Robertson on Saturday received a gold medal from the War Department for bravery in the Spanish American war in the Philippines. B, 2d Oregon Infantry, Vol., near San Isador, P. I., May 16, 1899." The occasion for the medals, which were awarded to 17 soldiers by an act of Congress, was when the boys crossed a burning bridge on the strings, under a heavy cross fire, and put to flight 90 of the enemy. It was one of the many acts of bravery displayed by our soldier boys in the war with Spain, and the action of Congress in awarding the medals was a fitting acknowledgement of the deed. It is a keystone to be proud of. In connection with the medal is a rosette button to be worn in the button hole of the coat, in lieu of the medal.

The outlook for the strawberry growers is very promising this season. Reid came in from the logging camp at Green Point Monday evening, and reports that one half the mill is now running very smoothly, the hand saw cutting 65,000 in 24 hours. The logging is progressing very well. Frank Davenport now has quite a dairy started. He was milking ten cows last week and five more were sent up this week. One trouble with the dairy is a scarcity of milkers, and Mr. Davenport was forced to do a good deal of it himself.
