 grand children and 12 great grand children. Nothing will relieve digestion that is not a thorough digestant. Kodol Dyspepsia Cure digests what you eat, and allows the stomach to rest—recuperate, grow strong again. A few doses of Kodol after meals will soon restore the stomach and digestive organs to a full performance of their functions naturally. Sold by Williams Pharmacy. State Treasurer. Although there are six candidates in the field for State Treasurer it is now conceded that either Ralph Hoyt, of Portland, or E. V. Carter, of Jackson county will be nominated. Mr. Carter says, "If elected I will reside in Salem and give the office my personal attention." Mr. Hoyt is silent on this point. Mr. Carter says, "If elected I will turn over to the state every dollar of the interest paid on state funds." This money, from \$10,000 to \$20,000 per annum, has heretofore been retained by the treasurer. As Mr. Hoyt is silent on this point also it is fair to assume that he intends to pocket this interest money as has been done in the past. Will you vote for a Portland man and thus continue this graft? A vote for E. V. Carter is a vote to stop this graft and reduce taxes correspondingly. Don't tie a cold or a cough up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. Vote at the primary election tomorrow.

Easter at the Congregational.

The Easter programme of the Sunday School was given at the regular morning session and consisted of songs, recitations, an appropriate anthem by the choir, a solo by Florence Brosius, and a pantomime rendering of "Nearer my God to Thee" by the young ladies of Mrs. Gore's class with solo by Miss Lella Hersher. All parts were well done. The house was crowded at the morning services of the church and the programme was especially good. Mrs. Jones presided at the organ in a very satisfactory manner and rendered some fine compositions on that instrument. The anthems by the quartette choir were appropriate and well rendered. Although it is but a short time since a large number of new members were received into the church, twelve more were received on this occasion. The words of the pastor, Rev. W. C. Gilmore were well chosen and very impressive. While the evening service was less elaborate it was good and well conducted. Rainbow Trout for Lost Lake. Robert Lousner has just received word from the Fish Commission that his request for 10,000 rainbow trout for Lost Lake has been granted, and that the fish will be shipped inside of sixty days. This will be of interest to sportsmen. Fish are not very plentiful in the lake at present, owing to the presence of a large number of water dogs that eat the spawn and thus largely diminish the natural increase of fish. Some very fine specimens of trout have been taken from the lake, but young fish are very scarce. Are you busy? Vote anyway.
